The Penguin Book of Romantic Poetry Jonathan Wordsworth,2005-05-26 The Romanticism that emerged after the American and French revolutions of 1776 and 1789 represented a new flowering of the imagination and the spirit and a celebration of the soul of humanity with its capacity for love This extraordinary collection sets the acknowledged genius of poems such as Blake's Tyger Coleridge's *Kubla Khan* and Shelley's *Ozymandias* alongside verse from less familiar figures and women poets such as Charlotte Smith and Mary Robinson We also see familiar poets in an unaccustomed light as Blake Wordsworth and Shelley demonstrate their comic skills while Coleridge Keats and Clare explore the Gothic and surreal

John Cowper

Powys and the Afterlife of Romanticism Kim Wheatley, 2025-01-09 This study bridges the chronological divide between the Romantic era and the first six decades of the 20th century interpreting John Cowper Powys 1872 1963 as a major under recognized contributor to the cultural transmission of Romanticism Kim Wheatley s *John Cowper Powys and the Afterlife of Romanticism* uncovers the surprising extent to which this multi faceted Modernist era author reworked key concerns of the Romantic poets Wheatley shows how Powys s prose rewritings of Romantic poetry contribute to the story of the posthumous life of Romanticism especially its environmental legacy In particular the book expands our understanding of the early 20th century reception of William Wordsworth and John Keats Wheatley argues that Powys anticipates and presciently interrogates recent revisionary critical approaches to the Romantics primarily materialist eco critical approaches and therefore invites a fresh environmentalist criticism open to the transcendental and the supernatural Chapters range across Powys s extensive oeuvre investigating his treatment of Wordsworth and Keats in his works of fiction autobiographical writings popular philosophical books and essays of literary appreciation including his *Autobiography* 1934 his four major Wessex novels *Wolf Solent* 1929 *A Glastonbury Romance* 1932 *Weymouth Sands* 1934 and *Maiden Castle* 1936 and his later Welsh historical novels *Owen Glendower* 1941 and *Porius* 1951 Wheatley demonstrates how Powys uniquely combines sense based nature worship the leveling of animate and inanimate and care for disabled human beings along with mystical and magical themes into an all encompassing ecological vision more capacious than any imagined by the Romantics themselves

Prose in the Age of Poets Annette Wheeler Cafarelli, 2015-09-30 In *Prose in the Age of Poets* Annette Wheeler Cafarelli demonstrates that nonfictional narrative of the time was a central expression of British Romanticism The rise of interest in the individual traditionally associated with Romantic autobiography was actually part of a wider cultural interest in biography especially literary biography Following Johnson s lead in the *Lives of the Poets* virtually every major writer of the period experimented with sequences of short anecdotal lives that became a characteristic Romantic vehicle for discussing theories of creativity canon and the place of the poet in society The Romantics took in new directions the examination of the relation of artists lives and works biographers and their subjects and texts and their readers Romantic biography Cafarelli contends offers a perspective from which to reconsider conventional boundaries of genre periodization and the movement from Neoclassicism to Romanticism In examining the Romantics as prose writers and biographers Cafarelli explores the affiliations between Romantic theories of reading and writing and twentieth century critical methodologies She situates the biographical writings of the major poets including Wordsworth Coleridge and Byron in the context of detailed analyses of biographies by Johnson Hazlitt De Quincey Scott Southey and other lesser known contemporaries *Prose in the Age of Poets* will interest scholars and students of Romanticism Johnson biography and autobiography and narrative theory **Halleck's**

New English Literature Reuben Post Halleck, 1913 *Shaw's New History of English Literature* Thomas Budd

Shaw, Truman Jay Backus, 1884 English in State Teachers Colleges Ida Adele Jewett, 1927 The School World , 1907

Halleck's New English Literature Reuben Post Halleck, 2019-12-11 In Halleck's New English Literature Reuben Post Halleck offers a comprehensive overview of English literature tracing its evolution from its origins to contemporary works. The book is distinguished by its pedagogical approach utilizing clear language and structured analyses that make complex literary concepts accessible to readers. Halleck contextualizes literature within historical, social, and cultural frameworks, ensuring that readers grasp not only the texts themselves but also their significance within the broader literary canon, from Beowulf to modern novels. Reuben Post Halleck was an educator and literary historian deeply invested in the teaching of literature and language. His background in education combined with his passion for literature inspired him to create a text that serves both as an academic resource and as an engaging introduction for general readers. Halleck's insight into the interplay between literature and society allows readers to appreciate the nuances of literary movements and the evolution of narrative forms throughout the ages. Halleck's New English Literature is an essential read for students, educators, and literary enthusiasts alike. Its meticulous exploration of literary development offers invaluable insights for anyone seeking to deepen their understanding of English literature. This work not only enhances literary appreciation but also cultivates a critical perspective on the texts that have shaped our cultural landscape.

English Literature William J. Long, 2022-09-15 In English Literature William J. Long presents a comprehensive exploration of the evolution of English literary traditions, tracing their roots from ancient poetic forms to the complexities of modern prose. Long's erudite prose weaves together critical analysis and historical context, elucidating the social, political, and cultural influences that have shaped English literature through the ages. His methodical structure facilitates both an appreciation of individual authors and a broader understanding of literary movements, positioning Long as a key figure in literary scholarship during the early 20th century, a period ripe with reflection on the role of literature in society. William J. Long, an educator and literary critic, devoted much of his life to understanding the nuances of English writing as an expression of human experience. His background in both literature and teaching enhances his ability to articulate the significance of literary works and their contextual relevance. Long's passion for literature and deep respect for its historical underpinnings underscore his objective to make English literature accessible and enjoyable for readers of all backgrounds, thereby enriching the field with both academic rigor and personal engagement. This text is highly recommended for students, educators, and literary enthusiasts alike. Long's insightful perspectives and historical clarity not only aid in the understanding of classic texts but also inspire a deeper appreciation for the artistry and significance of English literature as a whole.
