Ronald Reagan's Call To Action:

Ronald Reagan's Call to Action Charles D. Hobbs, 1976 **Ronald Reagan's America** Terry Golway, 2008-10 Ronald Reagan The Great Communicator knew the power of words His voice confronted America's foes comforted the nation and hastened the end of the Cold War Ronald Reagan's America presents the history of the Reagan years told through his memorable speeches during the defining events of the era Reagan's unshakable belief in the power of democracy against totalitarianism and of freedom against oppression shaped our world today His ideas set the tone for our struggles and victories against the Soviet Union and in the Middle East and his legacy continues in US policy at home and throughout the world In the tradition of Let Every Nation Know historian Terry Golway presents the defining moments of the Reagan years with Ronald Reagan at their center Woven throughout the book are carefully chosen excerpts of the speeches Reagan gave at 30 notable events throughout his political career included on one audio CD Praise for Ronald Reagan's America Nothing short of terrific The insightful commentary adds a powerful complement Booklist Illuminates the importance of public address to the success and reputation of presidents Library Journal Riveting tour de force Publishers Weekly A masterful job Bob Schieffer CBS News Marvelous work Joe Conason journalist and author of The Hunting of the President and Big Lies

President Ronald Reagan's Initial Actions Project White House Staff, 2009-04-28 When Ronald Reagan took office he was facing an economic downturn similar to the one our country is currently experiencing Key members of Reagan's staff prepared an Initial Actions Project which takes every branch of government including Congress into consideration and offers a clear and concise blueprint of how Reagan's economic policies were achieved As a model for President Obama who is dealing with the daunting demands of a nation in turmoil the significance of this report has never been more timely History proves that President Reagan's policies led to economic growth will President Obama overturn this invaluable legacy Only time and history will tell Featuring a special Introduction by Arthur B Laffer who also worked in the Reagan White House President Ronald Reagan's Initial Actions Project puts the IAP action plan in perspective and provides valuable insight into the most important economic issues of our time [The Search for Reagan](#) Craig Shirley, 2024-02-13 Never before has anyone explored the mind soul and heart of Ronald Reagan The Search for Reagan explores the challenges and controversies in Reagan's life and how he successfully dealt with each depicting a man who was never as conservative as some conservatives wanted him to be but rather as conservative as he was comfortable being a man who wanted to win on his own terms and integrity Ronald Reagan was a singularly unique man and conservative who championed a wildly successful revolution leading to more freedom and less government for the American people and to the fall of communism while boosting American morale which had been his three big goals He was the first president in many years who believed optimism from the Oval Office had a direct bearing on the affairs of the nation As a consequence he left office more popular than when he entered with a whopping 73 percent approval He is beloved even today as his presidential library is visited far

more than any other presidential library by more than five million people each year He understood that American conservatism was based upon the individual and not the group He is still regarded as one of the most admired men in America The range of Reagan scholarship by virtue of books sold about him continues to grow In his presidency he solved the mystery of high inflation that had bedeviled his predecessor high interest rates and high gas prices He created over twenty million new jobs and the number of American millionaires grew from 4 414 to 34 944 He quite literally changed our world for the better and is considered by most historians to be one of our four greatest presidents along with George Washington Abraham Lincoln and Franklin Roosevelt

Reagan and Public Discourse in America Michael Weiler, W. Barnett Pearce, 1992-10-30 Reagan and Public Discourse assesses the rhetorical legacy of the Reagan presidency The essays in this collection focus on a variety of domestic and foreign policy controversies and identify a broad range of persuasive strategies and devices to reveal how Ronald Reagan both appropriated and transformed American public discourse in the 1980s They analyse Reagan's impact not only on the policy issues of the 1980s but also in the process of public political discourse itself

Reagan Robert P. Metzger, 1989-07 Ideology and U. S. Foreign Policy Michael H. Hunt, 2009-04-28 This new edition of Michael H Hunt's classic reinterpretation of American diplomatic history includes a preface that reflects on the personal experience and intellectual agenda behind the writing of the book surveys the broad impact of the book's argument and addresses the challenges to the thesis since the book's original publication In the wake of 9 11 this interpretation is more pertinent than ever Praise for the previous edition Clearly written and historically sound A subtle critique and analysis Gaddis Smith Foreign Affairs A lean plain spoken treatment of a grand subject A bold piece of criticism and advocacy The right focus of the argument may insure its survival as one of the basic postwar critiques of U S policy John W Dower Bulletin of the Atomic Scientists A work of intellectual vigor and daring impressive in its scholarship and imaginative in its use of material Ronald Steel Reviews in American History A masterpiece of historical compression Wilson Quarterly A penetrating and provocative study A pleasure both to read and to contemplate John Martz Journal of Politics

Ronald Reagan and Margaret Thatcher Nicholas Wapshott, 2007-11-08 New details of the remarkable relationship between two leaders who teamed up to change history It's well known that Ronald Reagan and Margaret Thatcher were close allies and kindred political spirits During their eight overlapping years as U S president and UK prime minister they stood united for free markets low taxes and a strong defense against communism But just how close they really were will surprise you Nicholas Wapshott finds that the Reagan Thatcher relationship was much deeper than an alliance of mutual interests Drawing on extensive interviews and hundreds of recently declassified private letters and telephone calls he depicts a more complex intimate and occasionally combative relationship than has previously been revealed

