Adelberg

Roster Of The People Of Revolutionary Monmouth County New Jersey

Paul D. Boyd

Roster Of The People Of Revolutionary Monmouth County New Jersey:

Roster of the People of Revolutionary Monmouth County (New Jersey) Michael S. Adelberg, 1997 This remarkable book is nothing less than an alphabetical listing of nearly the entire adult male and some of the female population of Monmouth County during the American Revolution some 6 000 Monmouth Countians between 1776 and 1783 For roughly half of the persons listed we find one or two identifying pieces of information such as militia service date of death signer of a petition conviction of a misdemeanor occupation and so on But in an equal number of cases we are presented with enough information to trace the allegiance or comings and goings of a Monmouth County resident over a number of years e g Abiel Aiken militia volunteer 1776 signer of petition 1777 coroner 1778 justice of the peace 1780 83 leased horses to Continental Army 1781 and so on

Hidden History of Monmouth County Rick Geffken, Muriel J. Smith, 2019-08-12 Monmouth County's past encompasses more than just sandy beaches and rural farm life George Washington fought at the Battle of Monmouth as the region played a pivotal role in the birth of the republic Henry Hudson anchored off Monmouth's shores in 1609 and was the first European to meet with the Lenape Native Americans there A gun barrel of the USS New Jersey the most decorated battleship in American history was painstakingly transported to Battery Lewis a fortification built along the county's highlands to protect New York Harbor during World War II Bruce Springsteen elevated Asbury Park and the Stone Pony into a national music destination and he remains the unofficial poet laureate of the Jersey Shore Authors Rick Geffken and Muriel J. Smith highlight compelling stories of the seaside county's four hundred year history

The American Revolution in Monmouth County: The Theatre of Spoil and Destruction Michael S. Adelberg, 2010-11-26 Michael S. Adelberg brings to life the struggles within Monmouth County a place that New Jersey governor William Livingston called the theatre of spoil and destruction Like much of New Jersey during the American Revolution Monmouth County was contested territory in between the great armies As the Battles of Trenton Princeton and Bound Brook raged nearby the people of Monmouth County fought their own internal revolution Loyalist partisans led insurrections and raids that laid waste to entire neighborhoods In 1778 General George Washington rallied his Continental army and fought the British within Monmouth's borders barely holding the field Monmouth Countians joined the fight and then spent the following weeks caring for the wounded and burying the dead The remaining war years brought more hardships as they grappled with a local civil war charged with racial religious and economic undercurrents a local civil war that continued long after the Battle of Yorktown supposedly ended hostilities

The New York Genealogical and Biographical Record, 1899 **Atlantic Highlands** Paul D. Boyd, 2004 Described by explorer Henry Hudson's first mate in 1609 as a pleasant land to see this high point of the eastern seaboard has witnessed the full sweep of American history from its steep wooded slopes From the permanent settlements of the Navesink band of Lenape Indians through the passing of the Dutch and the founding of the second English town in New Jersey here in 1667 Atlantic Highlands became a prime Victorian resort during the Golden Age of the Jersey

