Romanticism and Colonial Disease Alan Bewell, 1999 Colonial experience was profoundly structured by disease as expansion brought people into contact with new and deadly maladies Pathogens were exchanged on a scale far greater than ever before Native populations were decimated by wave after wave of Old World diseases In turn colonists suffered disease and mortality rates much higher than in their home countries Not only disease but the idea of disease and the response to it deeply affected both colonizers and those colonized In Romanticism and Colonial Disease Alan Bewell focuses on the British response to colonial disease as medical and literary writers in a period roughly from the end of the eighteenth century to the middle of the nineteenth century grappled to understand this new world of disease Bewell finds this literature characterized by increasing anxiety about the global dimensions of disease and the epidemiological cost of empire Colonialism infiltrated the heart of Romantic literature affecting not only the Romantics framing of disease but also their understanding of England's position in the colonial world The first major study of the massive impact of colonial disease on British culture during the Romantic period Romanticism and Colonial Disease charts the emergence of the idea of the colonial world as a pathogenic space in need of a cure and examines the role of disease in the making and unmaking of national identities

Romantic Ecologies and Colonial Cultures in the British Atlantic World, 1770-1850 Kevin Hutchings, 2009-08-01 By addressing these and other intriguing questions Kevin Hutchings highlights significant intersections between Green Romanticism and colonial politics demonstrating how contemporary understandings of animality climate and habitat informed literary and cross cultural debates about race slavery colonialism and nature in the British Atlantic world Revealing an innovative dialogue between British African and Native American writers of the Romantic period this book will be of interest to anyone wishing to consider

the interconnected histories of transatlantic colonial relations and environmental thought Romantic Literature and Postcolonial Studies Elizabeth A Bohls, 2013-01-22 This book examines the relationship between Romantic writing and the rapidly expanding British Empire Key Concepts in Romantic Literature Jane Moore, John Strachan, 2010-09-10 Key Concepts in Romantic Literature is an accessible and easy to use scholarly guide to the literature criticism and history of the culturally rich and politically turbulent Romantic era 1789 1832 The book offers a comprehensive and critically up to date account of the fascinating poetry novels and drama which characterized the Romantic period alongside an historically informed account of the important social political and aesthetic contexts which shaped that body of writing The epochal poetry of William Wordsworth William Blake Mary Robinson S T Coleridge Charlotte Smith P B Shelley Lord Byron John Keats Felicia Hemans and Letitia Elizabeth Landon the drama of Joanna Baillie and Charles Robert Maturin the novels of Jane Austen and Mary Shelley all of these figures and many more are insightfully discussed here together with clear and helpful accounts of the key contexts of the age s literature including the French Revolution slavery industrialisation empire and the rise of feminism as well as accounts of perhaps less familiar aspects of late Georgian culture such as visionary spirituality atheism gambling fashion music and sport This is the broadest guide available to late eighteenth and early 19th century British and Irish literature history and culture Romanticism and Aesthetic Life in Postcolonial Writing Philip Dickinson, 2018-02-08 This book explores Romanticism as a force that exerts an insistent but critically neglected pressure on the postcolonial imagination From the decolonizing poetics of the Caribbean to the white writing of South Africa from the aesthetics of post imperial disappointment to postcolonial theory itself it develops an account of the textual and philosophical interpenetration of postcolonial aesthetics with Romantic ideas about sense history and world What emerges is a reading of Romantic postcolonial co involvement that moves beyond well worn models of intercanonical antagonism and the historicizing biases of conventional literary history Caught somewhere between the effects of reanimation and estrangement Romanticism appears here not as a stable textual repository prior to the postcolonial but as echo spectre self interruption or vital force that can yet only emerge in the guise of the afterlife its agency mediated but never exhausted by postcolonial writing **Romanticism and the Biopolitics of Modern War Writing** Neil Ramsey, 2023-02-23 Military literature was one of the most prevalent forms of writing to appear during the Romantic era yet its genesis in this period is often overlooked Ranging from histories to military policy manuals and a new kind of imaginative war literature in military memoirs and novels modern war writing became a highly influential body of professional writing Drawing on recent research into the entanglements of Romanticism with its wartime trauma and revisiting Michel Foucault s ground breaking work on military discipline and the biopolitics of modern war this book argues that military literature was deeply reliant upon Romantic cultural and literary thought and the era s preoccupations with the body life and writing Simultaneously it shows how military literature runs parallel to other strands of Romantic writing forming a sombre shadow against which Romanticism