Governor Reagan Lou Cannon, 2009-04-27 In Governor Reagan Lou Cannon offers through recent interviews and research drawn from his unique access to the cabinet minutes of Reagan's first years as governor of California a fresh look at the development of a master

politician At first Reagan suffered from political amateurism an inexperienced staff and ideological blind spots But he quickly learned to take the measure of the Democrats who controlled the State Legislature and surprised friends and foes alike by agreeing to a huge tax increase which made it possible for him to govern for eight years without additional tax hikes He developed an environmental policy that preserved the state s scenic valleys and wild rivers and he signed into law what was then the nation s most progressive declaration on abortion rights His quixotic 1968 presidential campaign revealed his higher ambitions to the world and taught him how much he had to learn about big league politics Written by the definitive biographer of Ronald Reagan this new biography is a classic study of a fascinating individual s evolution from a conservative hero to a national figure whose call for renewal stirred Republicans working class Democrats and independents alike

Rendezvous with Destiny Craig Shirley,2014-04-08 A first rate work of insider history A monumental accomplishment National Review The election that changed everything Craig Shirley s masterful account of the 1980 presidential campaign reveals how a race judged too close to call as late as Election Day became a Reagan landslide and altered the course of history To write *Rendezvous with Destiny* Shirley gained unprecedented access to 1980 campaign files and interviewed more than 150 insiders from Reagan s closest advisers and family members to Jimmy Carter himself His gripping account follows Reagan s unlikely path from his bitter defeat on the floor of the 1976 Republican convention through his underreported wilderness years through grueling primary fights in which he knocked out several Republican heavyweights through an often nasty general election campaign complicated by the presence of a third party candidate not to mention the looming shadow of Ted Kennedy to Reagan s astounding victory on Election Night in 1980 Shirley s years of intensive research have enabled him to relate countless untold stories including at long last the solution to one of the most enduring mysteries in politics just how Reagan s campaign got hold of Carter s debate briefing books Ronald Reagan United States. President (1981-1989 : Reagan),1982

Religion and the American Presidency Gastón Espinosa,2009 This book challenges the idea that the mixing of religion and presidential politics is a new phenomenon It explores how presidents have drawn on their religious upbringing rhetoric ideas and beliefs to promote their domestic and foreign policies to the nation This influence is evident in Washington s decision to add so help me God to the presidential oath accusations by Adam s supporters that Jefferson was an infidel Lincoln s biblical metaphors during the Civil War and FDR s call to fight against Nazi totalitarianism on behalf of Judeo Christian civilization It is also apparent in Truman s support for Israel Eisenhower s Cold War decision to add In God We Trust on American currency the debate over JFK s Catholicism Jimmy Carter s born again Christianity Reagan s Evil Empire speech Clinton s public repentance and George W Bush s crusade against Islamic terrorists This volume explores these issues of religion and power in the presidencies of Washington Jefferson Madison Lincoln FDR Truman Eisenhower JFK Carter Reagan George H W Bush Clinton and George W Bush through scholarly interpretations primary sources and illustrations

The Reagan Administration and Human Rights Tinsley E. Yarbrough,1985 More than any of his recent

predecessors President Reagan has raised fundamental questions regarding the directions of the human rights policies pursued for the past twenty years The ten original essays collected in this volume examine the influence of the Reagan Administration on the Justice Department voting rights gender discrimination the ERA education housing discrimination the pro family agenda affirmative action the Civil Rights Commission and international human rights policy By bringing together information on many areas of human rights the volume presents an important overall picture of the Reagan administration s impact on this vital policy field

Ronald Reagan J. David Woodard Ph.D.,2012-01-06 Ronald Reagan s story reads like a Hollywood script complete with a small town boyhood movie stardom financial success and unmatched political popularity This book tells Reagan s true life tale in an engaging and easily accessible manner The trajectory of his life was remarkable from Midwestern schoolboy sports announcer and Hollywood actor to governor of California and two term President of the United States There is no doubt that Ronald Reagan was one of the most complex and fascinating personalities of our time Ronald Reagan A Biography captures all the varied aspects of Reagan s life and career portraying him as a politician a husband a father and as a human being with a unique brand of charisma Anchored by Reagan s memorable personality and appeal this lively concise biography explores the full range of the former president s humor character and faith in a book that is also a study of history and political science Students and general readers alike will come away understanding why Ronald Reagan s hold on America was so potent and why it becomes more so with time

The Rebellion of Ronald Reagan James Mann,2009-03-05 A controversial look at Reagan s role in ending the Cold War from the author of The New York Times bestseller Rise of the Vulcans In his surprising new book critically lauded author James Mann trains his keen analytical eye on Ronald Reagan and the Soviet Union shedding new light on the hidden aspects of American foreign policy Drawing on recent interviews and previously unavailable documents Mann offers a new history assessing what Reagan did and did not do to help bring America s four decade conflict with the U S S R to a close Ultimately The Rebellion of Ronald Reagan dispels the facile stereotypes surrounding America s fortieth president in favor of a levelheaded cogent understanding of an often misunderstood man
