Rosamond Lehmann:

Rosamond Lehmann Selina Hastings, 2012-02-29 The life of Rosamond Lehmann was as romantic and harrowing as that of any of her fictional heroines Her first novel the shocking *Dusty Answer* became wildly successful launching her career as a novelist and just as her novels depicted the tempestuous lives of her heroines Rosamond's personal life would be full of heartbreaking affairs and lost loves Escaping from a disastrous early marriage Rosamond moved right into the heart of Bloomsbury society with Wogan Philipps Later on she would embark on the most important love affair of her life with the poet Cecil Day Lewis nine years later he abandoned her for a young actress a betrayal from which she would never recover Selina Hastings masterfully creates a portrait of a woman whose dramatic life work and relationships criss crossed the cultural literary and political landscape of England in the middle of the twentieth century **Dusty Answer** Rosamond

Lehmann, 1984 **Rosamond Lehmann. - New York (1965). 157 S. 8°** Diana E. LeSturgeon, 1965 **The Northeastern Dictionary of Women's Biography** Jennifer S. Uglow, 1999 The most comprehensive reference book of its kind with more than 60 new entries in this third edition *Recharting the Thirties* Patrick J. Quinn, 1996 The aim of *Recharting the Thirties* is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten *Dusty Answer* Rosamond Lehmann, 2015-04-28 Rosamond Lehmann's first novel now a classic of British literature tells a luminous story of friendship discovery and forbidden love This debut novel set in the early 1900s tells the story of Judith Earle a solitary only child growing up in a sprawling house in the Thames Valley From an early age she is fascinated by the six cousins who live next door There's boring faithful Martin of the red cheeks and perennially scabby knees beautiful aristocratic Charlie whom Judith secretly adores and who will die in the First World War reckless Julian who turns lying into an art enigmatic Roddy who visits only occasionally and Mariella whose marriage to her first cousin will end tragically and who lives with the scandal of her mother running off with another man Every year the Fyfe family returns to this idyllic corner of England Childhood friendships blossom into adolescent romance as the cousins fall in love with Judith and she with them But her world transforms forever when she meets a beautiful fellow student named Jennifer A novel in many ways ahead of its time *Dusty Answer* is about love first love love on the rebound taboo love the loss of love With its gentle indictment of England's class system it is also about what goes on behind the closed doors of genteel society and the self deceptions we spin in order to give our lives meaning **A Note in Music** Rosamond Lehmann, 1982-02-15 Grace Fairfax lives with her dull conventional

husband Tom in a grey manufacturing town in the north of England At thirty four she finds that her external life of dreary routine fails to match up to her lush wistful and dreamy internal life Norah her energetic and chaotic friend is equally settled in her own marriage to an irritable university professor Then Hugh Miller and his sister Claire descend upon the quiet town On all four the hypnotic charm of these two visitors exerts an enchanting spell And after their departure life having been violently disrupted will never be quite the same again *Looking for Mr. Nobody* Jenny Rees,2018-01-16

Goronwy Rees 1909 1979 was one of the most gifted and promising figures in the constellation of British poets journalists and intellectuals of the 1930s that included Louis MacNeice W H Auden C Day Lewis Isaiah Berlin and Anthony Blunt Like many liberals of his generation he was shocked by the effects of the Depression and correspondingly sympathetic to the Communist regime in Russia Guy Burgess of the Cambridge spies Burgess Maclean Philby and Blunt admitted his espionage to Rees His association with Burgess was to blight the rest of Rees s life When Burgess defected in 1951 and Rees denounced him to MI5 Rees was viewed more as a spy out to save his own skin than as an honorable citizen His anonymous sensationalist articles in *The People* denouncing Burgess s political activities and all but naming names condemned him with the British intellectual community not for his politics but for his betrayal of a friend Colleagues and acquaintances accused him of trying to initiate a McCarthyite witch hunt He lost his job His academic career was ruined In *Looking for Mr Nobody* Jenny Rees deals with many of the old charges made against her father in her search for the answer to her own question Was he too a spy Had he joined up with Burgess and Blunt and passed secrets to the Soviet Union Her quest for the truth reveals a fascinating portrait of a brilliant but flawed man of letters handsome and seductively charming caught up in the radical political commitments of the 1930s Communist Party membership and his tortured relationship with the notorious Cambridge spies **Encyclopedia of British Writers** Christine L. Krueger,2014-07 This concise encyclopedic reference profiles more than 800 British poets