took shape and offering its own exhortations for how to manage the life and vitality of the nation **British Romanticism, Climate Change, and the Anthropocene** David Higgins, 2017-11-20 This book is the first major ecocritical study of the relationship between British Romanticism and climate change It analyses a wide range of texts by authors including Lord Byron William Cobbett Sir Stamford Raffles Mary Shelley and Percy Shelley in relation to the global crisis produced by the eruption of Mount Tambora in 1815 By connecting these texts to current debates in the environmental humanities it reveals the value of a historicized approach to the Anthropocene British Romanticism Climate Change and the Anthropocene examines how Romantic texts affirm the human capacity to shape and make sense of a world with which we are profoundly entangled and at the same time represent our humiliation by powerful elemental forces that we do not fully comprehend It will appeal not only to scholars of British Romanticism but to anyone interested in the relationship between culture and climate change **The Routledge History of Disease** Mark Jackson, 2016-08-05 The Routledge History of Disease draws on innovative scholarship in the history of medicine to explore the challenges involved in writing about health and disease throughout the past and across the globe presenting a varied range of case studies and perspectives on the patterns technologies and narratives of disease that can be identified in the past and that continue to influence our present Organized thematically chapters examine particular forms and conceptualizations of disease covering subjects from leprosy in medieval Europe and cancer screening practices in twentieth century USA to the ayurvedic tradition in ancient India and the pioneering studies of mental illness that took place in nineteenth century Paris as well as discussing the various sources and methods that can be used to understand the social and cultural contexts of disease Chapter 24 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 3.0 license <https://www.routledgehandbooks.com/doi/10.4324/9781315543420.ch24> **Percy Shelley For Our Times** Omar F. the Romantic Era Elizabeth A. Dolan, 2016-12-05 Arguing that vision was the dominant mode for understanding suffering in the Romantic era Elizabeth A. Dolan shows that Mary Wollstonecraft Charlotte Smith and Mary Shelley experimented with aesthetic and scientific visual methods in order to expose the social structures underlying suffering Dolan's exploration of illness healing and social justice in the writings of these three authors depends on two major questions How do women writers innovations in literary form make visible previously unseen suffering And how do women authors portray embodied vision to claim literary authority Dolan's research encompasses a wide range of primary sources in science and medicine including nosology health travel botany and ophthalmology allowing her to map the resonances and disjunctions between medical theory and literature This in turn points towards a revisioning of enduring themes in Romanticism such as the figure of the Romantic poet the relationship between the mind and nature sensibility and sympathy solitude and sociability landscape aesthetics the reform novel and Romantic era science Dolan's book is distinguished by its deep engagement with several disciplines and genres making it a key text for understanding Romanticism the history of medicine and the position of the woman writer during the period **The Cambridge Companion to British Romantic Poetry** Maureen N.

Imagination Debbie Lee, 2017-09-14 Selected by Choice magazine as an Outstanding Academic Title The Romantic movement had profound social implications for nineteenth century British culture Among the most significant Debbie Lee contends was the change it wrought to insular Britons ability to distance themselves from the brutalities of chattel slavery In the broadest sense she asks what the relationship is between the artist and the most hideous crimes of his or her era In dealing with the Romantic period this question becomes more specific what is the relationship between the nation's greatest writers and the epic violence of slavery In answer *Slavery and the Romantic Imagination* provides a fully historicized and theorized account of the intimate relationship between slavery African exploration the Romantic imagination and the literary works produced by this conjunction Though the topics of race slavery exploration and empire have come to shape literary criticism and cultural studies over the past two decades slavery has surprisingly not been widely examined in the most iconic literary texts of nineteenth century Britain even though emancipation efforts coincide almost exactly with the Romantic movement This
