Freed, 2014-12-05 The Apostle Paul and His Letters presents a detailed examination of the apostle's seminal writings in the Book of Acts Paul was writing primarily to converts who had joined church communities only recently mostly forsaking either Judaism or paganism Paul's emphases on faithfulness toward God the faithfulness of Jesus and his moral teachings are always primary themes The book discusses a range of topics the circumstances that led Paul to write each letter Paul's emphasis on the morality of the believers to whom he was writing the influence of Old Testament Qumran and pagan writings on Paul's own the intellectual and cultural context of the time and how careful attention to Paul's language can shed light on his meaning This book is written for a wide range of interested readers including students pastors church workers and others interested in learning about Paul as a person and his work

Romans F. F. Bruce, 2014-06-10 While Romans has been among the most influential books of the New Testament it has also been the subject of some of the church's most heated debates In the concise and informative style that has become the hallmark of the Tyndale Commentaries F F Bruce guides us along the difficult but rewarding paths of this great letter

Galatians and Romans William Douglas Mackenzie, 1912

[Galatians and Romans](#) Brendan Byrne, 2010-11-01 Of all the writings of Paul none have made so signal a contribution to Christian life and identity as the Letter to the Galatians and the Letter to the Romans While written at quite separate stages of his apostolic career and very different in tone the two letters unite in projecting above all a common Vision of God as a God of grace Both call for a human response of faith and love from which will flow a Christian life lived in freedom and hope This commentary brings out these positive emphases in Galatians and Romans while also remaining sensitive to the part these letters have played in divisions between Protestants and Catholics on the one hand and Christian caricature of Judaism on the other The aim is to clarify and shed light where Paul can be obscure as well as to bring out the full riches of his powerful presentation of the Good News for the life of believers today

study on Romans is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities Mary and the Roman Catholic Church Rowel Ruste,2015-10-28 This book details everything you need to know scripturally about Mary Catholicisms memorized prayers the Seven Sacraments and more This book was written with simplicity but is very insightful and biblical *The Army of One* Jon Cody,2025-02-14 United together under one God Christians from all walks of life must learn what it means to be followers of Christ With so many denominations and interpretations of God s teachings much of what it means to be a Christian has been lost leaving many with a false sense of salvation or purpose Membership in God s army is full of struggles and life lessons meant to strengthen our faith by following the one who guarantees us ultimate victory Whether you are a new old or struggling Christian this book will help remind you of the basics of your faith wean you off the milk of your spiritual infancy and strengthen you for some of the greatest battles of your life God is with us every step of the way from the time we are first enlisted in His army and through every battle we face in our spiritual war He is training us to fight effectively against the challenges of life and he is guiding us to victory and an eternal home in heaven **Giver of Truth Biblical Commentary-Vol 3** God's Servant,2015-10-30 God s servant offers you convenient commentary books which are practical concise and relevant The Giver of Truth Biblical Commentary books are intellectually stimulating and include all that expensive multivolume commentaries have to offer The Giver of Truth Biblical Commentary books present each book of the Bible chapter by chapter with consideration of the King James Bible as the standard and credit given to references within the text which allows you to examine your Bible within its historical background and customs The Giver of Truth Biblical Commentary illuminates the Bible within its time and place which affords doctrinal penetrating insight into the practical application of truth for everyday living God s servant former entrepreneur and educator has devoted years of study to religious theology after completing graduate degrees from community college business college state college state university Christian college Seminary Studies and Christian Growth Plans God s servant has written monographs for various churches planned seminary classes taught Bible classes and serviced in the Church for years and now writes in an easy to read manner for those who want to complement their religious conscience with a solid foundation of Christianity which offers a real relationship with God *Aquinas on Israel and the Church* Matthew A Tapie,2015-02-26 Theologians have long debated the significance of the Jewish religion for the Christian Church Some scholars see Thomas Aquinas as the leading advocate of the belief that Israel has been superseded by the Church while others hold that Aquinas avoids supersessionism altogether The discussion has however not always analysed the terminology nor has it taken into account some of Aquinas s commentaries on Paul s letters his writings most relevant to the subject Drawing upon the Pauline commentaries Matthew Tapie shows that while Aquinas s most commonly articulated view is that the passion of Christ made Jewish worship and the Mosaic law obsolete Aquinas also advanced views that set this

into question in ways that support Christian teachings affirming the value of post biblical Judaism In doing so he provides both a rich and timely reminder of the ambiguities in Aquinas s thought and makes an important contribution to the literature of supersessionism James (ICC) Dale C. Allison, Jr.,2013-05-09 For over 100 years the International Critical Commentary has had a special place amongst works on the Bible This new volume on James brings together all the relevant aids to exegesis linguistic textual archaeological historical literary and theological to enable the scholar to have a complete knowledge and understanding of this old testament book Allison incorporates new evidence available in the field and applies new methods of studies No uniform theological or critical approach to the text is taken **Habakkuk** J. Alexander Rutherford,2019-12-20 It is all too common to find commentaries that miss the forest for the trees commentaries that get so caught up in the minutiae of scholarly controversies that they miss what God is saying for His church today This is especially evident when it comes to the book of Habakkuk The Teleioteti Old Testament Commentaries series is an attempt to attain theological depth to pay attention to the forest without neglecting the details of the text without missing the trees To do this a Teleioteti Old Testament Commentary seeks to bring scholarly rigour and thoughtfulness together with faithful attention to the purpose and significance of each book for God s people today It strikes a balance between technicality working through the Hebrew text and its difficulties and practicality applying each major section of the text to contemporary needs Habakkuk is a book that especially needs such an approach After an extensive introduction discussing the significant issues and laying the groundwork for interpreting Habakkuk this commentary walks through the text stanza by stanza and line by line With a balance of theological reflection and exegetical depth a wide variety of readers will find something to take away Habakkuk is a book of discipleship a book written to bring its reader to a deeper faith in Yahweh in the presence of His unthinkable deeds In the midst of oppressive evil at the hands of their Judahite brothers the righteous of Judah cry out to God for salvation His response is the invasion of fearsome Chaldea What appears to be horrid judgment is actually His plan to save those who trust in Him All His people are called to extraordinary faith to believe Him when His deeds are unbelievable In this way and only this way will they be delivered from their oppressors and enjoy God s blessings only by faith can they have life *The Strategic Grasp Of The Bible* J. Sidlow Baxter,2017-01-10 Within the compass of this substantial volume a major study work Dr J Sidlow Baxter points out the marvel of the structural design of the Scriptures First examining the architecture of the Bible he suggests the basic approach to and expectation of what is to be gained by the study of Scriptures He then makes clear how a certain fitness for delineating the spiritual truths of the Bible may be acquired and so he leads the reader to understand the structure of the Bible as a whole In the second part of his book Dr Baxter points to the two dispensations defined in John 1 17 and offers stimulating comparisons between the Old and New Testaments Further chapters lead toward a clear understanding of the Kingdom of Heaven the Church and the entire New Testament Included in the text are useful outlines and tables to summarize key factors figures pronouncements and turning points which have pivotal or crucial

significance in the total message of the Bible
