Roster of Valor Arnold Watson, Betty Watson, 1984      Titanic Survivor Violet Jessop, 2012-04-04 Violet Jessop's life is an inspiring story of survival Born in 1887 in Argentina the eldest child of Irish immigrants at the age of 21 she became the breadwinner for her widowed mother and five siblings when she commenced a career as a stewardess and nurse on some of the most famous ocean going vessels of the day Throughout her 40 year time at sea she survived an unbelievable series of events including the sinking of the TITANIC One awful moment of empty misty blackness enveloped us in its loneliness then an unforgettable agonizing cry went up from 1500 despairing throats a long wail and then silence and our tiny craft tossing about at the mercy of the ice field For most people one sinking would be enough But four years later Violet now a nurse with the British Red Cross was on board the World War I hospital ship BRITANNIC when it struck a mine and sank to the bottom of the Aegean To her this disaster was even more horrifying Just as life seeming nothing but a whirling choking ache I rose to the light of day my nose barely above the little lapping waves I opened my eyes on an indescribable scene of slaughter which made me shut them again to keep it out By the end of her story we have met a woman who could handle whatever life threw at her with determination and good humor She knew that only by her own strength of character would she survive But Titanic Survivor is much more A unique autobiography for those who want to know how it really felt a story that could be told only by a Titanic Survivor      Titanic Michael Davie, 2012-04-03 Newly updated on the hundredth anniversary of the tragedy by Titanic expert Dave Gittins to reflect the latest facts and theories about the ship's sinking Titanic The Death and Life of a Legend will fascinate Titanic experts amateurs and newcomers alike In this gripping deeply researched exploration of the Titanic's tragic sinking journalist Michael Davie investigates the events controversies and legends that have surrounded the disaster Sifting through historical documents and survivors accounts Davie details the nineteenth century origins of the White Star Line narrates the story of the unsinkable ship's deadly voyage and describes the dramatic discovery of the Titanic's wreckage in 1985 Davie offers insightful portraits of the protagonists and dramatizes the confusing and terrifying hours that passed from the moment the ship hit the iceberg until its survivors were picked up by the USS Carpathia a full day later

The Titanic in Print and on Screen D. Brian Anderson, 2014-12-09 Titanic scholars contend that the demise of the unsinkable ship left more behind than a memory of April 15 1912 as an important point in history Through books films stories and songs the archetypal shipwreck has endured as a metaphor for the perils of mankind's hubris and the fallibility of technology In 1985 the discovery of the long missing wreckage two miles below the surface of the Atlantic revitalized interest in the Titanic and spawned a new generation of books films and for the first time websites and computer games James Cameron's blockbuster Titanic became the biggest movie of all time and engendered still greater popular interest in the tragic event This bibliography is a survey of the immense volume of literary dramatic and commercial endeavors that came out of history's most compelling shipwreck Organized by genre in accessible categories and short entries the book includes

Titanic inspired documentaries narrative films children s books histories short stories novels plays articles essays software websites poems and songs Each entry includes a brief review bibliographic information and the technical details of the specific source The reviews include subjective analysis designed to reflect the usefulness of the source and to be of benefit to researchers and scholars Five appendices include lists of the actors appearing in more than one Titanic film brief film and television appearances of the Titanic films never or not yet released books that survived the wreck and books written by passengers

Exploded Identity Catherine M. Mildon,2006-11-10 I was four and half years old and living in Halifax with my seven siblings the day my city was devastated by an exploding ship in the harbour It threw me to the floor as our windows collapsed In the days weeks months and years that followed this vivid terrifying moment and the stories of altered lives dominated our daily thoughts and conversations As CEO of the Northern Electric Company in Halifax my father was heavily involved in the immediate demands Years later I felt driven to record my family experiences and to study thoroughly the record of those awful days As I wrote I was struck by the overwhelming determination heroism and cooperation that the unheralded citizens of Halifax demonstrated in the face of death destruction and snowstorms For centuries women have known that when war came they would be needed for their sheets torn up for bandages for clothing and for food So the women of Halifax met in August 1914 and made tentative plans should Halifax be attacked Some don t believe it Yet war was very frightening in a seaport city And these Halifax ladies were the women who two years before gathered at city hall behind long tables with pen and paper to assist survivors of the Titanic to identify bodies gathered up from the sea and brought to Halifax on our own ships When the Explosion went off the wife of a judge met her friend and arrived at the city hall by 9 30 a m They swept up glass and plaster knowing that the women would be coming soon with everything they had mustered At 11 30 a m one of the city councillors came downstairs and said to the women Give everything to everybody who asks Half naked blackened bloodied people had been coming in all morning The women were ready with everything for everybody because the ladies had planned for an attack

*The Titanic* Eugene L. Rasor,2001-09-30 Promoted as virtually unsinkable the ultimate luxury liner the largest ship in the world the RMS Titanic sank on its maiden voyage in April 1912 taking some 1 500 people to their death Aboard the ship were the wealthy and famous as well as hundreds of immigrants seeking a new life in America The most dramatic marine disaster of modern times the Titanic tragedy captured the interest and imagination of the entire world The intensity of interest in the catastrophe has increased particularly after discovery of the wreck off the coast of Newfoundland in the mid 1980s The resulting literature is vast including both scholarly and popular sources Covering more than the published literature the book also surveys memorabilia artifacts cultural icons music film and exhibitions Divided into three sections the work opens with a historiographical survey of the literature then includes descriptive lists of more peripheral material and concludes with a bibliography of 674 entries All items covered in the historiographical survey are included in the bibliography This useful guide will appeal to researchers both laymen and scholars interested in the
