Romantics At War Glory And Guilt In The Age Of Terrorism

Don Ambrose, Robert J. Sternberg

Romantics At War Glory And Guilt In The Age Of Terrorism:

Romantics at War George P. Fletcher, 2009-01-10 America is at war with terrorism Terrorists must be brought to justice We hear these phrases together so often that we rarely pause to reflect on the dramatic differences between the demands of war and the demands of justice differences so deep that the pursuit of one often comes at the expense of the other In this book one of the country's most important legal thinkers brings much needed clarity to the still unfolding debates about how to pursue war and justice in the age of terrorism George Fletcher also draws on his rare ability to combine insights from history philosophy literature and law to place these debates in a rich cultural context He seeks to explain why Americans for so many years cynical about war have recently found war so appealing He finds the answer in a revival of Romanticism a growing desire in the post Vietnam era to identify with grand causes and to put nations at the center of ideas about glory and guilt Fletcher opens with unsettling questions about the nature of terrorism war and justice showing how dangerously slippery the concepts can be He argues that those sympathetic to war are heirs to the ideals of Byron Fichte and other Romantics in their belief that nations not just individuals must uphold honor and be held accountable for crimes Fletcher writes that ideas about collective glory and guilt are far more plausible and widespread than liberal individualists typically recognize But as he traces the implications of the Romantic mindset for debates about war crimes treason military tribunals and genocide he also shows that losing oneself in a grand cause can all too easily lead to moral catastrophe A work of extraordinary intellectual power and relevance the book will change how we think not only about world events but about the conflicting individualist and collective impulses that tear at all of us

Romantics at War, 2008 America is at war with terrorism Terrorists must be brought to justice We hear these phrases together so often that we rarely pause to reflect on the dramatic differences between the demands of war and the demands of justice differences so deep that the More Than Just War Charles Jones, 2013-03-12 This book raises questions about the just war tradition through a critical examination of its revival and by juxtaposing it with a literary phenomenology of war Recent public debate about war has leaned heavily on a just war tradition dating back many centuries This book examines the recent revival of that tradition in the United States and Britain arguing that it is less coherent and comprehensive as an approach to the ethical issues arising from war than is generally supposed and that it is inconsistent in important ways with the theology on which it was originally based A second line of criticism is mounted through close readings of modern texts in English from Britain Australia and the USA that together constitute a more subjective bottom up understanding of the moral dilemmas of military life In this second tradition the task of representing war is seen as more problematic and its rationality more questionable than in just war discourse Works by William Shakespeare Sir Walter Scott James Fennimore Cooper Stephen Crane John Buchan Robert Louis Stevenson Joseph Conrad Tim O'Brien and Kurt Vonnegut are featured The book will be of great interest to students and scholars of security studies military studies theology and international relations

War By Agreement Yitzhak

Benbaji, Daniel Statman, 2019-10-03 War by Agreement presents a new theory on the ethics of war It shows that wars can be morally justified at both the ad bellum level the political decision to go to war and the in bello level its actual conduct by the military by accepting a contractarian account of the rules governing war According to this account the rules of war are anchored in a mutually beneficial and fair agreement between the relevant players the purpose of which is to promote peace and to reduce the horrors of war The book relies on the long social contract tradition and illustrates its fruitfulness in understanding and developing the morality and the law of war American Law in a Global Context George P.

Fletcher, Steve Sheppard, 2005 Resource added for the Paralegal program 101101 **Genocide, Mass Atrocity, and War Crimes in Modern History** James Larry Taulbee, 2017-02-06 Defining genocide as an international crime this two volume set provides a comparative study of historical cases of genocide and mass atrocity clearly identifying the factors that produced the attitudes and behaviors that led to them discusses the reasons for rules in war and examines how the five principles laid out in the Geneva Conventions and other international agreements have functioned in modern warfare Written by an expert on international politics and law Genocide Mass Atrocity and War Crimes in Modern History Blood and Conscience is an easy to understand resource that explains why genocides and other atrocities occur why humanity saw the need to create rules that apply during war and how culture rules about war and the nature of war intersect The first volume addresses the history and development of the normative regime s that define genocide and mass atrocity Through a comparative study of historical cases that pay particular attention to the factors involved in producing the attitudes and behaviors that led to the incidents of mass slaughter and mistreatment the author identifies the reasons that genocides and mass atrocities in the 20th century were largely ignored until the early 1990s and why even starting then responses were inconsistent The second book discusses why rules in war exist which factors may lead to the adoption of rules what defines a war crime and how the five fundamental principles laid out in the Geneva Conventions and other international agreements have actually functioned in modern warfare It also poses and answers the interesting question of why we should obey rules when our opponents do not The final chapter examines what actions could serve to identify future situations in which mass atrocities may occur and identifies the problems of timely humanitarian intervention in international affairs **The**

Grammar of Criminal Law George P. Fletcher, 2019-09-30 To understand the international legal order in the field of criminal law we need to ask three elementary questions What is international law What is criminal law And what happens to these two fields when they are joined together Volume Two of The Grammar of Criminal Law sets out to answer these questions through a series of twelve dichotomies such as law vs justice intention vs negligence and causation vs background events that invite the reader to better understand the jurisprudential foundations of international criminal law The book will appeal to anyone interested in the future of international cooperation in a time of national retrenchment and will be of interest to students scholars and policymakers around the world A Critical Introduction to International Criminal Law

