Royal Priesthood A Theology Of Ordained Ministry:

Royal Priesthood Thomas F. Torrance, 1993-06-01 An up to date ecumenical understanding of the Church and its ministry that cuts across divisions between Catholic and Evangelical Anglican and Reformed and includes the ministry of both men and women The Unassumed Is the Unhealed Kevin Chiarot, 2013-09-24 This work addresses a pivotal and controversial area lying at the heart of T F Torrance s Christology Namely that Jesus Christ assumed fallen and sinful humanity and living out a sinless life from within our alienated state healed our human nature This is a claim that is conceptually basic to Torrance s integration of incarnation and atonement and thus to his soteriology as a whole It s pervasive nature and its significance within the overall structure of Torrance s thought is thoroughly and sympathetically set forth Christ s assumption of sinful flesh is seen to lie underneath a number of disputed areas in Torrance s thought such as the role or lack thereof of human responsibility and the question of universalism This work not only illuminates but rigorously examines the claim that the unassumed is the unhealed Thomas F. Torrance Paul D. Molnar, 2016-02-17 This book provides an important study of the theology of Thomas F Torrance who is generally considered to have been one of the most significant theologians writing in English during the twentieth century with a view toward showing how his theological method and all his major doctrinal views were shaped by his understanding of the doctrine of the Trinity Torrance pursued a theology that was realist because he attempted to think in accordance with the unique nature of the object that is known In holding to such a methodology he drew an analogy between theology and natural science This book demonstrates how for Torrance God relates with humanity within time and space so that creation finds its meaning in relation to God and not in itself this enabled him to avoid many theological pitfalls such as agnosticism subjectivism and dualism while explaining the positive implications of various Christian doctrines in a penetrating and compelling manner This book offers an important resource for students of theology and for scholars who are interested in seeing how serious dogmatic theology shapes and should shape our understanding of the Christian life How To Read T. F. Torrance Elmer M. Colyer, 2007-12-01 Thomas F Torrance is regarded as one of the foremost Reformed theologians of the second half of the twentieth century He taught for thirty years at New College University of Edinburgh Scotland until his retirement in 1979 He has written extensively contributing more than twenty major works of theology and hundreds of articles in a variety of languages In this book Elmer Coyler provides access to Torrance s voluminous writings Demonstrating the profoundly trinitarian and evangelical spirit of Torrance s theology Coyler also captures his concern to formulate a renewed theological method in the tradition of Athanasius Coyler helps us see how in Torrance s view and practice a truly scientific approach must be godly in order to be accurate and faithful *Here I Am, Lord, Send Me* Neal D. Presa, 2012-10-03 Church leadership and authority have been perennial theological issues facing Protestant churches of the Reformed tradition since the sixteenth century What is ordination and what occurs when the Church ordains women and men to offices are questions that Reformed churches have

attempted to answer for over five hundred years In Here I Am Lord Send Me Neal Presa combs the rich confessional constitutional and theological tradition of the Reformed churches He critiques previous methods that have tried to answer questions of the meaning of ordination and then proposes a new methodology that focuses on the ritual and stories of ordination the shape and content of an assembly s worship This work provides pathways for deeper and helpful engagement with present church debates and ecumenical discussions on ordination and ecclesiastical authority The Lord's Service Jeffrey J. Meyers,2003 The Lord s Service is a description and defense of covenant renewal worship *Thomas F. Torrance and the Orthodox-Reformed Theological Dialogue* Jason R. Radcliff,2018-10-11 In this volume Jason Radcliff offers an introduction critical appreciation and constructive extension of the Orthodox Reformed Theological Dialogue spearheaded by Thomas F Torrance in the late 1980s and early 1990s Focusing upon the Greek Patristic foundations of the Dialogue as seen particularly in the shared rapport between Torrance and Archbishop Methodios Fouyas as well as the monumental theological outcome of the Dialogue The Agreed Statement on the Holy Trinity a document that claims to cut behind the issue of the filioque this book also highlights some of the notable conversations that went on behind the scenes of the Dialogue as seen in the photos the unpublished Official Minutes and correspondence between Torrance and other major figures namely George Dragas Methodios Fouyas and The Patriarch of Constantinople himself about such topics such as the Athanasian doctrine of the Trinity Barthian Christocentrism and John Zizioulas existentialism The book includes selections from unpublished minutes and photographs as well as out of print documents such as Torrance s Memoranda on Orthodox Reformed Relations and Common Reflection as well as The Agreed Statement on the Holy Trinity Radcliff argues that the Dialogue s ecumenical use and creative interpretation of the Trinitarian and Christocentric theology of the Greek Fathers is profoundly relevant for contemporary Trinitarian theology Explorations in Analytic Ecclesiology Joshua Cockayne,2022-09-08 Explorations in Analytic Ecclesiology proposes an account of the nature and practice of the Church that draws from work in contemporary analytic social metaphysics social epistemology and social ethics In the first book length study of ecclesiology in analytic theology Joshua Cockayne offers a vision of the Church according to which the Church is united as the body of Christ through the work of the Holy Spirit despite the apparent diversity of the Church in its gathered particular forms This account of the oneness of the Church in and through the work of the persons of the Trinity is then applied to explore the nature of baptism the eucharist and liturgy **Christ Crucified in a Suffering World** Nathan D. Hieb,2013-09-01 What is the connection between Christian doctrine and concrete social action This question marks the often unarticulated divide between systematic theology and liberation theology each often emphasizing one primarily or formally over the other Examining the work of Karl Barth T F Torrance and Jon Sobrino here Nathan Hieb contests this bifurcation specifically around the nodal points of the crucifixion or the doctrine of atonement and the context of suffering This book is an innovative study that bridges the boundaries of method doctrine and praxis creating a strong theological and action

