Theatre Censorship David Thomas, David Carlton, Anne Etienne, 2007-11-01 Using previously unpublished material from the National Archives David Thomas David Carlton and Anne Etienne provide a new perspective on British cultural history Statutory censorship was first introduced in Britain by Sir Robert Walpole with his Licensing Act of 1737 Previously theatre censorship was exercised under the Royal Prerogative By giving the Lord Chamberlain statutory powers of theatre censorship Walpole ensured that confusion over the relationship between the Royal Prerogative and statute law would prevent any serious challenge to theatre censorship in Parliament until the twentieth century The authors place theatre censorship legislation and its attempted reform in their wider political context Sections outlining the political history of key periods explain why theatre censorship legislation was introduced in 1737 why attempts to reform the legislation failed in 1832 1909 and 1949 and finally succeeded in 1968 Opposition from Edward VII helped to prevent the abolition of theatre censorship in 1909 In 1968 theatre censorship was abolished despite opposition from Elizabeth II Lord Cobbold her Lord Chamberlain and Harold Wilson her Prime Minister There was strong support for theatre censorship on the part of commercial theatre managers who saw censorship as offering protection from vexatious prosecution A policy of inertia and deliberate obfuscation on the part of Home Office officials helped to prevent the abolition of theatre censorship legislation until 1968 It was only when playwrights directors critics audiences and politicians notably Roy Jenkins applied combined pressure that theatre censorship was finally abolished The volume concludes by exploring whether new forms of covert censorship have replaced the statutory theatre censorship abolished with the 1968 Theatres Act

The Cambridge Illustrated History of British Theatre Simon Trussler, 2000-09-21 Written with style imagination and insight and packed with interesting illustrations this authoritative book traces the development through the ages of plays and playwriting forms of staging the acting profession and the role of the actor in fact all aspects of live entertainment From

satire and burlesque to melodrama and pantomime this is a major history of British theatre from the earliest times to the present day Shifting its focus constantly between those who played and those who watched between officially approved performance and the popular theatre of the people The Cambridge Illustrated History of British Theatre will be invaluable to anyone interested in theatre whether student teacher performer or spectator The Plays of David Storey William Hutchings, 1988 This is the first comprehensive play by play analysis of the drama of David Storey one of the most acclaimed and innovative sometimes controversial writers in the British theatre since World War II Grouping the plays according to theme Hutchings demonstrates that the central focus in the drama of David Storey is the devaluation of traditional rituals in contemporary life and the disintegration of the family A playwright attuned to the poetry in the ordinary to the profundity subtle eloquence and dramatic tension in the mundane Storey explores the ways people cope or fail to cope with complexity with uncertainty with constant bewildering flux He writes about groups families In Celebration The Farm rugby teams The Changing Room and construction crews The Contractor In his plays individuals seek to overcome isolation and integrate themselves into a significant assemblage that transcends the self Hutchings notes that Storey frequently deals with working class parents who cannot understand their grown children s anxieties their discontentedness with life their unstable marriages and their inability to enjoy the benefits of the education and advantages they labored so hard for so many years to provide Storey understands and sympathizes with parents who have paid to educate their children out of their own spheres He saw it happen in his own family knew the disapproval of his father What else could my father think when nearing sixty he came home each day from the pit exhausted shattered by fatigue to find me a young man ideally physically equipped to do the job which now left him totally prostrated painting a picture of flowers or writing a poem about a cloud There was and there is no hope of reconciliation Hutchings supplements his thematic analysis of Storey s plays by interweaving into his text 90 percent of a major interview with the playwright the only such comprehensive interview in existence Storey who believes that readers ought to be chary of all interviews discusses alleged literary influences on his work the current state of British theatre and his reactions to critics He also provides insight into various productions and performances in his work *The Royal Court Theatre Inside Out* Ruth Little, Emily McLaughlin, 2007 Illustrated throughout with photographs from the plays and with reproduced documents and rehearsal notes from the original productions The Royal Court Theatre Inside Out considers the most notable productions from the tenure of each successive artistic director since the Royal Court Theatre opened and includes interviews with actors writers designers technicians and directors themselves *Ibsen's Lively Art* Frederick J. Marker, Lise-Lone Marker, 1989-03-30 Ibsen s Lively Art explores key stage productions and clusters of productions in detail Anglo-German Theatrical Exchange , 2015-02-04 Through the great diversity of topics and methodologies the essays in this volume make a seminal contribution to an under researched field at the intersection of literary and cultural criticism comparative literature and theatre as well as translation studies The essays cover a wide range

of texts from the eighteenth to the twenty first century From a broad variety of perspectives the exchange between drama and theatre of the Anglophone and the Germanophone worlds and their mutual influence are explored While there is a focus on the successful or unsuccessful bridging of the cultural gaps due consideration is given to the nexus between intercultural translation and mise en scene as well as the intricacies of intermedial reshaping Always placing the analyses within the political and socio historical contexts the essays make an innovative contribution to the aesthetics of Anglo German theatrical exchange as well as to European cultural history

The Theatre of D.H. Lawrence James Moran, 2015-11-19 This is the first major book length study for four decades to examine the plays written by D H Lawrence and the first ever book to give an in depth analysis of Lawrence's interaction with the theatre industry during the early twentieth century It connects and examines his performance texts and explores his reaction to a wide range of theatre from the sensation dramas of working class Eastwood to the ritual performances of the Pueblo people in order to explain Lawrence's contribution to modern drama F R Leavis influentially labelled the writer D H Lawrence Novelist But this book foregrounds Lawrence's career as a playwright exploring unfamiliar contexts and manuscripts and drawing particular attention to his three most successful works *The Widowing of Mrs Holroyd* *The Daughter in Law* and *A Collier's Friday Night* It examines how Lawrence's novels are suffused with theatrical thinking revealing how Lawrence's fictions from his first published work to the last story that he wrote before his death continually take inspiration from the playhouse The book also argues that although Lawrence has sometimes been dismissed as a restrictively naturalistic stage writer his overall oeuvre shows a consistent concern with theatrical experiment and manifests affinities with the dramatic thinking of modernist figures

including Brecht Artaud and Joyce In a final section the book includes contributions from influential theatre makers who have taken their own cue from Lawrence s work and who have created original work that consciously follows Lawrence in making working class life central to the public forum of the theatre stage **Questions of Censorship** David Tribe,2023-07-14