Carsten Stahn, 2019 Presents theories practices and critiques alongside each other to engage students scholars and professionals from multiple fields This title is also available as Open Access on Cambridge Core **Contemporary Just War** Tamar Meisels, 2017-08-18 This book offers a renewed defense of traditional just war theory and considers its application to certain contemporary cases particularly in the Middle East The first part of the book addresses and responds to the central theoretical criticisms levelled at traditional just war theory It offers a detailed defense of civilian immunity the moral equality of soldiers and the related dichotomy between jus ad bellum and jus in bello and argues that these principles taken together amount to a morally coherent ethics of war In this sense this project is traditional or orthodox In another sense however it is highly relevant to the modern world While the first part of the book defends the just war tradition against its revisionist critics the second part applies it to an array of timely issues civil war economic warfare excessive harm to civilians pre emptive military strikes and state sponsored assassination which require applying just war theory in practice This book sets out to reaffirm the basic tenets of the traditional ethics of war and to lend them further moral support subsequently applying them to a variety of practical issues This book will be of great interest to students of just war theory ethics security studies war and conflict studies and IR in general *Debating Targeted Killing* Tamar Meisels, Jeremy Waldron, 2020-05-14 Known terrorists are often targeted for death by the governments of Israel and the United States Several thousand have been killed by drones or by operatives on the ground in the last twenty years Is this form of killing justified when hundreds or thousands of lives are possibly at risk at the hands of a known terrorist Is there anything about it that should disturb us Ethically sound and practical answers to these questions are more difficult to come by than it might seem Renowned political theorists Jeremy Waldron and Tamar Meisels here defend two competing positions on the legitimacy of targeted killing as used in counterterrorism strategy in this riveting and essential for and against book The volume begins with a joint introduction briefly setting out the terms of discussion and presenting a short historical overview of the practice what targeted killing is and how it has been used in which conflicts and by whom It then hones in on killings themselves and the element of targeting The authors tackle difficult and infinitely complex subjects for example the similarities and differences between targeted killing of terrorists and ordinary killings in combat and they ask whether targeted killing can be regarded as a law enforcement strategy or as a hybrid between combat and law enforcement They compare the practice of targeted killing with assassination and the use of death squads And they consider the likelihood that targeted killing has been or will be abused against insurgents criminals or political opponents Meisels analyzes the assassination by Israeli operatives of nuclear scientists working for regimes hostile to Israel Meisels and Waldron carefully consider whether this sort of killing can ever be justified in terms of the danger it in theory averts The conclusions drawn are at once as surprising as they are insightful cautioning us against a world in which targeted killing is the norm as it proliferates rapidly This is essential reading not only for students of political and war theory and military personnel but for

anyone interested in or concerned by the future of targeted killing **Killing in War** Jeff McMahan, 2009-04-23 Killing a person is in general among the most seriously wrongful forms of action yet most of us accept that it can be permissible to kill people on a large scale in war Does morality become more permissive in a state of war Jeff McMahan argues that conditions in war make no difference to what morality permits and the justifications for killing people are the same in war as they are in other contexts such as individual self defence This view is radically at odds with the traditional theory of the just war and has implications that challenge common sense views McMahan argues for example that it is wrong to fight in a war that is unjust because it lacks a just cause **How Dogmatic Beliefs Harm Creativity and Higher-Level Thinking** Don

Ambrose, Robert J. Sternberg, 2012-04-23 This volume introduces the problem of dogmatism broadly explores the nature and nuances of dogmatic thinking from various disciplinary perspectives and applies the gleaned insights to what is known about creativity and the education of creative young minds **Quest for the Unity of Knowledge** David Lowenthal, 2018-11-01 Is unity of knowledge possible Is it desirable Two rival visions clash One seeks a single way of explaining everything known and knowable about ourselves and the universe The other champions diverse modes of understanding served by disparate kinds of evidence Contrary views pit science against the arts and humanities Scientists generally laud and seek convergence Artists and humanists deplore amalgamation as a threat to humane values These opposing perspectives flamed into hostility in the 1950s Two Cultures clash They culminate today in new efforts to conjoin insights into physical nature and human culture and new fears lest such syntheses submerge what the arts and humanities most value This book stemming from David Lowenthal's inaugural Stockholm Archipelago Lectures explores the Two Cultures quarrel's underlying ideologies Lowenthal shows how ingrained bias toward unity or diversity shapes major issues in education religion genetics race relations heritage governance and environmental policy Aimed at a general academic audience Quest for the Unity of Knowledge especially targets those in conservation ecology history of ideas museology and heritage studies *War and Peace in the Jewish*

Tradition Lawrence H. Schiffman, Joel B. Wolowelsky, 2007 **Indirect Responsibility for Terrorist Acts** Marja Lehto, 2009 The book offers several perspectives to the analysis of the expansion and diversification of international legal responses to terrorism It focuses in particular on the move during the past decade towards more indirect forms of responsibility **The Oxford Handbook of European Romanticism** Paul Hamilton, 2016 The Oxford Handbook of

