Route 66that Nelson Riddle Sound:

Nelson Riddle David Morrell,2013-01-24 David Morrell isn't only an acclaimed thriller author. He's also a former professor of American Studies who writes in depth profiles about music and film legends Frank Sinatra, Nat King Cole, Ella Fitzgerald, Judy Garland, Peggy Lee, Rosemary Clooney, Linda Ronstadt. No matter their various styles, these and other iconic popular singers had one thing in common: much of their best work was arranged by Nelson Riddle, whose renown within the world of arrangers rivaled that of the legends for whom he wrote. Indeed, some critics maintain that if not for Riddle, Sinatra might not have overcome his mid-career failure and climbed to the superstar status that he eventually attained. In *Nelson Riddle: The Man Behind the Music*, bestselling author David Morrell discusses the career of a musical genius who changed popular music and proved that a great arranger is as important as a great song and a great singer. This groundbreaking study describes Riddle's remarkable achievements, analyzing the musical principles that made his arrangements so unmistakable and influential. At its core is the irony that a man whose music is described as light and bright should have been so bitter and disappointed in his life.

Nelson Riddle Geoffrey Littlefield,2021-02-26 This book is about one of my all-time heroes, Mr. Nelson Riddle. It makes for fascinating reading, and I am enjoying it very much. SIR MICHAEL PARKINSON NELSON RIDDLE was possibly the greatest one of the most successful arrangers in the history of American popular music. He worked with global icons such as Peggy Lee, Judy Garland, and many more. And in a time of segregation and deep racial tensions in the US, he collaborated with leading black artists such as Nat King Cole and Ella Fitzgerald, forming close personal friendships with both. He also wrote successful TV themes and Oscar-winning film scores. A complex and often forlorn genius, he will forever be remembered for his immortal work with FRANK SINATRA, but like fine wines, his later vintage was just as palatable, if somewhat of a surprise.

September in the Rain Peter J. Levinson,2005 The first ever biography of the highly respected arranger in the history of American popular music. Based on more than 200 interviews with his closest friends, family, and colleagues.
