Rough Night at the North Pole Craig Alpaugh, 1989      *When The Night Gets Rough* A.M Metcalf, 2019-11-07 These poems are intended for those whose emotions or racing mind may keep them up late at night Spanning multiple generations the story told between the pages is that of the fighters by our sides that we cannot see and what our lives look like from their point of view      Rough Rides & Tender Nights Tessa Wren, 2025-04-19 A guarded bartender A gentle vet One broken arm A thousand aching hearts Sadie Miller isn't used to letting people in As the sharp tongued bartender of The Rusty Mule she hides her bruised past behind whiskey pours and wicked smiles But when a scuffle leaves her injured the town's reserved vet Noah Barnes steps in to help and awakens a vulnerability she's tried to bury Noah has spent years tending to wounded animals and avoiding emotional entanglements But Sadie is different Beneath the sass and smirks he sees a woman worth risking everything for As tender touches turn into smoldering nights and quiet confessions their connection deepens But trust doesn't come easy and when the scars of Sadie's past resurface Noah must prove he's not just the man who can heal her wounds but the one who'll never walk away A slow burn emotionally rich romance for fans of damaged heroines soft alpha heroes and heart stealing small town love      *Rough & Dirty* Nicole Edwards, 2024-06-11 One night Rough dirty and so hot it was a wonder the barn didn't burn down from the heat they generated If Stone Jameson were writing a letter to his younger self it would go something like this Don't waste time leaving You have everything you'll ever want already Unfortunately Stone didn't have the ability to warn his younger self nor could he get the last fifteen years of his life back He could however return to the last place he'd experienced real happiness his hometown of Coyote Ridge It takes mere days for him to realize that all the years he spent trying to forget the night that had altered his perception of himself were in vain It takes a single glimpse of what he left behind to bring it all back the potent attraction the intense connection and the longing permanently etched in his soul Getting absolution for his mistakes might be impossible but when a second chance presents itself Stone knows that determination and persistence are the only tools he needs to build the solid foundation he's seeking      Holly in July Tony Norris, 2024-01-05 With top notch retail training under my belt I was poised to reach new heights But an unexpected pregnancy followed by a turbulent divorce sent my life spiralling Resolving to keep personal relationships at bay I pursued a lofty ambition ten stores in each of the five largest shopping malls within fifteen years Then fate introduced me to a struggling beauty salon its only saving grace being Holly Approaching fifty yet radiating the allure of someone much younger Holly's past was marred by trauma An abusive relationship left scars pushing her into nearly two decades of seclusion As fate would have it Holly joined my company just in time for our unique tradition a Christmas in July celebration Retailers know the yuletide as the peak of busy seasons so we celebrated our staff party then As I took Holly's hand at the Victorian themed event her honey blond hair cascading over a stunning scarlet gown I wondered Could this chance meeting offer both of us a new beginning in love      Political Demonology Richard Faber, 2018-01-05 The structural core problem of
