Roster Of The General Society Of The War Of 181:

Roster of Civil War Soldiers from Washington County, Maryland Roger Keller, 1993 Material is arranged by rank and then alphabetically The roster includes those on both sides The Era of the Civil War--1820-1876 Louise A. Arnold-Friend, US Army Military History Institute, 1982 **Roster of the Society of the Cincinnati** Society of the Cincinnati, 1971 **The Vermont Brigade in the Seven Days** Paul G. Zeller, 2019-01-03 The Vermont Brigade sometimes referred to as the First Vermont Brigade or the Old Brigade fought its first full brigade engagement in the Seven Days battles The leaders as well as the rank and file were inexperienced in warfare but through sheer grit and determination they made a name for themselves as one of the hardest fighting units in the Army of the Potomac Using soldiers letters diaries and service and pension records this book gives a soldier s eye view of the Virginia summer heat days of marching with very little rest or nourishment and the fear and exhilaration of combat Also included are the stories of 29 men that were wounded or killed and how the tragedies affected their families *Southern Historical Society Papers* Southern Historical Society, 1909 **The Civil War Literature of Ohio** Daniel Joseph Ryan, 1911 *A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942*, 1942 *Iowa's Forgotten General* Kenneth Lyftogt, 2009-05 Matthew Mark Trumbull was a Londoner who immigrated at the age of twenty Within ten years of his arrival in America he had become a lawyer in Butler County Iowa two years later a member of the state legislature and two years after that a captain in the Union Army By the end of the Civil War he was a brevet brigadier general and in his later years he was an author and lecturer Kenneth Lyftogt s biography details the amazing life of this remarkable man also shedding light on the histories of the Third Iowa Volunteer Infantry and the Ninth Iowa Volunteer Cavalry **War and Healing** Albert E. Cowdrey, 1992-04-01 New Orleans born Stanhope Bayne Jones was one of the pivotal figures in the modernization of American medicine Through his life story Albert E Cowdrey s *War and Healing* dramatizes the growth of American medicine from a provincial and amateurish state into a major national endeavor Cowdrey shows the diversity and wide ranging impact of Bayne Jones s career A brilliant student at Johns Hopkins and a protégé of William Welch Bayne Jones became in turn dean of Yale Medical School a foundation head a general in the army s Medical Corps president of the New York Hospital Cornell Medical Center director of the army s medical research program and a member of the Surgeon General s Commission on Smoking and Health Both a unique and a representative figure Bayne Jones learned from his military experience in two wars that the fundamental business of medicine is health not disease and became a strong advocate for preventive medicine He developed a broad idealized conception of the future of medicine as a discipline free of political control organized collectively devoted to the preservation of health and divorced from entrepreneurial passions Bayne Jones was a complex fascinating man and physician Gifted with great intelligence and considerable charm he spent much of his life in the Ivy League the halls of government and the great northeastern cities Cowdrey explores the tensions between Bayne Jones s southern roots and national aspirations between

his deep commitment to his family and heritage and his restless driving ambition Bayne Jones's career forms still another chapter logical and yet unexpected in the family saga that will be familiar to many readers through *The Children of Pride*

Special Bibliography, 1982 **The 26th Ohio Veteran Volunteer Infantry** Jeffrey A. Hill, 2020-02-10 Here is the third edition of the history of a group of men who valiantly fought to preserve the Union during the American Civil War The first edition was published in 2010 to wide acclaim An updated second edition was printed in 2013 Now seven years later this third edition expands on the previous ones with a new chapter and many more stories burial locations maps and photos The men of the 26th Ohio Veteran Volunteer Infantry were among the first to answer their country's call to duty and among the last ones to finally be mustered home The Old 26th fought in numerous western theater campaigns and battles including Shiloh Corinth Stones River Chickamauga Missionary Ridge Kennesaw Peachtree Creek Atlanta Spring Hill Franklin and Nashville After the war's end the veterans yearned to publish their regiment's proud history as so many other units had done Regrettably the high cost of publishing proved too steep for the aged veterans and their dream died with them The descendant of three veterans of the 26th Ohio Jeffrey A Hill resurrected their dream and brought it to fruition Meticulously researched their history is based on over five hundred primary source documents including letters diaries military and pension records regimental and company records and other first person accounts Their narrative conveys their omnipresent sense of duty and loyalty This book chronicles the involvement of the 26th Ohio from the initial fervor following Fort Sumter and throughout the war as well as the postbellum activities The appendices include a roster list of burial sites photo gallery and index This history is a lasting tribute to the men who so bravely fought to protect what they held most dear their beloved country At long last here is their story *Dictionary Catalog of the History of the Americas* New York Public Library.

Reference Department, 1961 **Edward A. Wild and the African Brigade in the Civil War** Frances H.

Casstevens, 2005-08-30 Edward Wild the controversial Union general who headed the all black African Brigade in the Civil War was one of the most loved and most hated figures of the 19th century The man was neither understood nor appreciated by military or civilian black or white Northerner or Southerner After enlisting at the outbreak of the war Wild was promoted to Brigadier General and placed in charge of the United States Colored Troops In fulfilling his assignment to free slaves and gain recruits he took three women as hostages and ordered a great deal of property destruction He freed hundreds perhaps thousands of slaves and settled them safely on Roanoke Island Wild then not only recruited the newly freed blacks but trained them and gave them the opportunity to prove their worth in battle Nobody it seems was happy about serving with them but the African Brigade performed courageously in several battles Wild did some inexplicable things Were his actions typical of the 19th century or did he act outside the norm Was the criticism he suffered from his fellow Union officers valid or was it due to personality conflicts Did he deserve to be arrested court martialled and even wiped from the history books or was he the victim of discrimination This work draws its answers from extensive research and includes many rare letters to

and from Wild including one from one of the North Carolinian hostages *Bulletin* ,1925 **The 18th New York Infantry in the Civil War** Ryan A. Conklin,2016-10-07 Responding to President Lincoln s initial call for troops the 18th New York Infantry emerged as one of the Excelsior State s first regiments and mustered many of its earliest volunteers Formed of companies from across the state the unit saw combat early suffering the first casualties of the Bull Run campaign when they were ambushed on the march four days before the battle As part of the Army of the Potomac they fought at Gaines s Mill Crampton s Gap Antietam Fredericksburg and Chancellorsville Drawing on numerous sources including several unpublished letters and diaries this book gives the complete history of the 18th from the first enlistee to the last surviving veteran who died in 1938 with an emphasis on the experiences of individual soldiers *Cumulated Index Medicus* ,1971 *The Photographic History of the Civil War* ,1911 **Writings on American History** ,1913 *The Photographic History of the Civil War: Armies and leaders.
