Roosevelt Lion The Fox Soldier Of Fr:

Roosevelt: The Lion and the Fox (1882-1940) James MacGregor Burns, 2012-05-08 A brilliant full length portrait of Franklin Roosevelt the politician the first in an award winning two volume biography The Christian Science Monitor Franklin Delano Roosevelt was the longest serving president in United States history reshaping the country during the crises of the Great Depression and World War II But before his ascension to the presidency FDR laid the groundwork for his unprecedented run with decades of canny political maneuvering and steady consolidation of power In this remarkable New York Times bestselling biography Pulitzer Prize winning historian James MacGregor Burns traces FDR s rise and the peculiar blend of strength and cunning that made him such a uniquely transformative figure Weaving together lively narrative and impressive scholarship Burns reconstructs his youth and education at Groton and Harvard his relationships with his cousins Theodore and Eleanor his immersion in New York State politics and his rise to national prominence all the way through his first two terms as president which saw the historic New Deal take hold and the drumbeats of World War II begin Originally published in 1956 The Lion and the Fox was among the first studies of Roosevelt and it remains a landmark record of his ambitions talents and flaws Hailed by the New York Times as a sensitive shrewd and challenging book and by Newsweek as a case study unmatched in American political writings Burns s stunning achievement is the life story of a fascinating political figure

[The Definitive FDR](#) James MacGregor Burns, 2017-09-05 A Pulitzer Prize winning historian s dramatic biography of Franklin Delano Roosevelt US president during the Depression and WWII Franklin Delano Roosevelt was the longest serving president in US history reshaping the country during the crises of the Great Depression and World War II James MacGregor Burns s magisterial two volume biography tells the complete life story of the fascinating political figure who instituted the New Deal Roosevelt The Lion and the Fox 1882 1940 Before his ascension to the presidency FDR laid the groundwork for his unprecedented run with decades of canny political maneuvering and steady consolidation of power Hailed by the New York Times as a sensitive shrewd and challenging book and by Newsweek as a case study unmatched in American political writings The Lion and the Fox details Roosevelt s youth and education his rise to national prominence all the way through his first two terms as president Roosevelt The Soldier of Freedom 1940 1945 The Pulitzer Prize and National Book Award winning history of FDR s final years examines the president s skillful wartime leadership as well as his vision for postwar peace Acclaimed by William Shirer as the definitive book on Roosevelt in the war years and by bestselling author Barbara Tuchman as engrossing informative endlessly readable The Soldier of Freedom is a moving profile of a leader gifted with rare political talent in an era of extraordinary challenges

TRIUMPH OF RACISM: The History of White Supremacy in Africa and How Shithole Entered the U.S Presidential Lexicon Emmanuel Neba-Fuh, 2021-04-05 Emmanuel Neba Fuh in this comprehensive chronological compilation and thorough narrative of the history of white supremacy in Africa provide an unflinching fresh case that African poverty a central tenet of the shithole demonization is not a natural feature of

geography or a consequence of culture but a direct product of imperial extraction from the continent a practice that continues into the present A brutal and nefarious tale of slave trade genocides massacres dictators supported progressive leaders murdered weapon smuggling cloak and dagger secret services corruption international conspiracy and spectacular military operations he raised the most basic and fundamental question how was Africa the world s richest continent raped and reduced to what Donald J Trump called shithole V Mbanwie

Destiny's Consul Michael P. Riccards,2012-06-19 What makes a great president Certainly leadership accomplishments crisis management political skill character and integrity are part of the equation but the great presidents have something more They not only govern well but are part of something lasting their presidencies influence the thoughts and beliefs of generations These powerful men are not flawless leaders they have made mistakes and miscalculations but in the end their decisions have changed the nation and often the world In Destiny s Consul America s Greatest Presidents presidential scholar Michael P Riccards provides a concise introduction to the lives presidencies and personal qualities of ten great individuals whom Riccards argues are our greatest presidents Organized chronologically George Washington Thomas Jefferson Andrew Jackson James K Polk Abraham Lincoln Theodore Roosevelt Woodrow Wilson Franklin D Roosevelt Harry S Truman and Ronald Reagan are shown to truly be great It will be of interest to anyone interested in the presidency of American history

