Performing Age in Modern Drama Valerie Barnes Lipscomb, 2016-07-14 This book is the first to examine age across the modern and contemporary dramatic canon from Arthur Miller and Tennessee Williams to Paula Vogel and Doug Wright All ages across the life course are interpreted as performance and performative both on page and on stage including professional productions and senior theatre groups The common admonition act your age provides the springboard for this study which

rests on the premise that age is performative in nature and that issues of age and performance crystallize in the theatre. Dramatic conventions include characters who change ages from one moment to the next overtly demonstrating on stage the reiterated actions that create a performative illusion of stable age. Moreover, directors regularly cast actors in these plays against their chronological ages. Lipscomb contends that while the plays reflect varying attitudes toward performing age as a whole, they reveal a longing for an ageless self, a desire to present a consistent unified identity. The works mirror prevailing social perceptions of the aging process as well as the tension between chronological age, physiological age, and cultural constructions of age.

Community Resources for Older Adults Robbyn R. Wacker, Karen A. Roberto, 2018-06-13. Community Resources for Older Adults provides comprehensive up-to-date information on programs, services, and policies pertaining to older adults. Authors Robbyn R. Wacker and Karen A. Roberto build reader awareness of programs and discuss how to better understand, help seeking behavior, as well as explain ways to take advantage of the resources available to older adults. The substantially revised Fifth Edition includes new topics and updated research tables and figures to help answer key questions about the evolution and utilization of programs for older adults and the challenges that service providers face.

Storytelling Magazine, 2006 **Roots & Branches** Arthur Strimling, 2004. This book is not a cookbook of exercises and warm-ups; rather, it is the story of this extraordinary theatre coupled with techniques you can use to start and run your own multi-generational theatre group.

Take Charge! John Vinton, 1999-06-01. For people over the age of sixty, New York City is a cluttered attic, a mess of valuables that cannot be ignored but that for the most part remains buried in jargon, agencies, regulations, and eligibility forms. New York City is, after all, a place that offers seniors everything from discount tickets for Broadway shows to social service agencies for those who speak foreign languages including Spanish, Cantonese, or Tagalog. It is a place of endless benefits for those who can dig through the junk in the attic, organize what is there, and still have the desire to leave the house. *Take Charge: The Complete Guide to Senior Living in New York City* is the first book to gather in a single volume information and advice for people over sixty who want to make the most of the city. Here at last is an all-inclusive guide that addresses every concern for senior New Yorkers from entertainment and healthcare to housing and taxes. *Take Charge* reaches beyond merely listing phone numbers and programs to giving advice on a number of areas from choosing an HMO, a reverse mortgage, or an elder law attorney to receiving travel discounts and negotiating home care. Containing everything a person over sixty needs to know to make the most of life in New York City, *Take Charge* is the only comprehensive guide available for New York seniors and their families.

Sculpture ,1998 Alive and Kicking at All Ages Ulla Krieburnegg,Roberta Maierhofer,Barbara Ratzenböck,2014-06-15

The linking of age and ill health is part of a cultural narrative of decline as age is often defined as the absence of good health Research has shown that we are aged by culture but we are also culturally made ill when we age The cultural ambiguity of aging can thus deconstruct negative images of old age as physical decrepitude This volume investigates the topic of health within the matrix of time and experience by addressing issues such as how our understanding of health influences our notion of agency within a subversive deconstruction of normative age concepts and what role the notion of health plays in such an interaction **Theater Week** ,1995
