Muze'on Yiśra'el (Jerusalem)

Rona Pondick Pink And Brown:

Rona Pondick : pink and brown : the Israel Museum, Jerusalem, Winter 1992/3 ,1993 **Love + Marriage = Death**
Sander L. Gilman,1998 A pioneering interdisciplinary scholar examines the roles of images in the construction of stereotypes of the Jew s body in 20th century art and literature **Rona Pondick** Rona Pondick,2008 **From Pop to Now**
Sonnabend Gallery (New York, N.Y.),Rachel Haidu,2002 Taking one of Andy Warhol s famous Campbell soup can paintings as its starting point From Pop to Now presents a definitive survey of works collected by international gallery owners Ileana and Michael Sonnabend over the last four decades For more than half a century the Sonnabends have been a seminal force in the contemporary art world often showing bold new work considered impossible to sell or too difficult for the times In Paris from 1962 to 1973 and in New York from 1970 to the present the Sonnabend galleries shows have showcased a virtual who s who of contemporary art spanning the full gamut of artistic exploration from Pop Art to Minimalism and Conceptualism from painting and sculpture to video and photography During the height of the Pop movement Ileana was dubbed the Mom of Pop Art and the impact made by her artists at the time among them Jasper Johns Robert Rauschenberg Cy Twombly Andy Warhol Roy Lichtenstein Claes Oldenburg and James Rosenquist is now as legendary as Sonnabend s passion for collecting contemporary art Committed to exposing audiences in Europe and the United States to the most exciting contemporary work on both continents the Sonnabends brought to New York the works of Italian Arte Povera artists Mario Merz Gilberto Zorio Jannis Kounellis and Pier Calzolari and other Europeans including Bernd and Hilla Becher Christian Boltanski and Anselm Kieffer More than a collection From Pop to Now looks at a pivotal time in contemporary art history bringing together not only the names that have made history but also the seminal artworks that have defined a generation The Israel Museum Journal Muze'on Yiśra'el (Jerusalem),1995 *Absence / Presence* Stephen C. Feinstein,2005-08-11 Since the liberation of the Nazi concentration camps and recognition of the Holocaust as a watershed event of the twentieth century if not in Western Civilization itself the capacity of art to represent this event adequately has been questioned As it analyzes a cross section of Holocaust art within the context of art history Absence Presence addresses the discussion head on and explores the interchange between media and horror The book s contributors include case studies from a broad spectrum of artists in North America Europe and Israel to examine some of the more dominant themes in these artists work In addition to standard readings of Holocaust art the essays help illuminate the issues of eugenics the importance of art for Hitler and the Nazis the immense pilfering of art that occurred during World War II and the length and degree of the destruction of European Jewry which forced artists to reinvent their work through their own fate This selection of essays also provides alternative views to more typical readings on the Holocaust specifically to the story of the Shoah as a relevant art subject and to those who have a right to create art about the Holocaust These issues were the subject of an intense international debate based on an exhibition at New York s Jewish Museum titled *Mirroring Evil* The retrospective brought to art a series of contemporary

perspectives that represented both the outer edges as well as mainstream postmodern thinking concerning representations of the Holocaust This book which covers the art from the late 1980s through 2002 includes the work of an array of scholars curators and artists from many countries It will be of great interest to art historians Jewish scholars and anyone interested in learning more about the art and artists of the Holocaust
