Rosie Runs Away:

Rosie Runs Away Jean Gilder, 1987-07-01 *Rosie Runs Away* Maryann Macdonald, 1990 When her mother chastises her for taking her little brother out on a blueberry picking adventure Rosie decides to run away **Virginity on Screen** Caroline Madden, 2024-09-06 Virginity a major adolescent rite of passage has been explored in the coming of age film genre for many decades This book examines the evolution of teen movies over the past 40 years posing crucial questions about how film shapes our cultural understanding of virginity By surveying more than 30 mainstream and independent coming of age films from the 1980s to the present it considers what types of first time sexual experiences are represented on screen how they are different for men and women and whether they are subverting or reinforcing gender stereotypes Drawing from notable teen movies such as Dirty Dancing 1987 American Pie 1999 Real Women Have Curves 2002 Lady Bird 2017 and Plan B 2021 the book identifies a progressive shift toward more sex positive and feminist representations of first time sexual experiences on screen Each chapter studies how the political climate sex education policies and cultural norms specific to each era impact the film's release and its teenage audience Imagining Slaves and Robots in Literature, Film, and Popular Culture Gregory Jerome Hampton, 2015-10-22 *Imagining Slaves and Robots in Literature Film and Popular Culture* Reinventing Yesterday's Slave with Tomorrow's Robot is an interdisciplinary study that seeks to investigate and speculate about the relationship between technology and human nature It is a timely and creative analysis of the ways in which we domesticate technology and the manner in which the history of slavery continues to be utilized in contemporary society This text interrogates how the domestic slaves of the past are being reimagined as domestic robots of the future Hampton asserts that the rhetoric used to persuade an entire nation to become dependent on the institution of chattel slavery will be employed to promote the enslavement of technology in the form of humanoid robots with Artificial Intelligence *Imagining Slaves and Robots in Literature Film and Popular Culture* makes the claim that science fiction film and popular culture have all been used to normalize the notion of robots in domestic spaces and relationships In examining the similarities of human slaves and mechanical or biomechanical robots this text seeks to gain a better understanding of how slaves are created and justified in the imaginations of a supposedly civilized nation And in doing so give pause to those who would disassociate America's past from its imminent future Trapped Lillian Duncan, 2019-09-27 Angelina Matthews has everything riches fame and beauty until the day she's kidnapped and trapped in a basement with a madman wearing only a stained t shirt The dirt is his the blood is hers Tormented and tortured she cries out to God Help comes in the form of Nate Goodman When their paths cross months later Nate discovers Angelina is still trapped not in a basement but in the memories she can't escape Nate knows all about being trapped and getting untrapped As an ex Chicago cop he's had his own demons to wrestle but his faith helped him to move forward He reaches out to Angelina whose paranoid delusions have her trapped still But are they delusions after all **Rosie's Miracle** Arthur Kornhaber, 2011-08-12 Rosie Flores 23 a graduate student at the University of New Mexico is
