Recording for the Blind & Dyslexic, ... Catalog of Books ,1996 *Land As an Economic Factor and Its Biblical Origins* Kenneth Wenzer,2003-11 Our homage to freedom is a mockery for the blinding glare of riches and power have made of democracy an illusion The consequence is life without social and economic justice and a false view we are chained to monetary acquisitiveness group identities and other limited perspectives Power and influence coupled with technology bureaucracy and greed have masked accumulated wisdom the bedrock of individual integrity Even social injustice masked as property rights takes on a look of integrity liberty and prosperity At the root of our problems is the relation of man to the land and his mental and physical separation from it The most endurable structure would be built upon the Fatherhood of God which the ancient Hebrews perceived as requiring the sharing among the entire people of the divine gift of land While land rent has been acknowledged to be socially created a theft by private interests of natural resources that belong to mankind in common is protected and exalted as the fruit of effort and a basis of personal rights The First Definitive History of Land Economics stands in a tradition of social criticism that recognizes that land rent income should be the tax base of the

community and the means to eliminate poverty The author hopes to do something towards overcoming a way of thinking that in the guise of defending property rights defends privilege in its robbery of Nature labor and life **Essentials in Early European History** Samuel Burnett Howe,1913 The History Teacher ,1983 **Democracy in Crisis around the World** Saliba Sarsar,Rekha Datta,2020-11-05 In the twenty first century democracies across the globe are in crisis The strength of basic democratic institutions and core enduring political principles and values are eroding in key regions and countries Authoritarian regimes are rising and populist leaders are emerging Democracy in Crisis across the World weaves threads of history and politics in two parts to analyze how long this trend may last and what the future may bring By first examining the state of democracy in Sub Saharan Africa Eastern Europe Western Europe Latin America and the Middle East and North Africa the second part of the collection highlights to democratic trajectory of India China Russia and the United States Ending with a look at how the world s governments have responded to the coronavirus pandemic contributors argue that unless democracy is defended with resolution and nurtured with resilience it will fall **The Social Studies** ,1925