Shore Later as the axis of an extensive bootlegging operation during Prohibition with ties to big city mobsters the town's heritage grew as flamboyant as it was rich **Gilbert Imlay** Wil Verhoeven, 2015-09-30 A biography of the American Gilbert Imlay c 1754 c 1828 revolutionary war veteran and infamous lover of Mary Wollstonecraft It also highlights how Imlay unwittingly acted as an intermediary between figures of greater significance whose ideas ambitions and schemes he frequently borrowed and disseminated across the Atlantic and continents **All Things in Common** Ruth Compton Brouwer, 2021-06-28 The Canadian Social History Series is devoted to in depth studies of major themes in our history exploring neglected areas in the day to day existence of Canadians The emphasis of this innovative series is on increasing the general appreciation of our past and opening up new areas of study for students and scholars The editor of the series is Gregory S Kealey Professor of History University of New Brunswick A leading historian of the Canadian working class Dr Kealey was the founding editor of Labour Le Travail Book jacket **Unforgettable New Jersey Characters: Heroes, Scoundrels, Politicians and More** Joseph Bilby and Harry Ziegler, 2022 Discover Sensational Personalities from Throughout Garden State History New Jersey has long punched above its size in producing some of America's leading figures but for every household name are dozens of unforgettable yet overlooked colorful characters Jersey City's treasurer Alexander D Hamilton fled the state in 1894 with over one hundred thousand dollars and was apprehended by a Jersey City police sergeant after a stint with a band of outlaws in Mexico Mary Teresa Norton overcame prejudice to be elected the first woman from the state to serve in Congress becoming a powerful chair of three Congressional Committees over five terms Infamous Newark Gangster Abner Longie Zwillmann ran gambling circles labor rackets and prostitution rings while hobnobbing with Joe DiMaggio and stuffing ballot boxes for local politicians Joseph Bilby and Harry Ziegler present profiles of memorable characters from the Garden State **Fatal Sunday** Mark Edward Lender, Garry Wheeler Stone, 2016-04-18 Historians have long considered the Battle of Monmouth one of the most complicated engagements of the American Revolution Fought on Sunday June 28 1778 Monmouth was critical to the success of the Revolution It also marked a decisive turning point in the military career of George Washington Without the victory at Monmouth Courthouse Washington's critics might well have marshaled the political strength to replace him as the American commander in chief Authors Mark Edward Lender and Garry Wheeler Stone argue that in political terms the Battle of Monmouth constituted a pivotal moment in the War for Independence Viewing the political and military aspects of the campaign as inextricably entwined this book offers a fresh perspective on Washington's role in it Drawing on a wide range of historical sources many never before used including archaeological evidence Lender and Stone disentangle the true story of Monmouth and provide the most complete and accurate account of the battle including both American and British perspectives In the course of their account it becomes evident that criticism of Washington's performance in command was considerably broader and deeper than previously acknowledged In light of long standing practical and ideological questions about his vision for the Continental Army and his

ability to win the war the outcome at Monmouth a hard fought tactical draw was politically insufficient for Washington Lender and Stone show how the general's partisans determined that the battle for public opinion would be won in his favor engineered a propaganda victory for their chief that involved the spectacular court martial of Major General Charles Lee the second ranking officer of the Continental Army Replete with poignant anecdotes folkloric incidents and stories of heroism and combat brutality filled with behind the scenes action and intrigue and teeming with characters from all walks of life Fatal Sunday gives us the definitive view of the fateful Battle of Monmouth Move On! Faith McClung Kline O'Brien, 2022-10-20 Author Faith McClung Kline O'Brien's paternal grandparents Albert McClung and Mattie Fitzgerald met at a small country church in Oklahoma in 1907 the year that territory became a state Albert's ancestors included Revolutionary patriots Saucy Jack McClung of Scotch Irish descent and Abraham Kuykendall of Dutch lineage who around 1740 relocated from New York to North Carolina where he settled and accumulated a fortune in gold coins Mattie descended from two former sea captains who became merchants in Brooklyn New York Edward Card from Maine and Nathaniel Grafton from Newport Rhode Island whose seafaring ancestors had sailed the Atlantic Ocean since the mid 1600s In Move On O'Brien chronicles her extended family's history with each chapter focusing on one of Albert's or Mattie's seventeen ancestral branches the Fitzgerald and McClung Clans and their allied lines the Anthony Barry Card Dods Forman Grafton Kuykendall Longstreet Miller Reid Thompson Tidwell Trigg Wilbore and Wyckoff families Ten of these lines include Revolutionary patriots and ten have roots in America extending as far back as the 1600s Move On tells how descendants of these disparate families met united in marriage and eventually became pioneers on the Southwestern prairies Glimpses of religion in the lives of everyday Americans appear throughout Move On which combines genealogical details with personal stories many taking place during pivotal events in US history Stories from the nineteenth and early twentieth centuries told firsthand by O'Brien's late grandparents help bring Move On to life through the eyes of real life characters her ancestors **New Jersey History**, 2005

