Blue Fire Phyllis A. Whitney, 2017-07-04 A bride is swept up in family secrets and the blood diamond trade when she returns to South Africa in this novel by a New York Times bestselling author When Chicagoan Susan Hohenfield brings her new husband Dirk to her childhood home in Cape Town it's with the innocence of a young girl She remembers only the beauty of South Africa and the pain of being abandoned by her father Now with a new perspective she sees a country destroyed by apartheid And her father once accused of diamond smuggling seems not the ogre she imagined but a broken man powerless against the prison term that wrenched him from his daughter's arms At least that's the story Susan has been told But she'll discover the truth as this intimate family reunion raises grave and troubling new questions

Why is the man responsible for her father's fate still lingering in the shadows? Why has Dirk's former lover arrived with threats and incriminations? And why does Susan feel like a stranger in her own home? Now in a place that is at once strange and familiar, charged with fear and intrigue, Susan must confront a dangerous past that isn't quite through with her. More than a classic gothic tale, *Blue Fire* is one of the first novels to deal with the turmoil in South Africa. It was written nearly three decades before the dismantling of apartheid and a half century before the film *Blood Diamond* would bring attention to the devastating effects of the smuggling trade. This ebook features an illustrated biography of Phyllis A. Whitney including rare images from the author's estate.

You Can Have My Back, Vol. 1 (light novel), 2023-08-08

I'll Never Let You Go Again: When Ionia, proud knight of the realm, loses his life in a violent insurrection, his memories are inherited by a boy born one day after his death. Years later, Leorino Cassieux, fourth son of the Margrave of Brungwurt and blessed with angelic beauty, begins to see Ionia's memories in his dreams. He relives Ionia's ill-fated romance with the king's younger brother, Prince Gravis, as well as his death at the hands of a traitor to the kingdom. But as Leorino tries to make sense of the feeling swelling in his chest, he stumbles too close to the truth of that fateful day. The traitor's identity is revealed, and in a panic, the traitor threatens to end himself and take Leorino with him. As Leorino's life hangs in the balance, he instinctively cries out for his only hope: the love of his past life, Gravis.

The Dirks and Rapiers of Great Britain and Ireland, Colin Burgess, Sabine Gerloff, 1981

Nexus Network Journal 9,2, 2008-12-18. This volume is dedicated to Mechanics in Architecture, that is the science of structural mechanics, including the behaviour of structures, internal forces, and deformation, as well as the development of new structural systems to resist thrusts as a result of new architectural forms. It is a field of enquiry that examines a particular aspect of the relationships between architecture and the mathematical sciences. Some of the papers in this issue were presented at the Nexus 2006 conference during a special session dedicated to mechanics. Other research papers focus on an eighteenth-century Belgian pyramid, aspects of fractal architecture, and properties of a family of irrational values. The issue also includes a description and evaluation of a university-level course in architecture and mathematics. Rachel Fletcher's Geometer's Angle column and book reviews.

An Explosive Climax And Closure Long Overdue: At last, the truth comes to light, and a wave of emotion washes over the capital. Leorino, fourth son of Margrave August, is the reincarnation of Ionia, proud knight and late lover of Prince Gravis. In their time together, Leorino and Gravis have come to understand each other and vow to play to their strengths. While Leorino is weak in body, he is more than capable of protecting Gravis's heart. Gravis, in turn, will use every ounce of his power to ensure that no harm comes to his lover ever again. It is time to hunt down the traitor in their midst. With the threat of war looming in the distance, Ionia's allies must come together once more. For vengeance. For justice. For love.
