

The background of the entire image is a close-up photograph. It features a single, fully bloomed white rose with delicate petals, resting on a rustic wooden surface. Next to the rose is a rectangular metal box, possibly silver or brass, with intricate, swirling engraved patterns on its lid and sides. The lighting is warm and soft, creating a gentle glow on the rose and the metal.

pursuit of a supreme objective and in doing so they changed history **Voices in the Drum** R. David Edmunds, 2023-10-24

The history of indigenous peoples in North America is long and complex. Many scholarly accounts now rely on statistical data to reconstruct this past but amid all the facts and figures it is easy to lose sight of the human side of the story. How did Native people express their thoughts and feelings and what sources of strength did they rely on to persevere through centuries of change? In this engaging narrative, acclaimed historian R. David Edmunds combines careful research with creative storytelling to give voice to indigenous individuals and families and to illustrate the impact of pivotal events on their lives. A nonfiction account accompanies each narrative to provide necessary historical and cultural context. *Voices in the Drum* features nine stories, each of which focuses on a fictional character who is a composite or representation of historical people. This series of portrayals takes the reader on an epic journey through time, beginning in the early 1400s with the Mound Builder cultures and ending with the modern-day urbanization of Native people. Along the way, we observe fictional characters interacting with real historical figures such as Anthony Wayne, Tecumseh, and John Sutter, and taking part in actual events such as the Battle of Fallen Timbers, the Trail of Tears, the California gold rush, and the forced removal of Native children to off-reservation boarding schools. The people portrayed in these pages belong to various tribes, including Potawatomi, Lakota, Oneida, and Cherokee. Their individual stories, ranging from humorous to tragic, give readers a palpable sense of how tribal peoples reacted to the disruptive changes forced on them by European colonizers and U.S. government policies. Both entertaining and insightful, the stories in this volume traverse a range of time periods, events, themes, and genres. As such, they reverberate like voices in the drum, inviting readers of all backgrounds to engage anew with the rich history and cultures of indigenous peoples.

Arequipa Sanatorium Lynn Downey, 2019-09-12

As San Francisco recovered from the devastating earthquake and fire of 1906, dust and ash filled the city's stuffy factories, stores, and classrooms. Dr. Philip King Brown noticed rising tuberculosis rates among the women who worked there, and he knew there were few places where they could get affordable treatment. In 1911, with the help of wealthy society women and his wife Helen, a protégé of philanthropist Phoebe Apperson Hearst, Brown opened the Arequipa Sanatorium in Marin County. Together, Brown and his all-female staff gave new life to hundreds of working-class women suffering from tuberculosis in early twentieth-century California. Until streptomycin was discovered in the 1940s, tubercular patients had few treatment options other than to take a rest cure at a sanatorium and endure its painful medical interventions. For the working class and minorities, especially women, the options were even fewer. Unlike most other medical facilities of the time, Arequipa treated primarily working-class women and provided the same treatment to all, including Asian American and African American women, despite the virulent racism of the time. Author Lynn Downey's own grandmother was given a terminal tuberculosis diagnosis in 1927 but, after treatment at Arequipa, she lived to be 102 years old. Arequipa gave female doctors a place to practice, female nurses and social workers a place to train, and white society women a noble philanthropic mission. Although Arequipa was founded by a male doctor and later administered

by his son the sanatorium's mission was truly about the women who worked and recovered there and it was they who kept it going Based on sanatorium records Downey herself helped to preserve and interviews she conducted with former patients and others associated with Arequipa Downey tells a vivid story of the sanatorium and its cure that Brown and his talented team of Progressive women made available and possible for hundreds of working class patients **Shop-Bought Flowers** Yvonne Dykes,2024-03-28 Sixties teenager Rose Fuller dreams of leaving her derelict basement flat and abusive father When she finally escapes she is thrown into the dark underbelly of Notting Hill's gang wars **The Judgment** Beverly Lewis,2011-04-05 Lewis the top name in Amish fiction pens a tale of two sisters struggling to find love acceptance and their place in the Amish community **First Black Red** Marty Pieratt,2014-07-25 Chuck Harmons life story symbolizes and transcends our countrys struggle for civil rights and equality From his humble beginnings as one of the 12 children of Sherman and Rosa Harmon in Southern Indiana to the pressure of a death threat as a Cincinnati player in New York City this gentlemen big leaguer is an example of those African American pioneers who helped make a mockery of hate and injustice with integrity decency and iron will From the stories of an early meeting with Babe Ruth to rooting for his beloved Cincinnati Reds today Chuck Harmons compelling life adventure symbolizes all that is good about Americas pastime and its oldest professional franchise the Cincinnati Reds His great great grandfathers fought and died for freedom in the Civil War Less than 100 years later Chuck Harmon was still fighting for justice not with a gun and bayonet but with a golden glove and hot bat Chuck Harmon is proud to be called Cincinnati's First Black Red This book is an important look at the parallel benchmarks in baseball and civil rights Chuck Harmon is one of the quiet patriots who helped make America truly a country where all men and women should expect to be treated equally Escape!
