Romeo And Juliet Arden Shakespeare:

Romeo and Juliet William Shakespeare, 2013-11-16 This major new edition of Shakespeare's greatest tragedy of love argues that that play is ultimately Juliet's. The play text is expertly edited and the on-page commentary notes discuss issues of staging, theme, meaning, and Shakespeare's use of his sources to give the reader deep and engaging insights into the play. The richly illustrated introduction looks at the play's exceptionally beautiful and complex language and focuses on the figure of Juliet as being at its centre. Ren Weis discusses the play's critical stage and film history, including *West Side Story* and Baz Luhrmann's seminal film *Romeo + Juliet*. This is an authoritative edition from a leading scholar, giving the reader a penetrating and wide-ranging insight into this ever-popular play. *Romeo and Juliet: Arden Performance Editions* William

Shakespeare, 2017-10-19 In the heat of renaissance Italy, two houses are at war. One son and one daughter from the opposing families break this bitter conflict by falling in love. Yet in this whirlwind of enmity, Romeo and Juliet's passion agitates rather than unites the clashing houses, causing a trail of destruction. Locked in a burning embrace, the two young lovers are tragically doomed to live or die together. For the first time, the world-renowned Arden Shakespeare is producing Performance Editions aimed specifically for use in the rehearsal room. Published in association with the Shakespeare Institute, the text features easily accessible facing-page notes, including short definitions of words, key textual variants, and guidance on metre and pronunciation. A larger font size for easier reading, space for writing notes, and reduced punctuation aimed at the actor rather than the reader. With editorial expertise from the worlds of theatre and academia, the series has been developed in association with actors and drama students. The Series Editors are distinguished scholars: Professor Michael Dobson and Dr Abigail Rokison Woodall, and leading Shakespearean actor Simon Russell Beale. **The Arden Shakespeare. the Tragedy**

of Romeo and Juliet William Shakespeare, Robert Adger Law, 2017-10-03 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did, decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and, to the maximum degree possible, gives them the experience of owning the original work. Romeo and Juliet Julia Reinhard Lupton,2016 Uniquely this guide analyses the play's critical and performance history and recent criticism as well as including five essays offering radically new paths for contemporary interpretation The subject matter of these essays is rich and diverse ranging across the play's philosophical identification of sexual love with self realization the hermeneutic implications of an editor's textual choices the minor characters of the play in relation to Renaissance performance traditions Romeo and Juliet in opera and ballet and the play's Italian sources and afterlives The guide also contains a chapter on the key resources available including scholarly editions and easily available DVDs and discusses the ways in which they can be used in the classroom to aid understanding and provoke further debate Edited by leading scholar Julia Reinhard Lupton this is an essential guide for both students and scholars of Shakespeare *Romeo & Juliet* William Shakespeare,1975-01 **Shakespeare's Symmetries** James E. Ryan,2016-04-27 The organization of Shakespeare's plays has challenged even baffled audiences and critics since the 17th century Cymbeline has been dismissed as incoherent Hamlet is of no clear shape And Antony and Cleopatra bewilders the mind These judgments result from an incomplete understanding of Shakespeare's constructive practice It is not the narrative arc alone that organizes the plays but

a complex structure of interwoven narrative and thematic actions While the narrative varies from play to play thematic actions are invariably created in mirroring pairs around the central scene A B C B A This symmetrical pattern which can be visualized as an arch with a focal keystone is the foundation of all of Shakespeare's mature work as shown through an analysis of the 26 plays in this book This arch illuminates the structure of plays that have long been puzzling demonstrating that they are thematically organized and rigorously crafted It also reveals subtleties otherwise invisible