The Official Roster of the Soldiers of the American Revolution Buried in the State of Ohio Ohio. Adjutant General's Department, 1929 Ill-Fated Frontier Samuel Forman, 2021-07-15 Ill Fated Frontier is at once a pioneer adventure and a compelling narrative of the frictions that emerged among entrepreneurial pioneers and their sixty slaves Indians fighting to preserve their land and Spanish colonials with their own agenda Here is a lively and visceral portrait of the wild and enduring American frontier in 1789 The melting pot America would become was barely simmering when an ill fated attempt to settle land near Natchez in brought together a volatile mix of ambitious Northern pioneers and their slaves Spanish colonists and Native Americans who had claimed the land as theirs for hundreds of years This illuminating episode in American history comes to life in this account of an expedition gone wrong It began with an optimistic plan to settle and expand in the new territory It ended ignominiously with the body of one of the expedition's leaders returning to New Jersey stored in a pickle barrel What happened in between a cautionary tale of greed incompetence and hubris lies at the center of

this fascinating account by Harvard historian Samuel A Forman Endorsed by New York Times best selling author Nathaniel Philbrick it is a startling and frank portrait of a young America that examines the dream of an inclusive American experience and its reality a debate that continues today Imperious General David Forman a terror to his Monmouth County New Jersey Loyalist neighbors during the Revolutionary War obtained a large land grant in Natchez then part of Spanish West Florida His charge was to establish a plantation that would lure settlers and establish a new American presence Staying behind in New Jersey David Forman appointed his rotund and gouty older brother Ezekiel as leader of the expedition his young cousin Samuel S Forman as its business manager and a former military aide as overseer of the enslaved African Americans who accompanied them It did not go well When the expedition finally reached the new territory it found waiting Spanish colonials who felt the land was theirs and Native Americans who still maintained their sovereignty over the contested lands When Ezekiel Forman died unexpectedly David Forman stormed from New Jersey into Natchez to take control of the unraveling situation He would find on his arrival that those awaiting him had other ideas about who the land actually belonged to He would return to New Jersey quite dead and pickled in a barrel of rum Lively impeccably researched and rich in details that have escaped the usual tales of American growth and enterprise Ill Fated Frontier shines new and entertaining light on what it means to be an American

What Can't Brave Americans Endure? Joseph Lee Boyle,2001 While the six month encampment of the Continental Army at Valley Forge in 1777 1778 has been part of America s folklore for generations most of the men who served there have remained anonymous The names of over 30 000 men of all ranks appear on the surviving monthly muster and payroll records This compilation is the second volume of an effort to recognize some of these heroes of the Revolutionary War Pref p iv **Master Register of Bicentennial Projects, February 1976** American Revolution Bicentennial Administration,1976 Genealogical & Local History Books in Print ,1997 The True History of the American Revolution Sydney George Fisher,1902 **Bulletin** ,1919 **Belonging to the Army** Holly A. Mayer,2023-02-24 Chronicles the identities and importance of civilians to the American Revolutionary War effort Belonging to the Army reveals the identity and importance of the civilians now referred to as camp followers whom Holly A Mayer calls the forgotten revolutionaries of the War for American Independence These merchants contractors family members servants government officers and military employees provided necessary supplies services and emotional support to the troops of the Continental Army They served in virtually every imaginable capacity from lifting spirits with food drink and dances to nursing the sick digging ditches and spying on and fighting against the enemy Mayer demonstrates that by making encampments livable communities a matter of some significance given the years it took to acheive independence these civilians played a fundamental role in the survival and ultimate success of the Continental Army In this study of the army as a community rather than merely as a formal military organization Mayer looks at the formation and administration of the Continental community as well as the meaning of class gender and race within in She considers whether the community contributed to

social revolution even as it struggled to effect the independence that was part of the political revolution Mayer describes how the military initially wanted to be rid of most camp followers but unable to fulfill its own support functions assimilated the civilians and thus gave an expansive meaning to the term belonging to the army She documents how such assimilation included attempts to make camp followers invisible and to make them fit the army's visionary image Mayer shows that in actuality the military failed to conceal and recast the civilians efforts and that invisibility only enveloped the camp followers as the nation chose to remember selectively who belonged to army The National Register of Historic Places ,1972

Whispering the Strategies of Language: An Psychological Quest through **Roster Of The People Of Revolutionary Monmouth County New Jersey**

In a digitally-driven earth wherever screens reign supreme and quick communication drowns out the subtleties of language, the profound secrets and mental nuances concealed within words often move unheard. Yet, located within the pages of **Roster Of The People Of Revolutionary Monmouth County New Jersey** a interesting fictional treasure blinking with organic feelings, lies a fantastic quest waiting to be undertaken.