Rosamond Lehmann Gillian Tindall,1985 **A Note in Music** Rosamond Lehmann,2015-04-28 A seductive new stranger becomes the symbol of everything two married women secretly long for in this richly imagined novel by one of the most distinguished writers of the twentieth century Thirty four year old Grace Fairfax lives a dull conventional existence with her dull conventional husband Tom in a dreary manufacturing town in the North of England A year ago when a fortune teller told her that her life lacked will and purpose she wasn t surprised Every day the same predictable routine it s a wonder she doesn t go mad Then Hugh Miller and his sister Clare descend on the town Clare is young and beautiful Hugh seems to possess everything lacking in Grace s life passion vitality and most important the freedom to do as he pleases Grace s best friend Norah MacKay isn t immune to the handsome stranger s charms either Married to Gerald a curmudgeonly university professor the mother of two has her own fantasies of desire and liberation But Hugh isn t the man Grace and Norah imagine him to be In this story of two strangers who cast an otherworldly enchantment on an entire town and its inhabitants *A Note in Music* presents an intensely moving portrait of marriage its disappointments joys jealousies fears and loneliness and the

truths that remain unspoken *Elizabeth Bowen* Patricia Laurence, 2021-07-21 Elizabeth Bowen A Literary Life reinvents Bowen as a public intellectual propagandist spy cultural ambassador journalist and essayist as well as a writer of fiction Patricia Laurence counters the popular image of Bowen as a mannered reserved Anglo Irish writer and presents her as a bold independent woman who took risks and made her own rules in life and writing This biography distinguishes itself from others in the depth of research into the life experiences that fueled Bowen s writing her espionage for the British Ministry of Information in neutral Ireland 1940 1941 and the devoted circle of friends lovers intellectuals and writers whom she valued Isaiah Berlin William Plomer Maurice Bowra Stuart Hampshire Charles Ritchie Sean O Faolain Virginia Woolf Rosamond Lehmann and Eudora Welty among others The biography also demonstrates how her feelings of irresolution about national identity and gender roles were dispelled through her writing Her vivid fiction often about girls and women is laced with irony about smooth social surfaces rent by disruptive emotion the sadness of beleaguered adolescents the occurrence of cultural dislocation historical atmosphere as well as undercurrents of violence in small events and betrayal and disappointment in romance Her strong visual imagination so much a part of the texture of her writing traces places scenes landscapes and objects that subliminally reveal hidden aspects of her characters Though her reputation faltered in the 1960s 1970s given her political and social conservatism now readers are discovering her passionate and poetic temperament and writing as well as the historical consciousness behind her worldly exterior and writing **Literature as History** Simon Barker, Jo Gill, 2011-10-27 Literature as History presents a selection of specially commissioned essays by a range of key contemporary thinkers on the interdisciplinary study of literature and history The unifying theme is the interrelationship between literary cultural production and its historical moment The essays in the collection are astute and exciting in terms of their engagement with ever changing developments in critical and theoretical practice while retaining an invaluable focus on familiar and engaging texts and authors The contributors offer a reappraisal of the nature of literary studies today looking back over the thirty five years of Peter Widdowson s career a career which has coincided with the emergence of challenges to and reformulations of critical theory and ask what the future holds particularly for the interdisciplinary ways of working which Widdowson pioneered Bringing together distinguished scholars in the interdisciplinary study of English and History it seizes the opportunity to take stock of the current field of literary studies and to ask searching questions about its future development *The English Countryside* David Haigron, 2017-08-09 This collection of essays examines representations of the English countryside and its mutations and what they reveal about a nation s communities or individuals search for identity and fear of losing it Based on a pluridisciplinary approach and a variety of media this book challenges the view that the English countryside is an apolitical space characterised by permanence and lack of conflict It analyses how the pastoral motif is actually subverted to explore liminal spaces and temporalities The authors deconstruct the rural idyll myth to show how it plays a distinctive and yet ambiguous part in defining Englishness Britishness A must read for both scholars and

students interested in British rural and cultural history media and literature
