Dark secrets, bad advice, and uncertainty cloud her judgment. When the romance subsides, Renee discovers love also has a painful meaning. Renee survives the unimaginable and isolates from society. She rekindles interest in a favorite hobby, taking her into the world where people are quick to ask of her past. But is it enough to escape darkness? Love is never easy, even when it's good. Once love is disappointing firsthand, the experience tarnishes future relationships. A new beau introduces himself, and Renee investigates his character. If he's the one, there's a chance for emotional redemption. *The Astrology of Fate* Liz Greene, 1985-01-15 Combining an understanding of astrological symbolism and the psychological processes involved in the pursuit of individuality, the author shares insights about how the concept of fate evolves.
