**Roses For Brian** Judy Alt,2004-08 A journal of letters from mother to son forms the basis for Judy Alt to let you into the painful world and torment of a grieving parent She finds herself in the depths of depression even attempting to take her own life In **Roses For Brian** Judy allows you into the agonizing nightmare of darkness and horror that parents find themselves in when a child dies Through the letters you walk with her on the jagged path from a mother s shattered heart toward a mother s spiritual renewal Her refusal to believe that Brian was gone just gone begins her search to find him Not only does she truly find her son Brian she finds comfort peace and a new way at looking at life along the way With warmth and passion she shares the roller coaster of emotions she endured and introduces you to Brian The bond they forged in life was strengthened when he crossed the veil into spirit By his energy Brian leads his mother into situations and circumstances that lift the clouds from her pain filled eyes Her experiences lead her to yoga meditation mediums and ultimately to see the wisdom of her own soul In finding Brian she finds herself her spirituality and Divine Light     We Celebrate Our Mother and Father Joseph Patrick Meissner,Brian Gerard Meissner,Rose Elizabeth Meissner Vernon,Robert Charles Meissner,Anne Marie Meissner,2018-08-30 Honor thy father and thy mother This is the fourth commandment from the ten God gave us through Moses in the Bible This fourth follows the initial three signifying our duties to the Supreme Being After God our next obligation is to our parents This shows the importance of parents Notice the word is honor It does not say obey but honor certainly includes obedience Furthermore this commandment does not end when we each reach maturity The commandment of honor signifies we must respect our parents all their lives Our mother was Norah Attracta Cusack Our father was Joseph Charles Meissner By the usual social standards they were very ordinary people on this planet However they possessed their own wonderful beauty and intelligence They were most extraordinary parents who welcomed us to life took care of our needs ensured we received great educations and devoted their lives unselfishly to us for decades But they gave us much more than our mere bodies They gave us faith hope and love during their long lives They showed us how to live as God urges us to live They continuously nourished us spiritually from our mother s nightly demands to kneel in the living room praying the rosary to our Blessed Virgin to our father who drove us even in the blinding snow freezing cold and storms to church every week ensuring we arrived on time Here are words from my brother Robert for our parents As for our son Scott who suffering from severe PTSD ended his life I agree he is somewhere around and still present in the universe So are our mom and dad I think after we die we will learn how all this is done you know Mom and Dad are the greatest proof of God religion and an afterlife They were so good and worked tirelessly for our family If you asked them about religion the church and faith they might say it really doesn t matter except you treat your fellow human beings with dignity and acknowledge God as Father The rest of the argument really doesn t mean that much So to Mom and Dad we celebrate your lives and say an enormous thank you

**Fred & Rose** Howard Sounes,2017-03-14 The definitive account of one of Britain s most notorious killer couples who loved tortured and slayed together as husband and wife Updated with a new afterword from the author on the twenty fifth anniversary of the arrests From the outside 25 Cromwell Street in Gloucester England looked as commonplace as the married couple who lived there But in 1994 Fred and Rose West s home would become infamous as a house of horrors when the remains of nine young women many of them decapitated dismembered and showing evidence of sexual torture were found interred under its cellar bathroom floor and garden And this wasn t the only burial ground Fred s first wife and nanny were unearthed miles away in a field while his eight year old stepdaughter was found entombed under the Wests former residence Yet for more than twenty

years the twosome maintained a facade of normalcy while abusing and murdering female boarders hitchhikers and members of their own family Howard Sounes who first broke the story about the Wests as a journalist and covered the murder trial has written a comprehensive account of the case Beginning with Fred and Rose s bizarre childhoods Sounes charts their lives and crimes in forensic detail constructing a fascinating and frightening tale of a marriage soaked in blood Indeed the total number of the Wests victims may never be known A case reminiscent of the Moors Murders committed in the 1960s in Manchester by Myra Hindley and Ian Brady as if Hindley and Brady had married and kept on killing for decades Fred Rose is a story of obsessive love as well as obsessive murder The Times London      **The Cottage on Rose Lane** Hope
