[Irish Theatre](#) Eamonn Jordan,2023-09-27 This book on modern and contemporary Irish theatre traces how social cultural and economic capital are circulated in order to demonstrate complex and often contradictory outlooks on equality inequality Individual chapters analyse property ownership and inheritance wealth acquisition employment conditions educational access intercultural encounters sexual intimacy and violation and acts of resistance protest and solidarity This book addresses complex intergenerational intercultural racial sectarian ethnic gender and inter and intraclass dynamics from the perspective of ranked objectifying exploitative and coercive relationships but also in terms of commonalities complicities reciprocations and retaliations Notable are the significances of wealth precarity and shaming the consequences of anti materialistic dramaturgical leanings the pathologising of success the fraught nature of solidarity and the problematics of merit divisive partitioning and muddled m salliances Ultimately the book wonders about how Irish theatre distinguishes between tolerable and intolerable inequalities that are culturally and socially but principally economically derived

**Women and Embodied Mythmaking in Irish Theatre** Shonagh Hill,2019-08-29 The rich legacy of women s

contributions to Irish theatre is traditionally viewed through a male dominated literary canon and mythmaking thus arguably silencing their work In this timely book Shonagh Hill proposes a feminist genealogy which brings new perspectives to women s mythmaking across the twentieth and twenty first centuries The performances considered include the tableaux vivants performed by the Inghinidhe na h ireann Daughters of Ireland plays written by Alice Milligan Maud Gonne Lady Augusta Gregory Eva Gore Booth Mary Devenport O Neill Mary Elizabeth Burke Kennedy Paula Meehan Edna O Brien and Marina Carr as well as plays translated adapted and performed by Olwen Fou r The theatrical work discussed resists the occlusion of women s cultural engagement that results from confinement to idealised myths of femininity This is realised through embodied mythmaking a process which exposes how bodies bear the consequences of these myths while refusing to accept the female body as passive bearer of inscription through the assertion of a creative female corporeality The Plays of Thomas Kilroy Thierry Dubost,2015-03-14 The Irish Times called Thomas Kilroy one of the most significant playwrights of modern Ireland while The Sunday Times has described him as one of the outstanding living Irish playwrights and perhaps the most complete The winner of numerous honors including a special tribute from the Irish Theatre Awards in 2003 he has written fourteen plays This appraisal of the works of Thomas Kilroy focuses on the common themes and methodology of his plays including an unusual alliance between serious theatrical complexity and varied but demanding forms of comedy A separate chapter is devoted to each play with the exception of The Death and Resurrection of Mr Roche and The MacAdam Travelling Theatre whose complementary themes are discussed together Reflecting on the essence of theatre Kilroy s works combine meditations on humanity with references to Irish history generally using historical reality as a dramatic starting point Plays discussed include Kilroy originals such as Talbot s Box The Secret Fall of Constance Wilde and Blake as well as adaptations of well known works such as The Seagull Six Characters in Search of an Author and Henry Interviews with stage directors L Parker M Stafford Clark P Mason A S Paul and the playwright himself contribute to this in depth analysis of Kilroy s dramatic art Photographs of staged plays and a list of premieres of Kilroy s works plays and adaptations are also included

Rough Magic Miranda Newman,2024-04-16 INSTANT NATIONAL BESTSELLER A GLOBE AND MAIL READER S FAVOURITE Winner of a 2025 Silver Nautilus Award A harrowing but ultimately uplifting memoir about living with borderline personality disorder the most stigmatized diagnosis in mental health I didn t know whether to take you to a psychologist or an exorcist This is how Miranda Newman s mother described the experience of trying to find an explanation for her daughter s behaviour It would be years before Miranda was able to find a diagnosis that explained the complicated way she moved through the world She would have to advocate for herself in the mental health system while dealing with abuse being unhoused survival sex suicide attempts and hospitalizations Through it all Miranda has found strength in her diagnosis Her recollections are visceral and confessional but also self aware irreverent and funny She tells readers how she has found strength and joy in what others might see as tragic while bolstering her personal recollections with deeply

researched observations on Canada's mental healthcare system and the history of diagnostics and disorder using research supported by her work at Yale University

**Breaking Forms** Christie Fox, 2009-03-26 Ireland in the 1990s experienced fast immediate and radical social change. Dubbed the Celtic Tiger, the Irish economy provided for changes in the arts landscape as well, particularly as an outlet for the expression of this change. A profound shift in Irish drama expressed as an attempt to redefine what a play is, what an audience is, regardless of the theme of the work, allowed for a replication of this societal change in the theatre. Theatre artists collaborating to bring physicality to the Irish stage sought to explore, express, and reflect a part of society that they felt could not be represented naturalistically. They rejected nostalgia and indeed often mocked it. The newly emerging Irish theatre deprivileged the author and moved away from the literary tradition to incorporate performance techniques and movement on an equal basis to the written text. These productions emphasized the visual because artists found that words alone could not express the inchoate emotions brought on by globalization and cultural shifts. *Breaking Forms* is an attempt to provide a vocabulary for talking about Irish performance and an incursion in the understanding and definition of the idea of Irish gesture. The manuscript profiles several theatre companies to find common ground and provide an analysis of their performances, theatre and texts.

[A History of Irish Working-Class Writing](#) Michael Pierson, 2018 Michael Pierson is Lecturer in Irish literature at Queen's University Belfast. His research mainly explores the writing and cultural production of Irish working class life. Over recent years this work has expanded into new multidisciplinary themes and international contexts including the study of festivals, digital methodologies in public humanities and theatre as research practices. Michael has contributed to a range of national and international publications, is the author of *Writing Ireland's Working Class* (Dublin: O'Casey, 2011) and has been awarded several Arts and Humanities Research Council awards and the Vice-Chancellor's Award at Queen's.

[Shiver](#) Declan Hughes, 2003 A brand new play by an established young Irish writer. We all have to work hard these days, that's just the way it is. A new executive breed is emerging in a quarry on the outskirts of Dublin where once there was a sense of history and socialism; the corporate moguls have enslaved the idealists and turned them into entrepreneurs. Whilst Marion is an ad exec on the make, Kevin is the house husband with the baby and time to nurture his much vaunted creative powers. But when the bottom falls out of the market for their dot-com neighbour Richard, an economic squall threatens to sink their fragile emotional prosperity. Declan Hughes has a keen eye for absurdity, a quirky sense of humour, and a knack for making acrimony amusing while not underrating the seriousness of the issues. *The Times* Published to tie in with opening, directed by Lynne Parker for Rough Magic at the Project Arts Centre, Dublin. Praise for Declan Hughes' writing: savagely comic, compelling, darkly funny.

**Irish Women Dramatists** Eileen Kearney, Charlotte Headrick, 2014-11-12 Irish women dramatists have long faced an uphill challenge in getting the recognition and audience of their male counterparts. There are more female playwrights now than ever before, but they are often ignored by mainstream theatres. Kearney and Headrick strive to shift the spotlight with *Irish Women Dramatists*. The

plays collected in this volume represent a cross section of the excellent dramatic output of Irish women writing in the twentieth century. In addition to the scripts and biographical introductions the anthology includes a detailed critical annotated essay addressing the development of the Irish theatre throughout this time period and the place women have artistically carved out for themselves in a traditionally male dominated theatre industry and dramatic canon. One of the few collections of plays by Irish women this volume contextualizes the political and sociological climate in which these playwrights developed. As theatre practitioners actors and directors as well as scholars Kearney and Headrick have devoted years of research to discovering and rediscovering the contributions these women have made and continue to make in the Irish and world theatre scenes.
