FRESHFIELD, 2017-10-14 Excerpt from Round Kangchenjunga A Narrative of Mountain Travel and Exploration It is of course impossible to go up and down feet without some climbing in the popular sense of that word But in the technical Alpine sense we had far too little mountaineering for my taste Rope and ice axe played but a very subordinate part in our journey This was our mis fortune rather than our fault The tremendous rainstorm of September 1899 after devastating Darjiling and its tea gardens swept across Kangchenjunga into Tibet in the form of a premature snowfall lowering the snow level nearly 4000 feet and practically closing the highest region About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Round Kangchenjunga : A Narrative of Mountain Travel and Exploration Douglas William Freshfield, ROUND KANGCHENJUNGA A NARRATIV Douglas William 1845-1934 Freshfield, 2016-08-27 **Round Kangchenjunga; a Narrative of Mountain Travel and Exploration** Freshfield Douglas William 1845-1934, HardPress, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Round Kangchenjunga, a Narrative of Mountain Travel and Exploration, by Douglas W. Freshfield ...** Douglas W. Freshfield, 1903 **Kangchenjunga** Doug Scott, 2021-07-01 Kangchenjunga is the third highest mountain in the world and a notoriously difficult and dangerous mountain to climb First climbed from the west in 1955 by a British team comprising Joe Brown George Band Tony Streather and Norman Hardie it

waited over twenty years for a second ascent The third ascent from the north followed in 1979 by a four man team including the visionary British alpinist Doug Scott Completed before his death in 2020 and edited by Catherine Moorehead Kangchenjunga is Doug Scott s final book Scott explores the mountain and its varied people the mountain sits on the border between Nepal and Sikkim in north east India before going on to look at Western approaches and early climbing attempts on the mountain Kangchenjunga was in fact long believed to be the highest mountain in the world until in the nineteenth century it was demonstrated that Peak XV Everest was taller Out of respect for the beliefs of the Sikkim no climber has ever set foot on the very top of Kangchenjunga the sacred summit Scott s own relationship with the mountain began in 1978 three years after his first British ascent of Everest with Dougal Haston The assembled team featured some of the greatest mountaineers in history Scott Joe Tasker Peter Boardman and Georges Bettembourg The plan was for a stripped down expedition the following spring minimal Sherpa support no radios largely self financed It was the first time a mountain of this scale had been attempted by a new and difficult route without the use of oxygen and with such a small team Scott Tasker and Boardman summited on 16 May 1979 further cementing their legends in this golden era Kangchenjunga is Doug Scott s tribute to this sacred mountain a paean for a Himalayan giant written by a giant of Himalayan climbing *Luzac & Co.'s Oriental List* ,1903 **Luzac's Oriental List and Book Review** ,1904 **Oriental list (and book review quarterly).** Luzac and co,1904 **Into the Silence** Wade Davis,2011-10-18 The definitive story of the British adventurers who survived the trenches of World War I and went on to risk their lives climbing Mount Everest On June 6 1924 two men set out from a camp perched at 23 000 feet on an ice ledge just below the lip of Everest s North Col George Mallory thirty seven was Britain s finest climber Sandy Irvine was a twenty two year old Oxford scholar with little previous mountaineering experience Neither of them returned Drawing on more than a decade of prodigious research bestselling author and explorer Wade Davis vividly re creates the heroic efforts of Mallory and his fellow climbers setting their significant achievements in sweeping historical context from Britain s nineteen century imperial ambitions to the war that shaped Mallory s generation Theirs was a country broken and the Everest expeditions emerged as a powerful symbol of national redemption and hope In Davis s rich exploration he creates a timeless portrait of these remarkable men and their extraordinary times Catalogue A.