oriented relationship between systematic and liberation theology *We Believe* Alexander Irving, 2021-09-16 The Nicene Constantinopolitan Creed of ad 381 was a key statement in the context of the theological controversies and confessional atmosphere of the fourth century church Alexander Irving explores Christian belief about God creation and redemption as it is expressed in the Creed He thereby contributes to the continuing task of the church's self examination of its talk about God Irving shows the importance of tradition and the intrinsic relationship between thought in the church today and thought in the church across time He sets the Creed in its historical and theological contexts and connects its theology to some areas of contemporary theological inquiry The Creed sets out the basic parameters of Christian belief While the specifics of what is believed within those parameters are not determined there is an internal logic to the Creed's presentation of the Christian faith The contrast between God's internal and external relations is the theological motif that gives particular shape to the Creed which expresses an expansive vision of the generosity of God with his relation to creation grounded in his being as love

The Anointed Church Gregory J. Liston, 2015-09-01 Over recent decades Spirit Christology has utilized a pneumatological perspective to gain significant insight into the person and life of Christ The Anointed Church extends this work providing the first constructive and systematic ecclesiology developed through the approach of a Third Article Theology Arguing that the Spirit's immanent identity is reprised on a series of expanding stages Christologically soteriologically and most pertinently here ecclesologically Liston concludes the Church can be characterized as existing in any and all relationships where by the Spirit the love of Christ is offered and returned **Thomas F. Torrance and the Church Fathers** Jason Robert Radcliff, 2015-04-30 In this volume Jason Radcliff examines T F Torrance's reading of the church fathers Radcliff explores how Torrance reconstructs the patristic tradition producing a Reformed evangelical and ecumenical version of the Consensus Patrum Consensus of the Fathers This book investigates how Torrance uniquely understands the Fathers and the Reformers to be mutually informing and how as such his approach involves significant changes to both standard readings of the Fathers and Torrance's own Reformed evangelical tradition Torrance's approach is distinctive in its Christocentric rootedness in the primary theme of the Nicene homoousion of one essence with the Father and its champion Athanasius of Alexandria The book explores Torrance's inherently broad ecclesiology and constructive achievements both of which contribute to his ongoing ecumenical relevance Historical Dictionary of the Reformed Churches Robert Benedetto, Donald K. McKim, 2023-10-15 As its name implies the Reformed tradition grew out of the 16th century Protestant Reformation The Reformed churches consider themselves to be the Catholic Church reformed The movement originated in the reform efforts of Huldrych Zwingli 1484 1531 of Zurich and John Calvin 1509 1564 of Geneva Although the Reformed movement was dependent upon many Protestant leaders it was Calvin's tireless work as a writer preacher teacher and social and ecclesiastical reformer that provided a substantial body of literature and an ethos from which the Reformed tradition grew Today the Reformed churches are a multicultural multiethnic and multinational phenomenon Historical Dictionary of the Reformed Churches Third Edition

contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on leaders personalities events facts movements and beliefs of the Reformed churches This book is an excellent resource for students researchers and anyone wanting to know more about reformed churches T&T Clark Handbook of Thomas F. Torrance Paul D. Molnar, Myk Habets, 2020-02-20 This handbook explores Thomas F Torrance s importance in modern theology with each contribution bringing Torrance s deep and nuanced insights to a broad range of contemporary theological concerns The contributors to this volume present cutting edge Torrance scholarship for a new generation which will enable readers to see the timely significance of Torrance for today Comprising both contexts and dogmatics these essays not only introduce key themes in Torrance s extensive published writings including his work on the Trinity ecumenism incarnation atonement and eschatology but also provide fresh interpretations fully conversant with theological problems facing the church in the world today Designed as both a guide for students and a reference point for scholars this handbook thoroughly explores the frameworks of key debates related to Torrance s theology while also suggesting fresh interpretative strategies concerning his thought

The Priesthood of All Believers and the Missio Dei Henry Joseph Voss, 2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer s eschatological temple service and offering of spiritual sacrifices chapters 1 3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4 6 and a suppression of the doctrine s missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord s Supper as the renewal of the royal priesthood

The Ascension of Christ Patrick Schreiner, 2020-07-29 It s essential to the Gospel but we rarely talk about it The good news of Jesus includes his life death resurrection and future return but what about his ascension Though often neglected or misunderstood the ascension is integral to the gospel In *The Ascension of Christ* Patrick Schreiner argues that Jesus work would be incomplete without his ascent to God s right hand Not only a key moment in the Gospel story Jesus ascension was necessary for his present ministry in and through the church Schreiner argues that Jesus residence in heaven marks a turning point in his three fold offices of prophet priest and king As prophet Jesus builds the church and its witness As priest he intercedes before the Father As king he rules over all A full appreciation of the ascension is essential for understanding the Bible Christian doctrine and Christ s

ongoing work in the world **T. F. Torrance's Christological Anthropology** Christopher G. Woznicki, 2022-06-01 This book demonstrates the promise of Christology for developing Scottish theologian T F Torrance's theological anthropology T F Torrance's Christological Anthropology Discerning Humanity in Christ engages with several key themes in Torrance's theological anthropology and considers how each one of these topics anthropological method the metaphysics of human nature the imago Dei personhood vocation human destiny can be further developed in light of Christ Christopher Woznicki argues that Christology not only holds promise for the task of developing Torrance's insights on humanity but also for developing a constructive account of humanity The volume is valuable reading for scholars of T F Torrance's theology and for those who are interested in the role of Christology in theological anthropology **Atonement** Thomas F.
