have and have not. With the year 2000 and beyond upon us emerging technologies afford tremendous opportunities for reference librarians and for improved and enhanced public access to information. In *Reference Services and Media* you will learn about planning for staffing, troubleshooting, fund raising and budget developing to support the use of information technologies. You will also examine the impact new media has on academic libraries, specifically video and movie clips that are transferred over intranets and internets and their opportunities and legal implications. In *Reference Services and Media* you will also explore desktop conferencing and web access for reference services versus personalized contact, desktop conferencing with personal computers in remote areas for reference service assistance, positive and negative aspects of using each technology in reference use instruction, creative methods for procuring funding for an electronic information literacy instruction classroom, providing a digital library for a state library network, raising confidence levels of public service librarians in using electronic resources to answer reference questions. *Reference Services and Media* includes case studies, tables and an annotated bibliography that serves as a librarian's media reference toolkit, making it essential for effective media reference work. An excellent source for the reference librarian, *Reference Services and Media* will assist you in adopting and incorporating new information technologies for the present and future.

**Electronic Resources** Linda S Katz, 2013-10-31. In *Philosophies of Reference Service* reference librarians share with you their reflective thinking about what they do as service providers. An important addition to the personal and occupational library of anyone in reference services, this book discusses the origins of reference service, its founding principles, the pleasures and pitfalls of the reference encounter, delivering high quality service and much much more. In a clever juxtaposition of the fundamentals of reference service provision with top notch thinking about the role of the reference librarian and what makes a reference unit effective, *Philosophies of Reference Service* advocates for continuing familiarity with books in the reference section, recognizing the diversity of service users and using collegiality in the work environment to boost productivity. It discusses why reference service should move toward instructing people in mediums not systems as well as achieving consistency in reference service through shared values, the concept of tiered reference services based on survey research, the little discussed art of reference desk scheduling, the importance of knowing your user and making appropriate accommodations, partnerships in reference services, techniques for conducting reference, roving the advantages of print, fostering widely grounded research through reference service, why reference librarians share with the corporate world many of the same desired outcomes with regard to service provision. Designed to assist readers in defining and developing their own approaches to reference service delivery, *Philosophies of Reference Service* offers reference librarians insight, practical knowledge and guidelines for keeping on top of new reference techniques, establishing a partnership between the library and the user population and maximizing the helpful nature of reference service.

**Evolution in Reference and Information Services** Linda S Katz, 2013-05-13 Explore ways to bring and keep your library's electronic services up to date From editor Di Su Some years

ago if you were told that a library's catalog would be available on a 24/7/365 basis you'd think it was just another fiction. Perhaps as influential as Johannes Gutenberg's invention of movable type printing, the Internet is one of the most significant happenings in the information world in modern times. In addition to showing you how library services have been influenced and enhanced by the advent of the Internet, *Evolution in Reference and Information Services: The Impact of the Internet* will enable you to make the most of the new opportunities that current technologies offer. This valuable book will also help you and your library avoid the pitfalls and new challenges to professional competency that come along with electronic research. *Evolution in Reference and Information Services* gives you a review of the history of electronic reference, looks at the increasing role of librarians as teachers and providers of technical help for users, provides case studies and ways to evaluate electronic research methods, suggests strategies for providing effective electronic services, examines government Web sites, explores Internet sources of health information, shows you how to establish electronic services through your library's portal site, looks at how to manage a library computer lab, and much more.

*Doing the Work of Reference* Linda S. Katz, 2013-10-18. Become more versatile, competent, and resourceful with these practical suggestions. Becoming a first-class reference librarian demands proficiency in a wide range of skills. *Doing the Work of Reference* offers sound advice for the full spectrum of your responsibilities. Though many aspects of a reference librarian's work are changing with astonishing speed, the classic principles in this volume will never go out of date. This comprehensive volume begins with hints for orienting yourself to a new job and concludes with ideas for serving the profession. On the way, *Doing the Work of Reference* covers such diverse topics as working with student assistants, offering reference services to remote users, and keeping up your professional development. In addition, you will find strategies for dealing with technological change, not high-tech information that will

