Romans 9 Gods Sovereign Purpose Romans:

Paul's Use of the Old Testament in Romans 9:19-24 Brian J. Abasciano, 2022-07-14 Brian Abasciano continues his project examining the use of the Old Testament in Romans 9 building upon his previous two volumes and their intertextual methodology This method incorporates into a thorough traditional exegesis a comprehensive analysis of Paul's use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul's citations and allusions Such an intertextual exegesis is conducted in Romans 9 19 24 with an awareness of the broader unit of chapters 9 11 especially and also the epistle as a whole Conclusions for the meaning of these passages and their theological significance are drawn Reprobation and God's Sovereignty Peter Sammons, 2022-01-25 God's right to judge humanity is written on the very fabric of human existence The doctrine of reprobation that is the eternal unconditional decree of God for the non elect is frequently misconstrued in both pastoral and theological literature In Reprobation and God's Sovereignty Peter Sammons reintroduces this oft misunderstood doctrine revealing its relationship to divine sovereignty With Romans 9 as a guiding text Sammons presents a thoroughly researched defense of reprobation as an essential part in a Reformed theology that magnifies God and encourages believers to trust in him Reprobation and God's Sovereignty clearly defines and demonstrates from Scripture the foundational terms and doctrines required for properly understanding reprobation such as God's justice Election Compatibilism Secondary causality Preterition Predamnation Understanding these theological ideas proves vital to answering life's all important question Who is God Sammons shows how the doctrine of reprobation leads to a greater admiration for God eliciting higher praise reverence and belief in him *"I AM": The Attributes of God Seen in Scripture, Science and Creation* Mario G. DeVita, 2023-08-10 This book presents a thorough presentation of several of the Attributes of God as seen in the scriptures science and the world It includes Those attributes that are unique to God Himself as well as those that may be shared by His people Much of the information comes directly from the Bible *Sovereign Grace Against the Gangrene of Arminianism* Richard Resbury, C. Matthew McMahon, 2025-03-12 Arminianism is not merely an error it is a gangrenous disease eating away at the heart of the gospel itself But there is a cure the bible's teaching of the sovereign grace of God In *Sovereign Grace Against the Gangrene of Arminianism* Richard Resbury 1607 1674 takes up the pen to defend the bedrock truths of the Bible against the creeping error of free will doctrines With clarity precision and unwavering conviction Resbury dismantles the Pelagian roots of Arminian theology and exposes its implications for the glory of God the sufficiency of Christ and the hope of salvation First published during a time of fierce theological debate this work challenges free will doctrine and stands as a rallying cry for those who uphold the biblical doctrines of election grace and the sovereignty of God as found in the Westminster Standards Resbury's arguments are grounded in Scripture illuminated by sound reason and strengthened by an unshakeable commitment to the gospel of grace This book is more than a critique it is a celebration of the majesty of God's sovereign will

Resbury reveals a theological landscape where God reigns supreme man's will is rightly understood and salvation is securely anchored in divine mercy For those seeking a deeper understanding of the theological debates of the seventeenth century or for anyone wrestling with questions of God's sovereignty and man's responsibility this book offers a timely and timeless response Prepare to see the gospel defended with zeal and Arminianism unmasked for what it is a gangrene on the body of Christian truth Resbury's voice speaks from the past but his challenge to the modern church is as urgent as ever Whether you are a seasoned theologian or a seeker of truth *Sovereign Grace Against the Gangrene of Arminianism* invites you to discover the unbreakable power of God's sovereign grace *Exalting Jesus in Romans* Tony Merida,2021-04-01 *Exalting Jesus in Romans* is part of the Christ Centered Exposition Commentary series Edited by David Platt Daniel L Akin and Tony Merida this commentary series to include 47 volumes when complete takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition presented as sermons and divided into chapters that conclude with a Reflect Discuss section making this series ideal for small group study personal devotion and even sermon preparation It's not academic but rather presents an easy reading practical and friendly commentary The CCE series will include 47 volumes when complete The author of *Exalting Jesus in Romans* is Tony Merida *The Righteous Judgment of God* John Richard Coulson,2016-12-22 This book seeks to fill a gap on the important topic of God's judgment It is written for Christians who desire to have a biblical worldview that helps them to live faithfully for Jesus Christ It investigates what the apostle Paul has to say in his letters about God's judgment The worldview that emerges is one that must not be ignored of judgment as fundamental to our human life as Adam's descendants of God's judgment at work in the world today and of the final judgment as the certain future for every person At the center is the decisive judgment of our sin in Christ at the cross which is God's answer to our judgment problem For each of these four aspects of judgment key questions are considered with the central question being How do we live in the light of this truth **A Case for Amillennialism** Kim Riddlebarger,2013-08-15 Amillennialism dispensational premillennialism historic premillennialism postmillennialism preterism These are difficult words to pronounce and even harder concepts to understand *A Case for Amillennialism* is an accessible look at the crucial theological question of the millennium in the context of contemporary evangelicalism Recognizing that eschatology the study of future things is a complicated and controversial subject Kim Riddlebarger provides definitions of key terms and a helpful overview of various viewpoints He examines related biblical topics as a backdrop to understanding the subject and discusses important passages of Scripture that bear upon the millennial question Regardless of their stance readers will find helpful insight as Riddlebarger evaluates the main problems facing each of the major millennial positions and cautions readers to be aware of the spiraling consequences of each view **Prevenient Grace** J. Alexander Rutherford,2020-09-20 If a plant grows

