Rootes Brothers Story Of A Motoring Empire:

The Rootes Brothers John Bullock,1993 Billy and Reggie Rootes were among the most respected figures in the motor industry This book by a motoring writer who worked for the Rootes Group and has access to family material tells how the brothers turned a small family business into an international motoring empire Rootes Story Geoff Carverhill,2018-11-23 The Rootes Story The Making of a Global Automotive Empire traces the meteoric rise of the two Rootes brothers William and Reginald development of one of Britain s most important motor vehicle manufacturers The Rootes Group acquired some of the most famous names in the British motor industry Hillman Humber Sunbeam and Singer cars as well as Commer and Karrier commercial vehicles Over the years some of the models built by Rootes would become household names the Hillman Minx Humber Super Snipe Sunbeam Alpine Singer Gazelle Commer Superpoise and Karrier Bantam In its heyday in the late 1950s Rootes was the fourth largest manufacturer of cars and trucks in Britain exporting to over 180 countries worldwide becoming a global automotive empire In this book the people and various companies involved with Rootes are profiled as are the cars and commercial vehicles built by them with specifications of principal models Personal insight from employees is given along with valuable contributions from the Rootes family themselves This book celebrates the heyday of a truly global automotive empire and one of the most important British vehicle manufacturers of the twentieth century This is the first book written about Rootes to be sanctioned by the Rootes family Will be of great interest to owners and enthusiasts of Rootes cars and those with an interest in British automotive and industrial history Superbly illustrated with 52 colour and 361 black white photographs **The Mistress of Mayfair** Lyndsy Spence,2016-11-07 The plot could have been inspired by Evelyn Waugh s Vile Bodies but unlike Waugh s novel which parodies the era of the Bright Young Things The Mistress of Mayfair is a real life story of scandal greed corruption and promiscuity at the heart of 1920s and 30s high society focusing on the wily willful socialite Doris Delevingne and her doomed relationship with the gossip columnist Valentine Browne Viscount Castlerosse Marrying each other in pursuit of the finer things in life their unlikely union was tempestuous from the off rocked by affairs with a whole host of society figures including Cecil Beaton Diana Mitford and Winston Churchill amongst others on both sides and degenerated into one of London s bitterest and most talked about divorce battles In this compelling new book Lyndsy Spence follows the rise and fall of their relationship exploring their decadent society lives in revelatory detail and offering new insight into some of the mid twentieth century s most prominent figures **The Coventry Motor Industry** David Thoms,Tom Donnelly,2017-11-01 This title was first published in 2000 Coventry is synonymous with both the creation and relative decline of the British motor car industry This volume utilises the extensive range of primary sources on the subject to explore the relationship between the car industry in its local context and the wider economic social and political environment It analyses the emergence and early dominance of Coventry s motor manufacturers the rise of volume production in the 1930s and the instabilities and renaissance of the post war era Specific chapters deal with the industry s

response to the demands created by the two world wars A number of themes run throughout the book including the structure of the industry and the relationship between its various sectors resource provision management and labour relations and the nature and response to market demand The book also provides fascinating insights into the history of some of the most evocative marques in the car industry including Daimler Jaguar Alvis Siddeley Standard and Rover **British Car**

Advertising of the 1960s Heon Stevenson,2015-03-27 During the 1960s the automobile finally secured its position as an indispensable component of daily life in Britain Car ownership more than doubled from approximately one car for every 10 people in 1960 to one car for every 4 8 people by 1970 Consumers no longer asked Do we need a car but What car shall we have This well illustrated history analyzes how both domestic car manufacturers and importers advertised their products in this growing market identifying trends and themes Over 180 advertisement illustrations are included **The History of**

Anglo-Japanese Relations 1600-2000 J. Hunter,S. Sugiyama,2001-12-13 This volume is concerned with the development of business and economic relations between Britain and Japan from the early seventeenth century up to the late twentieth century Particular attention is given to commodity trade capital flows the transfer of knowledge and the overall balance of economic power between the two nations Mutual perceptions of economic strengths and weaknesses are also considered and the economic relationship located in the broader context of political and strategic interaction Trademarked: A History of

Well-known Brands David Newton,2008-02-01 In the first thirty years of trade registration between 1876 and 1906 over 250 000 marks were registered in Britain In this book David Newton formerly Head of Patents Information at the British Library has selected 220 of the most interesting and curious of those early brands Shell originated with one Marcus Samuel selling antiques and curios including sea shells in Smithfield in 1833 it was only when his son visited the Caspian Sea and saw an opportunity to export oil from Russia that trade in the better known product began An advertising campaign for Listerine mouthwash originally a disinfectant for surgical procedures coined the phrase always a bridesmaid never a bride From Carlsberg beer to Triumph cars from Lea and Perrin sauces to Beecham s pills we learn the history of these brands the companies which registered them and how the brands have developed over the years **The Culture of Copying in Japan**

Rupert Cox,2007-09-12 This book challenges the perception of Japan as a copying culture through a series of detailed ethnographic and historical case studies It addresses a question about why the West has had such a fascination for the adeptness with which the Japanese apparently assimilate all things foreign and at the same time such a fear of their skill at artificially remaking and automating the world around them Countering the idea of a Japan that deviously or ingenuously copies others it elucidates the history of creative exchanges with the outside world and the particular myths philosophies and concepts which are emblematic of the origins and originality of copying in Japan The volume demonstrates the diversity and creativity of copying in the Japanese context through the translation of a series of otherwise loosely related ideas and concepts into objects images texts and practices of reproduction which include shamanic theatre puppetry tea utensils Kyoto
