Material Culture in the Greek & Roman World Catherine Cooper,2020-11-16 New Approaches to Ancient Material Culture in the Greek Roman World is about Classical Archaeology at its broadest and is important reading to all Classicists As part of a recent movement to highlight the rich diversity of the subject it overcomes traditional disciplinary boundaries to show the variety of current approaches to the study of Classical Antiquity from the Late Bronze Age to the Late Antique period The multi disciplinary papers deal with archaeology and art history museum objects and fieldwork data ancient texts and material culture archaeological theory and historiography and technical and literary analysis The international contributors discuss a selection of methodologies currently used to study ancient material and illustrate their relevance through case studies which span the Greek and Roman world **Death Rituals and Social Order in the Ancient World**

Colin Renfrew,Michael J. Boyd,Iain Morley,2016 This volume with essays by leading archaeologists and prehistorians considers how prehistoric humans attempted to recognise understand and conceptualise death **His Good Name** Christina Geisen,Jean Li,Steven B. Shubert,Kei Yamamoto,2021-03-20 The wish to affiliate with a specific cultural social or ethnical group is as important today as it was in past societies such as that of the ancient Egyptians The same significance applies to the self presentation of an individual within such a group Although it is inevitable that we perceive ancient cultures through the lens of our time place and value systems we can certainly try to look beyond these limitations Questions of how the ancient Egyptians saw themselves and how individuals tried to establish and thus present themselves in society are central pieces of the puzzle of how we interpret this ancient culture This volume focuses on the topic of identity and self presentation tackling the subject from many different angles the ways in which social and personal identities are constructed and maintained the manipulations of culture by individuals to reflect real or aspirational identities and the methods modern scholars use to attempt to say something about ancient persons Building on the work of Ronald J Leprohon to whom this volume is dedicated contributions in this volume present an overview of our current state of understanding of patterns of identity and self presentation in ancient Egypt The contributions approach various aspects of identity and self presentation through studies of gender literature material culture mythology names and officialdom Made for the Eye of One Who Sees Marcus Milwright,Evanthia Baboula,2022-09-10 Canada has seen the study of Islamic art and archeology grow steadily over the last five decades with growth in research and teaching across numerous Canadian universities as well as important collections of Islamic art and archaeological materials most notably at the Royal Ontario Museum and the Aga Khan Museum Made for the Eye of One Who Sees uncovers the contributions of scholars and museum curators at Canadian institutions to

current scholarship on Islamic art Employing a wide range of approaches and theoretical perspectives contributors cover topics from across the Islamic world dating from the eighth century to the present Subjects include the iconography of architectural design and decoration the role of Qur'anic inscriptions the representation of symbolic animals in sculpture and the interpretation of Persian manuscript painting The book also juxtaposes modern and contemporary worlds providing insightful reflections on the early history of the Islamic collections at the Royal Ontario Museum Matisse's creative encounter with Byzantine and Islamic visual culture and the ongoing dialogue between new media and the traditional concepts underpinning Islamic art Bringing together recent scholarship on Islamic art architecture and archaeology *Made for the Eye of One Who Sees* provides an overview of the important contributions Canada is making to this rich and evolving field of study Canadian Books in Print 2002 Marian Butler, 2002-02 Critical Issues Editing Exploration Text Germaine Warkentin, 1995-12-15 The papers in this collection deal with a cultural problem central to the study of the history of exploration the editing and transmission of the texts in which explorers relate their experiences The papers chart the transformation of the study of exploration writing from the genres of national epic and scientific reportage to the genre of cultural analysis As well they reflect ongoing changes in our ideas about editorial procedures literary genres and cultural appropriation This volume begins with a paper by David Henige who confronts the classic editorial problems associated with the writings of Christopher Columbus Luciano Formisano studying Amerigo Vespucci illustrates the technical problems associated with transmission David and Alison Quinn examine Richard Hakluyt's *Discourse on Western Planting* 1584 I S MacLaren investigates the publication in the nineteenth century of field notes by Canadian artist Paul Kane Helen Wallis's paper looks at the institutionalization of exploration writing in the activities of the great publication societies Finally in a paper that throws into question assumptions about textuality that would have seemed unassailable three decades ago James Lockhart examines the textual editing of Nahuatl versions of the conquest of Meso America Electronic Format Disclaimer Images removed at the request of the rights holder **Ontario Library Review**, 1926 *World Film Locations: Toronto* Tom Ue, 2014-01-01 Toronto is a changing city that has been a source of reflection and inspiration to writers and artists whose work focuses on the conditions and prospects of human life A city on the move it demands policies and regulation and it offers the pleasures and perils of the massive and the anonymous As a site of study the city is inherently multidisciplinary with natural ties to history geography sociology architecture art history literature and many other fields *World Film Locations Toronto* explores and reveals the relationship between the city and cinema using a predominately visual approach The juxtaposition of the images used in combination with insightful essays helps to demonstrate the role that the city has played in a number of hit films including *Cinderella Man* *American Psycho* and *X Men* and encourages the reader to frame an understanding of Toronto and the world around us The contributors trace Toronto's emergence as an international city and demonstrate the narrative interests that it has continued to inspire among filmmakers both Canadian and international With

