Reclaiming Glory Mark Clifton,2016-06-01 What is there about a dying church that brings glory to God Mark Clifton's convicting answer is Nothing Because a local church is intended to represent the work of God in a community when that church loses its saltiness not only is God's work pictured as irrelevant in that community but also dishonor and disrepute may well become associated with God's name as a result In *Reclaiming Glory* Clifton draws not only

upon his own burden for revitalizing dying churches but also upon years of church replanting experience to offer passionate counsel for how to breathe new life into a dying church all for the glory of the God who is building his church upon the immovable rock of the gospel of Jesus Christ **Catalog of Copyright Entries** Library of Congress.