The A to Z of the Roosevelt-Truman Era Neil A. Wynn,2009-12-16 The 1930s were dominated by economic collapse stagnation and mass unemployment This crisis enabled the Democrats to recapture the White House and embark upon a period of reform unsurpassed until the 1960s Roosevelt s New Deal laid the foundations of a welfare system that was further consolidated during and after the Second World War American involvement in World War II helped to secure victory in Europe and in Asia American participation in the war led to economic recovery but also brought with it enormous demographic and social changes Some of these changes continued after the war had ended but further political reform was to be limited due to the impact of the Cold War and the effects of America s new role as the world s leading superpower in the atomic age The A to Z of the Roosevelt Truman Era examines significant individuals organizations and events in American political economic social and cultural history between 1933 and 1953 This was a period of enormous significance in the United States due to the impact of the Great Depression World War II and the onset of the Cold War The presidencies of Franklin D Roosevelt and Harry S Truman witnessed the origins of the modern American welfare system and the rise of the United States as a world power as well as its involvement in the confrontation with communism that dominated the latter half of the 20th century

Historical Dictionary of the Roosevelt-Truman Era Neil A. Wynn,2008-07-01 The 1930s were dominated by economic collapse stagnation and mass unemployment This crisis enabled the Democrats to recapture the White House and embark upon a period of reform unsurpassed until the 1960s Roosevelt s New Deal laid the foundations of a welfare system that was further consolidated during and after the Second World War American involvement in World War II helped to secure victory in Europe and in Asia

American participation in the war led to economic recovery but also brought with it enormous demographic and social changes. Some of these changes continued after the war had ended but further political reform was to be limited due to the impact of the Cold War and the effects of America's new role as the world's leading superpower in the atomic age. The Historical Dictionary of the Roosevelt Truman Era examines significant individuals, organizations, and events in American political, economic, social, and cultural history between 1933 and 1953. This was a period of enormous significance in the United States due to the impact of the Great Depression, World War II, and the onset of the Cold War. The presidencies of Franklin D. Roosevelt and Harry S. Truman witnessed the origins of the modern American welfare system and the rise of the United States as a world power, as well as its involvement in the confrontation with communism that dominated the latter half of the 20th century.

Wounded Titans Max Lerner, 2017-06-06 Readers who miss the magisterial pronouncements of the late Max Lerner will relish this collection of Lerner's writings on a subject that preoccupied him. Booklist Max Lerner taught generations of Americans about their government. For almost half a century, the office of the presidency preoccupied his prodigious energies and unparalleled expertise. Lerner not only wrote about the men who inhabited the Oval Office during that time; he knew them personally, from Franklin D. Roosevelt to Bill Clinton, and he knew what made them tick. Here are Lerner's complete writings on the presidency and American presidents. Lerner believed that the nature of the office transforms presidents into titans, but wounded titans bowed and sometimes broke by forces of fate, destiny, or history that lie beyond their control. Roosevelt's attempt to pack the Supreme Court, Truman's efforts to manhandle the steel industry, Eisenhower's belief that he could control the military-industrial complex, Kennedy's hyperactive libido and recklessness, Nixon's conviction he could manipulate political process—every president has had immortal yearnings and the office that inflated his pride also enlarged his flaws. With a new foreword, *Wounded Titans* contains Lerner's classic essays on the presidency and its development, as well as his most famous presidential portraits and the best of his campaign journalism. Learned, wise, illuminating, entertaining, both timely and timeless, *Wounded Titans* is as large in spirit and scope as the American presidency itself.

[The Three Roosevelts](#) James MacGregor Burns, Susan Dunn, 2001 Examines the lives of American leaders Theodore Franklin and Eleanor Roosevelt, looking at how they emerged from lives of privilege to become the instigators of progressive change in the United States and considering their impact on the political and moral landscape of the country.

Every Inch a Soldier William P. Head, 1995 Who was Warner Robins for whom an Air Force base in Georgia was named? To write a story about General Robins is to write about the Olden Days; his widow has remarked that Warner Robins was not in the Air Force as it is today. No, but he helped to form the Air Force as it is today. His professional life developed along with the air service during that brave and daring era between the two World Wars. As author William Head explains, Robins was one of those courageous few who left an indelible mark on today's Air Force. As a West Point cadet, 1903–1907, Augustine Warner Robins numbered among his classmates and friends Hap Arnold and Frank Andrews. As a young officer, he fought under Black Jack

Pershing in Mexico and met a young George Patton and Ben Foulois As a senior officer he worked with such luminaries of the day as Charles A Lindbergh Jimmy Doolittle Lester Maitland Orville Wright and Billy Mitchell Even more significantly during his career he was instrumental in developing the first official and workable Air Force supply maintenance and accountability system He helped establish official guidelines for training of logistics officers NCOs and civilians working for the Army Air Corps Robins s life provides through his thousands of letters telephone transcripts and other primary materials a unique window on the interwar period and especially on the history of aviation in America Through his eyes the events and personalities of the 1920s and 1930s which shaped the Air Force of World II and the Cold War come into sharp focus The anecdotes and sometimes humorous stories of the building of this branch of the service make this a book not just for historians but for all those interested in the military and in aviation **Buncombe Bob** Julian M. Pleasants,2003-07-11

