

Scotlands Castles

Janet Brennan-Inglis

Scotlands Castles:

Scotland's Castles Janet Brennan-Inglis, 2014-07-07 Scotland's Castles is a beautifully illustrated celebration and account of the renaissance of Scottish castles that has taken place since 1950 Over 100 ruined and derelict buildings from tiny towers to rambling baronial mansions have been restored as homes hotels and holiday lets These restorations have mainly been carried out by new owners without any connections to the land or the family history of the buildings which they bought as ruins Their struggles and triumphs including interviews and first person accounts form the core of the book set in the context of the enormous social political and economic changes of the late twentieth century **Scotland's Castles** C. J.

Tabraham, 1997 Scotland's castles are the most frequented of all its ancient monuments Chris Tabraham describes the history and the architecture of these ancient buildings and the contribution archaeology has made to our current understanding of them *Scottish Castles: Scotland's most dramatic castles and strongholds (Collins Little Books)* Chris Tabraham, 2017-09-07 A handy guide to nearly 140 of Scotland's most dramatic castles and strongholds all of which are open to the public Optimised for colour tablets The images in this ebook are not suitable for viewing on black and white e ink devices *Scottish Castles* Adrian Pettifer, 2024-10 Gazetteer of over 500 hundred surviving Scottish Castles Discover the castles of Scotland from early motte and bailey earthworks and impressive walled enclosures to the many tower houses that dot the landscape Castles were built in increasing numbers from the 14th to the 17th century as residences for the Scottish nobility Some are still proudly occupied others are well maintained ruins many others slowly decay in fields and farmyards Here Adrian Pettifer provides a brief account of every Scottish castle to survive in a reasonable state of preservation including such iconic sites as Edinburgh Glamis and Cawdor Each of the more than five hundred main entries provides a brief history and description of a castle followed by advice on accessibility sources for further reading and cross references to related sites An introduction supplies the historical background while a glossary covers all aspects of Scottish castles in some detail Ordnance Survey references are given in the index **Scottish Baronial Castles 1250-1450** Michael

Brown, 2012-11-20 Devastated by the civil wars of the 17th century or by the neglect of their owners the majority of Scottish baronial castles built between 1250 and 1450 survive as little more than skeletal ruins These reminders of Scotland's past have captured the imaginations of romantics artists writers and tourists since the late 18th century Often set in spectacular surroundings on cliff tops islands and gorges their ruined grandeur evokes a medieval world of sieges banquets and murders and provides a rare physical link with the Anglo Scottish wars of Robert the Bruce and William Wallace **Scotland's Castles** Hubert Fenwick, 1976 [Lordship and Architecture in Medieval and Renaissance Scotland](#) Richard D.

Oram, Geoffrey Stell, 2001-01-01 These essays constitute the first radical reassessment since the nineteenth century of the role of architecture as an expression of lordship and status among Scottish secular and ecclesiastical elites in the period c 1124 c 1650 These studies of the architectural patronage of particular families or groups explore how the nobility operated

socially and economically as well as politically in the organisation and structure of lordship throughout the medieval and renaissance periods The contributors draw on the traditions and strengths of Scottish genealogical archaeological and art historical enquiry to illustrate key themes which include family or kindred styles in building on a local regional or national level builders or patrons motives the scale and use of the buildings and ascertainable changes in function purpose and attitude *Fodor's Scotland* Michael Gonzalez, Shona Main, 2010 Includes information on hotels inns and castles restaurants drives and walks exploring abbeys and castles fishing and golf and provides essays on Scotland's history literature and clans

Scotland's Castles and Great Houses Magnus Magnusson, 1981 Text and photographs trace the history of 14 Scottish castles and describe architectural features and furnishings **Military History of Scotland** Spiers Edward M. Spiers, 2014-07-11 The Scottish soldier has been at war for over 2000 years Until now no reference work has attempted to examine this vast heritage of warfare A Military History of Scotland offers readers an unparalleled insight into the evolution of the Scottish military tradition This wide ranging and extensively illustrated volume traces the military history of Scotland from pre history to the recent conflict in Afghanistan Edited by three leading military historians and featuring contributions from thirty scholars it explores the role of warfare in the emergence of a Scottish kingdom the forging of a Scottish British military identity and the participation of Scots in Britain's imperial and world wars Eschewing a narrow definition of military history it investigates the cultural and physical dimensions of Scotland's military past such as Scottish military dress and music the role of the Scottish soldier in art and literature Scotland's fortifications and battlefield archaeology and Scotland's military memorials and museum collections **Moon Scotland** Sally Coffey, 2022-07-05 Dramatic landscapes hauntingly beautiful ruins and stirring myths and legends See for yourself why this evocative country has inspired art and folklore for centuries with Moon Scotland Inside you'll find Flexible itineraries including a journey through the Highlands and Islands day by day itineraries in Glasgow and Edinburgh a tour of Scotland's six World Heritage Sites and more Strategic advice whether you're looking to castle hop trace your ancestry go cliff diving or stroll through misty villages Must see highlights and unique experiences Walk along Edinburgh's historic Royal Mile or climb the Arthur's Seat peak Explore Neolithic burial chambers and rugged archipelagos in the north follow the Malt Whisky Trail in Speyside or hop on the West Highland Railway one of the world's most beautiful train rides Catch a traditional music performance in Glasgow or chat with locals at a corner pub over folk music and a pint Hike through wild moors and pine forests to deserted villages on Skye play one of the oldest golf courses in the world or take a seaplane over Loch Lomond for dramatic views of the Highlands Honest tips from Scotland expert Sally Coffey Full color photos and detailed maps throughout Background information on Scotland's landscape history and cultural customs Helpful resources on Covid 19 and traveling to Scotland In depth coverage of Edinburgh Glasgow Southern Central and Northeast Scotland Loch Lomond Inverness Orkney Shetland the Central Highlands and the Isle of Skye and the Outer Hebrides Handy tools such as visa information a Scottish phrasebook and tips

The Rotarian ,1997-02 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine

Kingship of the Scots, 842-1292 A A M Duncan,2016-08-30 First published in 2002 and here introduced by Dauvit Broun as a core text in Scottish medieval history this classic work is considered one of the most invaluable critiques of kingship in Scotland during the nation s foundations In the early years of the period a custom of succession within one royal lineage allowed the Gaelic kingdom to grow in authority and extent The Norman Conquest of England altered the balance of power between the north and south and the relationship between the two kingdoms which had never been easy became unstable When Scotland became kingless in 1286 Edward I exploited the succession debate between Balliol and Bruce and set claim to overlordship of Scotland until Bruce s coronation fixed the right of succession by law for Scottish kingship In a meticulous account of this period Professor Duncan disentangles the power struggles during the Great Cause between the Balliols and the Bruces and of the actions

motives and decisive interventions of Edward I The Kingship of the Scots is historical scholarship at its best thoughtful challenging incisive and readable **The Pictorial Directory of Scotland's Castles** Stephen Hay, 2022-01-05 The Pictorial Directory of Scotland's Castles is a unique publication Over a three year period I have compiled a list of over 1000 Scottish castles I decided some time ago that I would attempt something which to the best of my knowledge had never been done before I was going to attempt to visit every Scottish castle which still had visible remains above ground find as many as I could photograph each one and list it with a brief history of each castle I have included hand painted coats of arms of the clan chiefs and nobility who owned them and the clan crests On each castle page I have also given detailed directions on how to find each castle complete with a What3words location some tips on accessibility facilities nearby points of interest examples of clan tartans plant badges and much more
