Rubian Literature And Psychoanalysis

Shlomith Rimmon-Kenan

Rubian Literature And Psychoanalysis:

Literature in Psychoanalysis Steven Vine, 2017-09-16 This collection of psychoanalytic readings of literary texts and literary readings of psychoanalytic texts has been carefully designed to work as an effective teaching text for introducing students to the complexities of psychoanalytic theory in practice The texts selected are widely studied and map the development of the field from Freud up to the most contemporary work *Psychoanalysis and Literary Theory* Mathew R. Martin, 2022-08-30 Psychoanalysis and Literary Theory introduces the key concepts figures and movements of both psychoanalytic theory and the history of literary criticism and theory engaging with Freud Zizek Plato posthumanism and beyond Divided into two parts concepts and movements the structure of the book is clear and accessible Each chapter builds upon the one before allowing the reader to progress from little or no background in psychoanalysis philosophy or literary theory to the ability to engage actively with the relatively sophisticated ideas presented in later sections of the work Mathew R Martin consistently directs attention to the task of interpreting texts by illustrating abstract theoretical points with literary texts and at apposite moments provides brief readings of selected texts This book will be essential reading for academics and students of psychoanalytic studies literary criticism and literary theory **Discourse in Psychoanalysis and Literature (Routledge Revivals)** Shlomith Rimmon-Kenan, 2014-11-13 The essays in this collection first published in 1987 represent a collective attempt to listen with the third ear to the underhand ways the unspoken has of speaking and to speak of these ways By focusing on discourse the volume is distinguished from traditional literature by its emphasis on rhetorical structures and textual strategies and the investment of these structures with desire power and other aspects of subjectivity rather than the personality of the artist or the creative process However in this book the human dimension is not lost By claiming that the structures in question are not merely linguistic semiotic or narratological although they are all of these the human dimension is returned not in the raw as in traditional approaches but through the traces it leaves in the text as activated by its reading This book is ideal for students of literature and psychoanalytical theory **Gender and Modernity in Spanish Literature** Elizabeth Smith Rousselle, 2014-10-02 Using each chapter to juxtapose works by one female and one male Spanish writer Gender and Modernity in Spanish Literature 1789 1920 explores the concept of Spanish modernity Issues explored include the changing roles of women the male hysteric and the mother and Don Juan figure **The Cambridge Introduction to Literature and Psychoanalysis** Jean-Michel Rabaté, 2014-09-22 This volume is an introduction to the relationship between psychoanalysis and literature Jean Michel Rabat takes Sigmund Freud as his point of departure studying in detail Freud's integration of literature in the training of psychoanalysts and how literature provided crucial terms for his myriad theories such as the Oedipus complex Rabat subsequently surveys other theoreticians such as Wilfred Bion Marie Bonaparte Carl Jung Jacques Lacan and Slavoj i ek This Introduction is organized thematically examining in detail important terms like deferred action fantasy hysteria paranoia sublimation the uncanny trauma and perversion Using

examples from Miguel de Cervantes and William Shakespeare to Sophie Calle and Yann Martel Rabat demonstrates that the psychoanalytic approach to literature despite its erstwhile controversy has recently reemerged as a dynamic method of interpretation Literature, Psychoanalysis and the New Sciences of Mind Leonard Jackson, 2014-09-11 At a time when psychoanalysis is attacked by biologists psychologists and literary critics alike this book offers a radical defence Literature Psychoanalysis and the New Sciences of Mind gives a clear introduction to the theories of Freud and Jung the strange linguistic rewriting of Freud by Jacques Lacan It explores the extraordinary variety of ways in which these writings have been applied to literature and literary theory But for the first time they are put in the context of recent biological theories of mind and sexuality **Psychoanalytic Criticism** Sue Vice, 1995-12-11 This book is an important analysis of the significant impact of psychoanalytic theory on literature in the post Freudian era Unamuno , Necropolitics Christophe D. Ringer, 2020-11-17 Necropolitics The Religious Crisis of Mass Incarceration in America explores the pernicious and persistent presence of mass incarceration in American public life Christophe D Ringer argues that mass incarceration persists largely because the othering and criminalization of Black people in times of crisis is a significant part of the religious meaning of America This book traces representations from the Puritan era to the beginning of the War on Drugs in the 1980s to demonstrate their centrality in this issue revealing how these images have become accepted as fact and used by various aspects of governance to wield the power to punish indiscriminately Ringer demonstrates how these vilifying images contribute to racism and political economy creating a politics of death that uses jails and prisons to conceal social inequalities and political exclusion **A Concise Companion to Psychoanalysis, Literature, and Culture** Laura Marcus, Ankhi Mukherjee, 2014-03-31 This concise companion explores the history of psychoanalytic theory and its impact on contemporary literary criticism by tracing its movement across disciplinary and cultural boundaries Contains original essays by leading scholars using a wide range of cultural and historical approaches Discusses key concepts in psychoanalysis such as the role of dreaming psychosexuality the unconscious and the figure of the double while considering questions of gender race asylum and international law queer theory time and memory Spans the fields of psychoanalysis literature cultural theory feminist and gender studies translation studies and film Provides a timely and pertinent assessment of current psychoanalytic methods while also sketching out future directions for theory and interpretation *Psychoanalytic Literary Criticism* Maud Ellmann, 2014-11-10 This collection of stimulating essays provides students of literary critical theory with an introduction to Freudian methods of interpretation and shows how those methods have been transformed by recent developments in French psychoanalysis influenced by Jacques Lacan Concepts and methods are defined by tracing the role played by the drama of Oedipus in the development of psychoanalytic theory and criticism The essays cover a wide generic scope and are divided into three parts drama narrative and poetry Each is accompanied by explanatory headnotes giving clear definitions of complex terms *A Psychoanalysis for Our Time* Jeffrey Rubin, 1998-11 As a psychoanalyst and psychotherapist Rubin