with shallow roots the storms of a season will wither away and uproot it like a house built on sand a poor foundation will doom its fate But this isn't a book on botany nor on architecture foundations good roots are essential to thought structures as well as material structures In theology a bad foundation will produce results as catastrophic as bad roots or shifting sand How we think about God and His work in the world will profoundly affect how we live and work out our Christian faith This book evolved from the conviction that a prominent theological system rests on a fragile foundation It is written as a small contribution towards refounding our understanding of God's relationship with the world and our salvation on His Word The theology in question is Arminianism the foundation is prevenient grace Deep within Evangelical Arminianism lies the essential doctrine that God has acted in the life of all human beings giving them enabling grace enough to respond or reject His offer of salvation The contention of this book is that this doctrine has no biblical grounds and is rationally unfounded and that Arminianism itself stands or falls on this doctrine

For Calvinism Michael Horton, 2011-10-25 In an eloquent defense of Calvinist theology author and professor Michael Horton invites us to explore the teachings of Calvinism also commonly known as Reformed theology by showing how it is biblical and Christ centered leading us to live our lives for the glory of God The system of theology known as Calvinism has been immensely influential for the past five hundred years but it's often encountered negatively as a fatalistic belief system that confines human freedom and renders human action and choice irrelevant Taking us beyond the caricatures and typical reactions For Calvinism Explores the historical roots of Reformed thought Delivers the essence of Calvinism examining its distinctive characteristics such as election atonement effectual calling and perseverance Encourages us to consider its rich resources for faith and practice in the present age As a companion to Roger Olson's Against Calvinism critique and response readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism

The Soteriological Use of Call by Paul and Luke Ian Hussey, 2018-07-12 The congruence of the theology of Paul and Luke is a matter of debate In particular according to many scholars the soteriologies of Paul and Luke are divergent This volume argues that the usage of language by both Paul and Luke suggests that it may be a common element in their soteriologies The author demonstrates that language is an important concept in the soteriologies of Luke and Paul and that although there are contrasts there are a number of points of comparison Crucial to this common understanding is the association of language with the OT covenants election covenant meals and an expectation of the eschatological banquet As a result of this prominent and consistent usage by Paul and Luke the language of deserves a higher place in the Christian understanding of salvation This has implications for Christian life and practice

Israel and the Church Ronald E. Diprose, 2025-08-14 Modern Israel and its relations with its Arab neighbors has been conspicuously in the daily news ever since World War II Until that time the concept of Israel and a continuing Jewish people had been hovering in the distant background of Christian thought and doctrine since the post apostolic era In this important work Dr Diprose demonstrates the uniqueness of Israel and its special place in the divine plan

By carefully reviewing relevant New Testament and post apostolic writings the author traces the origin and development of Replacement Theology the concept that the Church has completely and permanently replaced ethnic Israel in the outworking of God's plan throughout history challenging its origin and role in the development of Christian thought on the future of ethnic Israel

The New Chosen People, Revised and Expanded Edition William W. Klein, 2015-11-25 Controversy rages on about God's choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God's choosing individuals prophets priests kings to serve divine purposes and considers God's election of the nation of Israel as his special people This OT study proposes that God's election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul's writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God's election and offers a real challenge to today's church

Integrative Theology Gordon R. Lewis, Bruce A. Demarest, 2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion's relevance to a person's spiritual birth growth and service to others all for the glory of God Why the title Integrative Theology In each chapter steps 2-6 integrate the disciplines of historical biblical systematic apologetic and practical theology

Called by Triune Grace Jonathan Hogg, 2016-10-31 Reformed theology speaks of the divine act that leads to conversion in terms of the effectual call In this lucidly written and carefully researched study Jonathan Hogg provides a constructive treatment of effectual calling interpreting divine calling to salvation as an act of triune rhetoric in which Father Son and Holy Spirit work in a personal way to communicate new life

Exodus Peter E. Enns, 2014-11-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary

Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

False Teachings and Divisive Movements Steve Urick,2013-12-16 Within the realm of professing Christendom many false teachings and divisions exist This is because people often fail to study or properly discern sound Bible doctrine They then follow after charismatic or dogmatic teachers who have misinterpreted or rejected Gods Word False Teachings and Divisive Movements looks at several false teachings and movements some formed recently and some not so recent that exists within many churches today If you ever wonder why there is so much disagreement between professing Christians or question various religious teachings and movements this book will shed light on these matters and help clear up any confusion you might have

Their Rock Is Not Like Our Rock Daniel Strange,2015-02-03 The reality of the West s post Christendom multiethnic multicultural context has meant that more than ever Christians face questions posed not simply by the existence of other religions but also by their apparent flourishing If secularization is alive and well then so too is society s sacralization Hence a theology of religions is arguably the most significant concern confronting Christian mission and apologetics in the twenty first century There has been little evangelical theology offering a detailed comprehensive and biblically faithful analysis not only of the question of salvation but also questions of truth the nature and history of human religiosity and a host of other issues pertaining to Christian apologetics and contextualization amid religious pluralism In *Their Rock is Not Like Our Rock* lecturer and vice principal of Oak Hill College in London Daniel Strange explores these issues and offers the beginning of a theology of other religions
