West,Richard Green,2006-04-11 Despite the gains made by gay rights movements throughout the world there are still areas in which homosexuals and their relationships are targeted as immoral and criminal *Sociolegal Control of Homosexuality* a comprehensive up to date examination of governmental and religious reaction to issues of sexual orientation in regions such as Asia and the Middle East not often covered in English language publications includes a sampling of international legislation both proscriptive and liberal the effects of fundamentalist religious movements new scientific information concerning the origin of sexual orientation and much more LIST *Gay Conservatives* Kenneth Cimino W,2012-11-12 Discover why LGBT voters support conservative political platforms that don t benefit the LGBT community Recent studies show that the vast majority of the LGBT community considers itself politically liberally Yet nearly 25% of all LGBT voters helped re elect George W Bush in 2004who are these people and why did they make that choice *Gay Conservatives* examines why conservative LGBTs join political groups and support political candidates that not only don t favor policies that benefit

Animal Rights/Human Rights David Nibert,2002-05-28 This accessible and cutting edge work offers a new look at the history of western civilization one that brings into focus the interrelated suffering of oppressed humans and other animals Nibert argues persuasively that throughout history the exploitation of other animals has gone hand in hand with the oppression of women people of color and other oppressed groups He maintains that the oppression both of humans and of other species of animals is inextricably tangled within the structure of social arrangements Nibert asserts that human use and mistreatment of other animals are not natural and do little to further the human condition Nibert s analysis emphasizes the economic and elite driven character of prejudice discrimination and institutionalized repression of humans and other animals His examination of the economic entanglements of the oppression of human and other animals is supplemented with an analysis of ideological forces and the use of state power in this sociological expose of the grotesque uses of the oppressed past and present Nibert suggests that the liberation of devalued groups of humans is unlikely in a world that uses other animals as fodder for the continual growth and expansion of transnational corporations and conversely that animal liberation cannot take place when humans continue to be exploited and oppressed

The Material Queer Donald Morton,1996-06-20 The Material Queer is an innovative anthology that offers a materialist understanding of marginal sexualities by accounting for the full range of classic and contemporary views It breaks with the classic tradition in lesbian and gay studies and also with ludic post modern theory by insisting on the embeddedness of gender and sexuality in the social division of labor

Critical InQueeries Steven Angelides,Craig Bird,1995 Sexuality and the World's Religions David Wayne Machacek,Melissa M. Wilcox,2003-08-13 Exploring one of the most controversial topics in contemporary theology this

scholarly volume reveals what the world's great faiths East and West preach about sexuality with a special emphasis on American religion. What do the world's most important religious texts have to say about one of humanity's favorite activities? Editors David W. Machacek and Melissa M. Wilcox have brought together top scholars in the field of religious studies to ask and answer these critical questions. Carefully researched, elegantly written, and respectfully presented, *Sexuality and the World's Religions* explores the intersection of the spiritual and the carnal in Buddhism, Christianity, Confucianism, Daoism, Hinduism, Islam, Judaism, and African and Native American spiritual traditions. A separate section explores critical religious and sexual topics in American society, including the role of spirituality in gay, lesbian, bisexual, and transgender communities; the role of sex in the modern witchcraft community; and the ever-thorny problem of religion and sexual liberty. Reconciling sexuality and spirituality in every human soul is one of religion's most important tasks. Students and other readers will find this timely and comprehensive volume of interest in exploring these issues.
