Secret Life of Cowboys Tom Groneberg,2007-11-01 One of the stories I tell myself when I am trying to fall asleep is that I have tried I ve tagged along after myself in the pages of my own modern Western and every few years is another chapter to the story The myth of the cowboy I chased a dream and it kicked me in the teeth Yet I find myself falling for it again and again Across the rugged and beautiful landscape of the contemporary American West Tom Groneberg paints an unsparing portrait of his flawed funny and sometimes triumphant efforts to become a cowboy It is a classic tale a young man facing a future he doesn t want to claim has an inspiration Go West Leaving behind his friends and family Groneberg follows his heart and heads to a resort town in the Colorado Rockies where he earns his spurs as a wrangler leading tourists on horseback Like an old saddle blanket the tale unfolds revealing the clean threads of a new story Groneberg moves to Montana working for wages at a number of ranches before getting a chance to become the owner of a sprawling ranch fifteen square miles of grass and sky In lean but passionate prose Groneberg demystifies the image of cowboy as celluloid hero and introduces us to the tough and kindhearted men who teach him how to be a real cowboy the woman who teaches him how to love and their son who teaches him how to be a man The Secret Life of Cowboys is both a coming of age story as stunning as the land itself and a revealing look at America s last frontier *Things Hidden* Richard Rohr,2016-05-19 Sacred Scripture and Christian spirituality belong together In this exploration of the central themes of Scripture Richard Rohr transforms the written word discovering in these ancient texts a new and vital meaning relevant and essential to all believers He uncovers what the Bible says about morality power wisdom and the generosity of God in a manner that inspires in us a life changing response Rohr s Christian vision of abundance grace and joy counteracting the scarcity judgement and fear we know in our world has the power to revolutionize how we relate to ourselves and all around us *Things Hidden* is an invitation of gospel proportion to move on into the life God intends a life of joy and obedience Walter Brueggemann Professor Emeritus of Old Testament at Columbia Theological Seminary **Web of Faith** John Trigilio,Fr.
