## **Romans To Revelations:**

**Romans and Revelation** Daniel Thompson, 2021-03-11 In the book of 2 Peter the apostle writes under inspiration that another apostle Paul wrote Things in which are some things hard to be understood 2 Peter 3 16 Imagine one inspired apostle speaking about another inspired apostle s writings But such as any Christian will testify is the absolute truth about Scriptures they can be hard to comprehend In my years interacting biblically there are three comments I would inevitably get about three Scripture portions that reflect the statement by Peter two sections in Paul s letter to Romans Romans 7 and 11 and one from the Apostle John Revelation With John s Revelation difficulties are universal and always the same subjects of books and conversations How should we read and interpret the book of Revelation with all the symbols visions etc Anyone today will be familiar with the Left Behind series and the work that spawned many such books The Late Great Planet Earth of the early 70s Ideas on this book are legion I have expounded on the first eleven chapters of Revelation verse by verse to attempt to show that the intended edification John had in mind when writing this work see Revelation 1 1 3 etc actually was understood and edifying to the saints of the first century and also to us I wrote to show that if we are careful to lean on the Old Testament and its style of writing in particular the book of Daniel the book of Revelation turns out to be quite a straightforward work especially if we let Scripture interpret Scripture example Revelation 6 16 compare Luke 23 27 30 Indeed I think the truths of Revelation chapters 1 through 11 are so self explanatory that the chapters that follow if we keep comparing Old Testament and New Testament Scriptures will fall quite naturally into place Details may be tough but general themes come out much clearer In my life preaching and exhortation a section of the Bible somewhat akin to the subject of Revelation would arise day in and day out what is the meaning of Romans 11 26a And all Israel shall be saved and how does it speak to the future of Israel This verse was the central text for our greatest expository thinkers the Puritans and from the 1600s through the 1800s and into our twentieth century This chapter was the basis for what was known as Puritan PostMillennialism as opposed to the PreMillennialism of men like Tim Lahaye and Hal Lindsay In this book the section on Romans 11 like Revelation and Romans 7 is handled verse by verse and is expounded systematically and slowly so that the mysteries that have often hung over Christians here might be seen in a newer clearer light In my travels I ve found many books and too many conversations approach these passages without regard to surrounding ideas There is a desire for answers to Bible verses that as Peter said were hard to be understood and without some patience we will twist to our own harm and misunderstanding Views are abundant when the subject is Romans 7 The inevitable comment or question asked in multiple ways is who is that guy in Romans 7 that cannot do what he wishes to do It was Romans 7 13 25 that this type question arose and I discovered over a period of a year the various views of this passage as well as the beauty power and answer to the question of who is that guy in Romans s7 Indeed the study and writing of just Revelation chapters 1 11 Romans 7 13 25 and Romans 11 11 32 verse by verse bore the fruit I believe we all desire when the going gets tough This book is the

fruit of a slow and steady exposition of these three aspects of the Scriptures Romans 7 13 25 Romans 11 11 32 and Revelation chapters 1 11 As in any work in the Word of God the wonders and glories you gain are incalculable *Genesis to Revelation: Romans Participant Book* Robert Jewett, 2018-03-20 Study the entire Book of Romans beginning with an introduction to Paul and following through his life and his call Some of the major ideas explored are his purpose and situation righteousness and wrath being set free from sin new life in the Spirit and a tolerant ethic More than 3 5 million copies of the series have been sold This revision of the Abingdon classic Genesis to Revelation Series is a comprehensive verse by verse book by book study of the Bible based on the NIV These studies help readers strengthen their understanding and appreciation of the Bible by enabling them to engage the Scripture on three levels What does the Bible say Questions to consider while reading the passage for each session What does the passage mean Unpacks key verses in the selected passage How does the Scripture relate to my life Provides three major ideas that have meaning for our lives today The meaning of the selected passages are made clear by considering such aspects as ancient customs locations of places and the meanings of words The meaning of the selected passages are made clear by considering such aspects as ancient customs locations of places and the meanings of words The simple format makes the study easy to use Includes maps and glossary with key pronunciation helps Updates will include New cover designs New interior designs Leader Guide per matching Participant Book rather than multiple volumes in one book Updated to 2011 revision of the New International Version Translation NIV Updated references to New Interpreters Dictionary of the Bible Include biblical chapters on the contents page beside session lesson titles for at a glance overview of biblical structure Include larger divisions within the contents page to reflect macro structure of each biblical book Ex Genesis 1 11 Genesis 12 50 Exodus 1 15 Exodus 16 40 Isaiah 1 39 Isaiah 40 66 The simple format makes the study easy to use Each volume is 13 sessions and has a separate leader guide *A commentary upon the holy Bible* Matthew Henry, 1835 **Genesis to Revelation: Romans Leader Guide** Robert Jewett, 2018-03-20 Study the entire Book of Romans beginning with an introduction to Paul and following through his life and his call Some of the major ideas explored are his purpose and situation righteousness and wrath being set free from sin new life in the Spirit and a tolerant ethic Leader Guide includes A verse by verse in depth look at the Scriptures Background material including word studies and history of the biblical setting Answers to questions asked in the Participant Book Application of the Scripture to daily life situations Discussion suggestions A variety of study options Practical tips for leaders to use More than 3 5 million copies of the series have been sold This revision of the Abingdon classic Genesis to Revelation Series is a comprehensive verse by verse book by book study of the Bible based on the NIV These studies help readers strengthen their understanding and appreciation of the Bible by enabling them to engage the Scripture on three levels What does the Bible say Questions to consider while reading the passage for each session What does the passage mean Unpacks key verses in the selected passage How does the Scripture relate to my life Provides three major ideas that have meaning for our lives today The meaning of the

Simon Th.D.,2021-06-07 Romans is largely regarded as the theological standard among New Testament writings as well as the clearest and most systematic presentation of Christian doctrine in all the Bible Its influence on figures such as Augustine Luther and Calvin have been well documented with Calvin referring to it as the singular key to understanding all of Scripture In Shades of Grace the first in his New Kingdom series pastor and author Marc Simon offers both an original translation of Paul s letter to the Romans as well as a fresh commentary on the letter itself His spirited approach to the Pauline corpus conveys both the depth and simplicity of Paul s writing and combines the author s careful scholarship and spiritual insight with lucid commentary background information and explanatory notes on key terms used by Paul in his letters The introduction to the commentary highlights the authorship occasion purpose and contents of Romans as well as Paul s unique understanding of Israel s God as the Father Lord and Spirit of creation The author follows the introduction with a verse by verse exposition of the text which is at once accessible to scholars pastors and students alike The Rapture: from the Ground Up Richard L. Guthrie,2014-04-11 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre

Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture The Rapture From the Ground Up explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of Gods Word