argues that psychoanalysis is in need of revision in order to remain relevant today because its interest in both decoding and concealing the truth is simultaneously its strength and weakness Rubin attempts a middle course between blind acceptance and premature dismissal Although parts one and two focus on the history institutions and theory of psychoanalysis the remainder constitutes a non traditional and self consciously experimental approach wherein the author reflects on his own work his theoretical omissions and the unsolved problems in his discourse Annotation copyrighted by Book News Inc Portland OR

Unamuno José Rubia Barcia, M. A. Zeitlin, 1967 Thirteen essays concerning the Spanish author and his works concentrating on *Mist Niebla* Tragic sense of life and Three exemplary novels

Developmental Relations among Mind, Brain and Education Michel Ferrari, Ljiljana Vuletic, 2010-06-09 Robert S Siegler Robbie Case A Modern Classic About 15 years ago Robbie asked me what I thought of a talk we had just heard I indicated that I hadn't much liked it and noted several serious problems Robbie agreed with all of the criticisms but said that he nonetheless liked the talk because there was one good idea in it that he could use I agreed with him that the idea was a good one but it took me a while to understand the wisdom of his position If there's one useful idea in a talk then hearing it has been worthwhile even if the talk also has numerous deficiencies On that day and on many others talking with Robbie changed my thinking for the better Robbie Case was in many ways a classic developmental psychologist of the old school The depth and breadth of his theory the range of age groups populations and topics that he studied and his efforts to connect theory and application are all reminiscent of the greats of the past Baldwin Dewey Piaget Vygotsky and Bruner

[The Bloomsbury Handbook to Literature and Psychoanalysis](#) Jeremy Tambling, 2023-03-09 Providing the most comprehensive examination of the two way traffic between literature and psychoanalysis to date this handbook looks at how each defines the other as well as addressing the key thinkers in psychoanalytic theory Freud Klein Lacan and the schools of thought each of these has generated It examines the debts that these psychoanalytic traditions have to literature and offers plentiful case studies of literature's influence from psychoanalysis Engaging with critical issues such as madness memory and colonialism with reference to texts from authors as diverse as Shakespeare Goethe and Virginia Woolf this collection is admirably broad in its scope and wide ranging in its geographical coverage It thinks about the impact of psychoanalysis in a wide variety of literatures as well as in film and critical and cultural theory

Psychoanalysis and Love André Tridon, 2022-07-21 In *Psychoanalysis and Love* Andr Tridon delves into the enigmatic domain of human affection exploring its intricate psychological underpinnings through the lens of early psychoanalytic theory The book interweaves psychoanalytic concepts with the universally relatable theme of love showcasing a literary style that merges clinical analysis with engaging narrative Tridon's work navigates the reader through an exploration of the emotional mechanisms of love positioning itself within the literary context of early 20th century psychological treatises a period marked by burgeoning interest in the workings of the human psyche and the influence of pioneers such as Freud and Jung Andr Tridon a herald of psychoanalytic thought brought to his writing a profound interest in

the psychological processes governing human experiences His book reflects an endeavour to bridge the gap between academic psychoanalytic discourse and the layperson's quest for understanding the complexities of love Tridon's own intellectual journey richly informed by the psychoanalytic milieu of his time inspired him to demystify the psychological intricacies of the heart thereby contributing to the broader cultural dialogue surrounding the enigma of romantic attachment Recommended for both scholars of psychoanalytic theory and lay readers intrigued by the psychology of love Psychoanalysis and Love remains a seminal work surpassing its centennial mark This volume is an essential read for those seeking to comprehend the depths of love's psyche and its expression in human relationships Tridon's pioneering text offers timeless insights making it as relevant today as it was a hundred years ago a testament to the enduring quest to decode the riddle of love

Literature and psychoanalysis, 1977 *Freud's Rome* Ellen Oliensis, 2009-10-22 Introduction psychoanalysis and Latin poetry Two poets mourning Murdering mothers Variations on a phallic theme Afterword Freud's Rome The Other Scene Stephen M. Hart, 1992 *Alegorías de la voluntad* Francisco La Rubia Prado, 1996