European Romanticism focuses on the period beginning with the French Revolution and extending to the uprisings of 1848 across Europe It brings together leading scholars in the field to examine the intellectual literary philosophical and political elements of European Romanticism The volume begins with a series of chapters examining key texts written by major writers in languages including French German Italian Spanish Russian Hungarian Greek and Polish amongst others Then follows a second section based on the naturally interdisciplinary quality of Romanticism encapsulated by the different discourses with which writers of the time set up an internal comparative dynamic These chapters highlight the sense a discourse gives of

being written knowledgeably against other pretenders to completeness or comprehensiveness of understanding and the Enlightenment encyclopaedic project Discourses typically push their individual claims to resume European culture collaborating and trying to assimilate each other in the process The main examples featuring here are history geography drama theology language geography philosophy political theory the sciences and the media Each chapter offers original and individual interpretation of individual aspects of an inherently comparative world of individual writers and the discursive idioms to which they are historically subject Together the forty one chapters provide a comprehensive and unique overview of European Romanticism

The Second World Parag Khanna, 2009-02-10 In The Second World scholar Parag Khanna chosen as one of Esquire's 75 Most Influential People of the Twenty First Century reveals how America's future depends on its ability to compete with the European Union and China to forge relationships with the Second World the pivotal regions of Eastern Europe Central Asia South America the Middle East and East Asia that are growing in influence and economic strength Informed witty and armed with a traveler's intuition for blending into diverse cultures Khanna depicts second world societies from the inside out observing how globalization divides them into winners and losers and shows how China Europe and America use their unique imperial gravities to pull the second world countries into their orbits Along the way Khanna explains how Arabism and Islamism compete for the Arab soul reveals how Iran and Saudi Arabia play the superpowers against one another unmasks Singapore's inspirational role in East Asia and psychoanalyzes the second world leaders whose decisions are reshaping the balance of power

The Prime-Time Presidency Shawn J. Parry-Giles, 2010-10-01 Contrasting strong women and multiculturalism with portrayals of a heroic white male leading the nation into battle The Prime Time Presidency explores the NBC drama The West Wing paying particular attention to its role in promoting cultural meaning about the presidency and U.S. nationalism Based in a careful detailed analysis of the first term of The West Wing's President Josiah Bartlet this criticism highlights the ways the text negotiates powerful tensions and complex ambiguities at the base of U.S. national identity particularly the role of gender race and militarism in the construction of U.S. nationalism Unlike scattered and disparate collections of essays Trevor Parry Giles and Shawn J Parry Giles offer a sustained ideologically driven criticism of The West Wing The Prime time Presidency presents a detailed critique of the program rooted in presidential history an appreciation of television's power as a source of political meaning and television's contribution to the articulation of U.S. national identity

Criminal Responsibility for the Crime of Aggression Patrycja Grzebyk, 2013-10-01 Since the Nuremberg trial the crime of aggression has been considered one of the gravest international crimes However since the 1940s no defendants have been charged with this crime with some states actively opposing the notion of punishing aggression The option of trying an individual for aggression is expressly included in the statute of the International Criminal Court In 2010 the Assembly of States Parties adopted a definition of the crime of aggression and conditions of the exercise of jurisdiction over this crime by the Court The Assembly also agreed that the decision on including the crime of aggression

within the Court's jurisdiction would be made in 2017 at the earliest. It is still internationally debatable whether the criminalisation of aggression is an outcome to strive for or whether its abandonment is more preferable. In *Criminal Responsibility for the Crime of Aggression* Patrycja Grzebyk explores the scope of criminal responsibility of individuals for crimes of aggression and asks why those responsible for aggression are not brought to justice. The book first works to identify the legal norms that define and delegalise aggression before moving to determine the basis and scope for the criminalisation of aggression. The book then goes on to identify the key risks and difficulties inherent in trials for aggression. Following a string of awards in Poland including the Manfred Lachs Prize for the best first book on public international law, this cutting investigation of aggression is now deservedly made available to the wider world. In its extensive analysis of international trials on aggression and its synthesis of legal, political and historical rhetoric, this book offers broad and striking insight into the criminal responsibility of individuals on a world stage.

Law, Economics, and Morality Eyal Zamir, Barak Medina, 2010. This work examines the possibility of combining economic methodology and deontological morality through explicit and direct incorporation of moral constraints into economic models.

Romantics At War Glory And Guilt In The Age Of Terrorism Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Romantics At War Glory And Guilt In The Age Of Terrorism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Romantics At War Glory And Guilt In The Age Of Terrorism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing

platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Romantics At War Glory And Guilt In The Age Of Terrorism free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Romantics At War Glory And Guilt In The Age Of Terrorism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Romantics At War Glory And Guilt In The Age Of Terrorism any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Romantics At War Glory And Guilt In The Age Of Terrorism Books

1. Where can I buy Romantics At War Glory And Guilt In The Age Of Terrorism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
