author's gender The Lovers Embrace: An Inspirational Romance Novel Matt Kingsley, The morning sun cast a golden hue over the quaint village its rays gently coaxing the sleepy hamlet to life Elizabeth Bennett with her hair tied back in a simple ribbon stood by the open window watching the world awaken The early spring air was still crisp carrying the promise of warmer days As the village stirred Elizabeth's mind wandered to the letter that lay unopened on the mantelpiece It had arrived the day before its seal unbroken its contents a mystery Her heart fluttered with a mix of anticipation and trepidation The handwriting was unmistakably that of James her childhood friend who had left for the city years ago to pursue his dreams She sighed her thoughts drifting back to their last encounter It had been a bittersweet farewell filled with unspoken words and unacknowledged feelings Since then their communication had been sporadic confined to brief letters and the occasional carefully worded note Turning away from the window Elizabeth finally gathered the courage to break the seal The letter unfolded easily revealing James's familiar script His words were warm recounting his life in the city his successes and his challenges But as she read on a different tone emerged one that spoke of longing and reflection **The Subversion of Romance in the Novels of Barbara Pym** Ellen M. Tsagaris, 1998 Points out how British novelist Pym 1913-80 parodied the conventions of romance novels by deflating characters hyperbole and exaggeration or emphasizing meticulously the mundane elements of everyday life Shows how she used food clothes heroin and hero characterizations and marriage customs to portray her characters and perhaps her own skepticism about the whole business Paper edition 764 0 18 95 Annotation copyrighted by Book News Inc Portland OR *Charles Robert Maturin and the haunting of Irish romantic Fiction* Christina Morin, 2017-06-01 A self-described disappointed Author Charles Robert Maturin 1780-1824 has been largely relegated to the margins of literary history since his death in 1824 Yet as this study demonstrates he exerted a fundamental influence on the development of Irish fiction in the early nineteenth century In particular his novels dramatically underscore the continuing presence and deployment of the Gothic mode in Romantic Ireland an influence now frequently overlooked in critical attention to the national and regional forms popularized in Ireland in the wake of Anglo-Irish Union 1801 Working from Jacques Derrida's influential theory on ghosts this study positions Maturin as the cornerstone on which to build a new paradigm of Irish Romantic fiction one which accounts for the spectral traces of the past cultural social and political evident in early nineteenth century Irish fiction As it does so it calls for renewed critical and popular attention to an author who himself continues spectrally to emerge in the works of his literary successors Love Letters and the Romantic Novel during the Napoleonic Wars Sharon Worley, 2017-01-06 Love letters during the Napoleonic wars were largely framed by concepts of love which were promoted through novels and philosophy The standard texts so to speak which were written by major authors who inherited this Enlightenment bearing responded to the emerging concepts of love found in novels and philosophical essays Love among this Napoleonic coterie is unique because it demonstrates the reciprocal relationship between the love letter and the romantic novel Germaine de Staël Juliette Rcamier Chateaubriand Benjamin Constant Lady

Emma Hamilton Napoleon Bonaparte and his brother Lucien Bonaparte were the authors and recipients of some of the most passionate love letters of this period. They were also avid readers of the newly emerging genre of the romantic novel and many of them were also authors of such works where they projected their personal romances onto the characterization of their fictional heroes and heroines. In addition, these authors had lived through the recent French Revolution and the Terror. Imprisoned during the Revolution or branded as emigrants upon their return to Paris, their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon's powers grew from First Consul to Emperor of Europe. The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love, happiness, and suicide. Their evolving concept of love was a romantic, all-consuming passion which gripped the lovers in fatal embraces. This book's analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism.

Novel Histories Lisa Kasmer, 2012-01-16 *Novel Histories: British Women Writing History 1760-1830* argues that British women's history and historical fiction in the late eighteenth and early nineteenth centuries changed not only the shape but also the political significance of women's writing. At a time when women's participation in the republic of letters was both celebrated and reviled, these authors took cues from developments that revolutionized British history writing to