Robert Rice Reynolds 1884 1963 U S senator from North Carolina from 1933 to 1945 was one of the most eccentric politicians in American history His travels his five marriages his public faux pas and his flamboyant campaigns provided years of amusement for his constituents This political biography rescues Reynolds from his cartoon character reputation however by explaining his political appeal and highlighting his genuine contributions without overlooking his flaws Julian Pleasants argues that Reynolds must be understood in the context of Depression era North Carolina He capitalized on the discontent of the poverty stricken lower class by campaigning in tattered clothes while driving a ramshackle Model T a sharp contrast to his wealthy chauffeur driven opponent incumbent senator Cam Morrison In office Reynolds supported Roosevelt s New Deal Although he was not pro Nazi his isolationist stance and his association with virulent right wingers enraged his constituents and ultimately led to his withdrawal from politics Pleasants reveals Reynolds to be a showman of the first order a skilled practitioner of class politics and a unique southern politician the only one who favored the New Deal while advocating isolationist views **Mr. Democrat** Daniel Mark Scroop,2009-01-20 Mr Democrat tells the story of Jim Farley Franklin D Roosevelt s campaign manager As party boss Farley experienced unprecedented success in the New Deal years And like his modern counterpart Karl Rove Farley enjoyed unparalleled access and power Unlike Rove however Farley was instrumental in the creation of an overwhelming new majority in American politics as the emergence of the New Deal transformed the political landscape of its time Mr Democrat is timely and indispensable not just because Farley was a fascinating and unduly neglected figure but also because an understanding of his career advances our knowledge of how and why he revolutionized the Democratic Party and American politics in the age of the New Deal Daniel Scroop is Lecturer in American History University of Liverpool School of History *The Plots Against the President* Sally Denton,2012-01-03 An assessment of the political and physical dangers faced by the newly elected President Roosevelt in 1933 profiles such adversaries as would be assassin Giuseppe Zangara and populist demagogues Huey Long and Charles Coughlin

Dumbarton Oaks Robert C. Hilderbrand,2001-02-01 Hilderbrand explains why with the Second World War moving

toward an Allied victory in the summer of 1944 the United States Great Britain the Soviet Union and China began to give greater priority to protecting their own sovereignty than to preventing

The Literature Lover's Book of Lists Judie L. H. Strouf, 1999-09-15 Wonderful for browsing and invaluable for finding specific information Literature Lovers Book of Lists is a compendium of useful and sometimes whimsical information for anyone who loves books and loves to read at any age or reading level It is organized into nine sections and provides nearly 200 lists relating to genres authors characters and settings awards literary terms with their definitions and much more There are even lists of books of prose and poetry available on audiocassettes If it has to do with literature this book has the answers What book has had the longest run on The New York Times best seller list Who is the only four time winner of the Pulitzer Prize for drama What is the complete list of Shakespeare's plays and poems Who are some of the most notable African American authors What are the three main variations of the sonnet What famous writers belonged to The Bloomsbury Group Literature Lovers Book of Lists is both exciting and informative at the same time

A First-Class Temperament Geoffrey C. Ward, 2014-09-09 In this classic of American biography based upon thousands of original documents many never previously published the prize winning historian Geoffrey C Ward tells the dramatic story of Franklin Roosevelt's unlikely rise from cloistered youth to the brink of the presidency with a richness of detail and vivid sense of time place and personality usually found only in fiction In these pages FDR comes alive as a fond but absent father and an often unfeeling husband the story of Eleanor Roosevelt's struggle to build a life independent of him is chronicled in full as well as a charming but pampered patrician trying to find his way in the sweaty world of everyday politics and all too willing willing to abandon allies and jettison principle if he thinks it will help him move up the political ladder But somehow he also finds within himself the courage and resourcefulness to come back from a paralysis that would have crushed a less resilient man and then go on to meet and master the two gravest crises of his time

George Washington Ethan M. Fishman, William D. Pederson, Mark J. Rozell, 2001-09-30 There have been many serious abuses of presidential power in recent decades including Watergate the Iran Contra scandal and the Lewinsky affair subsequently Americans have demonstrated renewed interest in discussing the relationship between character and political leadership Through an investigation of the life and career of George Washington often considered the exemplary moral president the chapters offer a balanced scholarly contribution to this analysis Fishman Pederson Rozell and their contributors examine the legacy of Washington's presidency Leading political scientists and historians describe and evaluate the impact of Washington's leadership on the institution of the presidency and on those who have since occupied the Oval Office In the contemporary era of almost endless speculation about the role of character in presidential leadership an analysis of Washington's character and the model he established is especially germane The chapters provide diverse interpretations of the value of understanding Washington's leadership and the character of the modern presidency Some of the scholars conclude that Washington indeed laid the foundation for good character and strong leadership in the presidency