become obsolete before the ink is dry but ways of approaching the process of change that will work today next week and ten years from now Doing the Work of Reference will help you increase your competence in getting along with other staff members marketing the library to users and faculty handling ephemeral materials keeping students attention in library instruction courses maintaining good relations with faculty increasing your subject knowledge and much more This comprehensive guide is an essential handbook for librarians in the trenches Whether you are a new librarian or a veteran at the reference desk Doing the Work of Reference will help you burnish your skills *The Reference Library User* William A. Katz,1990 Provide the best possible service to your library patrons With a healthy respect for those who seek assistance at the reference desk a group of library and information service specialists examine the public whom they serve The Reference Library User focuses on the possible interactions between the reference librarian and the library user The authoritative contributors discuss many problems in the relationship between the public and the library and all offer suggestions that will at least help librarians to better serve the public on a daily basis A major emphasis of The Reference Library User is on the various populations using the library and their particular needs For example one chapter examines the information needs of deinstitutionalized patrons and presents methods of providing service and a rationale for community outreach The state program in Rhode Island is outlined describing efforts to reach community residents through public libraries and the state operated Bookmobile Other chapters provide strategies for providing reference services to older adults the learning disabled the blind and the physically handicapped This informative new volume also deals with general concerns facing librarians today including determining the audience for both public and academic libraries educating the user encouraging nonusers to become library users and calming irate patrons Reference librarians will be particularly interested in the problems and solutions discussed in this new volume as will library managers and administrators who will always benefit from a fresh perspective on public service for the library user **Helping the Difficult Library Patron** Linda S Katz,2013-10-31 This insightful book shows you how to deal with an issue as old as the library profession interacting with problem patrons It looks at this fact of life that affects almost every facet of library work and provides practical solutions some developed within the field and some borrowed from other professions that will improve reference services for those you serve and make the work of your library staff less stressful more productive and increasingly meaningful Helping the Difficult Library Patron New Approaches to Examining and Resolving a Long Standing and Ongoing Problem examines the nature of the problem from historical and demographic perspectives ways of dealing with the problem in academic and public libraries competency based training techniques that will empower your frontline staff the impact of new technologies such as cellular phones and the Internet and ways of dealing with the new breeds of difficult patrons that come with them solutions from our colleagues what we can learn from the perspectives of others psychotherapists businesspeople and corporate managers you even get a Zen Buddhist viewpoint effective ways to utilize community resources such as campus and local police and much much more

Nowhere in the library literature have so many practitioners and educators combined their efforts to examine and provide solutions to this ageless problem Library administrators staff and educators will find *Helping the Difficult Library Patron* a matchless resource

*Continuing Education of Reference Librarians* William A. Katz,1990 Here is a crucial book on the neglected issue of continuing education of reference librarians For librarians seeking to enhance and maintain a high level of quality reference work and for managers who must assure that their staffs receive the basics in continuing education this is essential reading *Continuing Education of Reference Librarians* addresses the concerns of all librarians that they must be informed and educated in order to excel in their work In the first several chapters of this comprehensive volume on the job librarians focus on the increased need for nontraditional approaches to continuing education and training of reference staff They offer practical ways of making additional training both useful and relatively easy to carry out within the library setting Teachers of reference offer suggestions for contending with current formal courses and they also examine the responsibilities of not only the reference librarian but also the bibliographer and faculty member in staying abreast of current trends Also in this broad based look at continuing education is a list of critical skills most librarians expect of their reference people including reference interview techniques mastery of basic reference sources and an understanding of new technologies a review of the most revolutionary change in teaching reference librarianship in the last 100 years the online search and a discussion on ethics including the need for librarians to be aware of the basic documents of the American Library Association and more importantly the need to treat all library users equally in terms of access and service regardless of status and personal prejudice *Continuing Education of Reference Librarians* focuses on specific types of training for librarians Authorities explain pioneering programs in California and Maryland which deal with teaching basic reference tools to beginning librarians and paraprofessionals They also discuss the role of multitype networks in continuing education as the most cost and time efficient means available today and the use of self directed contract learning as a method that requires long term planning and rewards in contrast to the immediate results of a short term plan of education The management perspective of continuing education is also included Working library directors offer their observations on sound inspirational approaches to continuing education They also examine the critical role department heads play as mentor to beginning reference librarians