support from experts in Canadian studies the book's selection of films successfully shows the many facets of Toronto and also provides insider's access to a number of sites that are often left out of scholarship on Toronto in films such as the Toronto International Film Festival The 2014 release of this attractive volume will be a particularly welcome addition to the international celebrations of the city's 180th anniversary

Pergamon and the Hellenistic Kingdoms of the Ancient World Carlos A. Picón, Seán Hemingway, 2016-04-18 The Hellenistic period the nearly three centuries between the death of Alexander the Great in 323 B C and the suicide of the Egyptian queen Kleopatra VII the famous Cleopatra in 30 B C is one of the most complex and exciting epochs of ancient Greek art The unprecedented geographic sweep of Alexander's conquests changed the face of the ancient world forever forging diverse cultural connections and exposing Greek artists to a host of new influences and artistic styles This beautifully illustrated volume examines the rich diversity of art forms that arose through the patronage of the royal courts of the Hellenistic kingdoms placing special emphasis on Pergamon capital of the Attalid dynasty which ruled over large parts of Asia Minor With its long history of German led excavations Pergamon provides a superb paradigm of a Hellenistic capital appointed with important civic institutions a great library theater gymnasium temples and healing center

that we recognize today as central features of modern urban life The military triumphs of Alexander and his successors led to the expansion of Greek culture out from the traditional Greek heartland to the Indus River Valley in the east and as far west as the Strait of Gibraltar These newly established Hellenistic kingdoms concentrated wealth and power resulting in an unparalleled burst of creativity in all the arts from architecture and sculpture to seal engraving and glass production Pergamon and the Hellenistic Kingdoms of the Ancient World brings together the insights of a team of internationally renowned scholars who reveal how the art of Classical Greece was transformed during this period melding with predominantly Eastern cultural traditions to yield new standards and conventions in taste and style Waterbirds Around the World G. C. Boere, Colin A. Galbraith, David A. Stroud, 2006 This book is the outcome of a major international conference on waterbirds held in Edinburgh in April 2004 **The Oxford History of the Archaic Greek World** Paul Cartledge, Paul Christesen, 2025-05-16 The ancient Greek world consisted of approximately 1 000 autonomous polities scattered across the Mediterranean basin and was remarkable for both its diversity and its uniformity As Greeks dispersed throughout the Mediterranean the different environmental and human ecosystems they encountered created important differences among widely scattered settlements each Greek community developed its own unique set of socio political institutions and social practices Nonetheless despite their dispersal and diversity Greek communities were bound together by a network of commercial cultural diplomatic and military ties and shared important commonalities most notably language and religion The Oxford History of the Archaic Greek World a collaborative effort by more than forty eminent scholars offers twenty two detailed and comprehensive studies of key sites from across the Greek world in the period between c 750 and c 480 BCE During that period Greeks confronted a series of demographic political social and economic challenges and generated an array of responses that transformed the ways in which they lived worked and interacted Much of what is now seen as distinctive about Greek culture such as democracy stone temples and nude athletics first developed during the Archaic period The series is organized alphabetically by polis Volume VI contains detailed and up to date studies of Rhodes Sicyon Syracuse Thebes and Western Sicily Together with the other volumes in the series The Oxford History of the Archaic Greek World offers a new and unique resource for the study of ancient Greece that will transform how we understand a crucial era in antiquity