Others take a more critical approach and see Washington like many of his successors as a fallible human being who possessed both character strengths and weaknesses The lasting value of this analysis for political scientists historians and other students of the American presidency is that it demonstrates the continued vibrant debate over Washington's authentic legacy to the office

What Future for Japan? Rudolf Janssens, 2023-07-10 Within a few months after the attack on Pearl Harbor the United States government began to plan a policy for a defeated Japan In order to avoid any future attacks on the United States Japanese society had to be changed Politicians Japan specialists historians political scientists and anthropologists debated the future of Japan Topics ranged from the future role of the Emperor and politics to Japanese economy to re education of the Japanese people Eventually an overall policy for postwar Japan was formulated which was to a high degree executed by General Douglas MacArthur during the Occupation of Japan This study is based on research in the records of the government policy planners both private papers and official records It is the first book length study of the American planning for the occupation of Japan including the drafting of policy not only in the State Department but also in the War Department Office of Strategic Services and the Office of War Information The analysis focuses on the development of strategies for remodeling postwar Japan as well as on the meaning of Japan constructed by various planners and decision makers and the impact of their constructions on American Occupation policy

Liberalism and Leadership Emile Lester, 2019-10-22 Most scholars and pundits today view Franklin Delano Roosevelt and John F Kennedy as aggressive liberal leaders while viewing Schlesinger's famous histories of their presidencies as celebrations of their steadfast progressive leadership A more careful reading of Schlesinger's work demonstrates that he preferred an ironic political outlook emphasizing the virtues of restraint patience and discipline For Schlesinger Roosevelt and Kennedy were liberal heroes and models as much because they respected the constraints on their power and ideals as because they tested traditional institutions and redefined the boundaries of presidential power Aggressive liberalism involves the use of inspirational rhetoric and cunning political tactics to expand civil liberties and insure economic equality Schlesinger's emphasis on the crucial role that irony has played and should play in liberalism poses a challenge to the aggressive liberalism advocated by liberal activists political thinkers and pundits That his counsel was grounded in conservative insights as well as liberal values makes it accessible to leaders across the political spectrum

Good and Evil in the Garden of Democracy Rodney Wallace Kennedy, 2023-04-13 Democracy faces threats from an emerging right wing movement in democratic governments around the world This may be even more prevalent in the United States because there is an evil that uses rhetorical tropes to undermine the anchor institutions of democracy press courts universities and Congress This evil has a personification former President Donald Trump All the rhetorical critiques of Trump that he is a demagogue an authoritarian a serial liar a populist on steroids fail to take into account the evil that is fomented by his angry and vengeful rhetoric Pictures of evil in Scripture philosophy and rhetoric bear a striking resemblance to Trump It is not enough to say that he is dangerous to democracy

Kennedy claims that he is the evil seed in democracy that is even now sprouting new versions of the Trump rhetoric as each acolyte attempts to outrage the next Good and Evil in the Garden of Democracy screams at the evil fights against the evil and then attempts to sing the songs of goodness and democracy from poets prophets and rhapsodes For the health of democracy these words have been written

Franklin Delano Roosevelt Alan Brinkley, 2009-12-30 No president since the founders has done more to shape the character of American government notes Alan Brinkley in this magnificent biography of America's thirty second president And no president since Lincoln has served through darker or more difficult times Roosevelt thrived in crisis It brought out his greatness and his guile It triggered his almost uncanny ability to communicate effectively with people of all kinds And at times it helped him excoriate his enemies and to revel in doing so This brilliant compact biography chronicles Franklin Delano Roosevelt's rise from a childhood of privilege to a presidency that forever changed the face of international diplomacy the American party system and the government's role in global and domestic policy Brinkley the National Book Award winning New Deal historian provides a clear concise introduction to Roosevelt's sphinx like character and remarkable achievements In a vivid narrative packed with telling anecdotes the book moves swiftly from Roosevelt's youth in upstate New York characterized by an aristocratic lifestyle of trips to Europe and private tutoring to his schooling at Harvard his brief law career and his initial entry into politics From there Brinkley chronicles Roosevelt's rise to the presidency a position in which FDR remained until death through an unparalleled three plus terms in office Throughout the book Brinkley elegantly blends FDR's personal life with his professional one providing a lens into the President's struggles with polio and his somewhat distant relationship with the first lady Franklin Delano Roosevelt led the United States through the worst economic crisis in the nation's history and through the greatest and most terrible war ever recorded His extraordinary legacy remains alive in our own troubled new century as a reminder of what bravery and strong leadership can accomplish
