## **Royal Eccentrics:**

Great British Eccentrics S. D. Tucker, 2015-09-15 An entertaining guide to the most eccentric characters from British history    English Eccentrics and Eccentricities John Timbs, 2023-11-21 Reprint of the original first published in 1875 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost    *The Technology of Maya Civilization* Zachary X. Hrubby, Geoffrey E. Braswell, Oswaldo Chinchilla Mazariegos, 2014-10-14 The ancient Maya shaped their world with stone tools Lithic artifacts helped create the cityscape and were central to warfare and hunting craft activities cooking and ritual performance The Technology of Maya Civilization examines Maya lithic artefacts made of chert obsidian silicified limestone and jade to explore the relationship between ancient civilizations and natural resources The volume presents case studies of archaeological sites in Guatemala Mexico Belize and Honduras The analysis draws on innovative anthropological theory to argue that stone artefacts were not merely cultural products but tools that reproduced modified and created the fabric of society    American Eccentric Cinema Kim Wilkins, 2019-02-21 Since the late 1990s a new language has emerged in film scholarship and criticism in response to the popularity of American directors such as Wes Anderson Charlie Kaufman and David O Russell Increasingly adjectives like quirky cute and smart are used to describe these American films with a focus on their ironic and sometimes deliberately comical stories character situations and tones Kim Wilkins argues that beyond the seemingly superficial descriptions American eccentric cinema presents a formal and thematic eccentricity that is distinct to the American context She distinguishes these films from mainstream Hollywood cinema as they exhibit irregularities in characterization tone and setting and deviate from established generic conventions Each chapter builds a case for this position through detailed film analyses and comparisons to earlier American traditions such as the New Hollywood cinema of the 1960s and 1970s American Eccentric Cinema promises to challenge the notion of irony in American contemporary cinema and questions the relationship of irony to a complex national and individual identity    *Eccentric London* Benedict Le Vay, 2007 Benedict le Vay reveals London s most bizarre and macabre secrets with his novel approach which doubles both as a thematic guide to the hidden attractions of the streets of London and a compelling insight into the citizens and culture of this historic city    *English Eccentrics and Eccentricities* John Timbs, 1875
