Denniston Rose is about isolation and survival It is the story of a spirited child who in appalling conditions remains a survivor

Younge,2011-06-28 From those who insist that Barack Obama is Muslim to the European legislators who go to extraordinary lengths to ban items of clothing worn by a tiny percentage of their populations Gary Younge shows in this fascinating witty and provocative examination of the enduring legacy and obsession with identity in politics and everyday life that how we define ourselves informs every aspect of our social political and personal lives Younge a black British male of Caribbean descent living in Brooklyn New York who speaks fluent Russian and French travels the planet in search of answers to why identity is so combustible From Tiger Woods s legacy to the scandal over Danish cartoons of the Prophet Mohammed he finds that identity is inescapable but solidarity may not be as elusive as we fear We are more alike than we are unlike But the way we are unlike matters To be male in Saudi Arabia Jewish in Israel or white in Europe confers certain powers and privileges that those with other identities do not have In other words identity can represent a material fact in itself As Gary Younge demonstrates in this classic book now featuring a new introduction how we define ourselves affects every part of our lives from violence on the streets to international terrorism from changes in our laws to whom we elect from our personal safety to military occupations Moving between fascinating memoir and searing analysis from beauty contests in Ireland to the personal views of Tiger Woods from the author s own terrifying student days in Paris to how race and gender affect one s voting choices Gary Younge makes surprising and enlightening connections and a devastating critique of the way our society really works Trenchblight James McBride,2014-02 August 1914 Britain is aflame with war and patriotism Men from all

landscape Hidden Kerry takes you on the less travelled paths of the kingdom and is peopled with a varied cast of characters with colourful stories Open the covers and lose yourself in the story of Lord Kenmare's forgotten mansion which hosted royal visits until it was consumed by fire in 1913 An amazing edifice of towers marble and art it was reduced to a pile of ashes in hours You will also meet vibrant characters such as Lily of the Valley Lily van Oost the Flemish artist who made her home in the Black Valley where she embarked on wildly creative textile projects including knitting a jumper for Dublin's Halfpenny Bridge As well as this Hidden Kerry will tell you where to find the county's unknown natural beauty spots concealed just minutes off the beaten track

Horses for Courses Anne Holland, 2011-10-14 There can be no better way of getting to know Ireland than by visiting its racecourses from the glamour of Leopardstown and the class of The Curragh to the majestic mountains around Killarney from the warm welcome at Gowran Park and Clonmel to the summer holidaymakers meetings and industry days in the winter months At any one of these venues you might catch a glimpse of a future Cheltenham Gold Cup champion or Derby winner in action Horses for Courses guides readers through a typical year in Irish racing and highlights the individuality of each venue All have their own special qualities and atmosphere but share two common traits a warm welcome and good sport And that is what the author believes Irish racing is all about The country's courses enjoy a huge level of support from the local population It might be raining and some of the races may be ordinary but the stands will always be crowded That is because racing is part of Irish culture and the nation's way of life with 27 courses it has proportionately far more venues than Great Britain Meticulously researched and passionately written Horses for Courses is the definitive guide to Ireland's racecourses and is essential reading for horse racing enthusiasts everywhere
