Modern Scots Robert McColl Millar, 2018-03-07 Your user friendly study and revision guide to Scots criminal law written specially for students by a law lecturer with over 20 years of teaching experience The Concise English Dictionary Arthur Lawrence Hayward, John J. Sparkes, 1984 Unlocking Scots Clive Young, 2023-06-14 The Scots language is the hidden treasure of Scottish culture For many of us it is still how we speak to each other how we express our feelings our humour even our Scottishness It not only connects us to our communities at an emotional level but also links us to our past Scots was created by millions of voices coming together to share words phrases and jokes to understand act on and often laugh at the world around them Aye but what exactly is Scots anyway Usually spoken in a mix with Scottish English at least nowadays is it really a language at all Was it ever And what about its future Dr Clive Young embarks on a quest to learn about the secret life of the language he spoke as a bairn Along the way he encounters centuries of intense argument on the very nature of Scots from the first dictionaries through MacDiarmid The Broons Trainspotting and on to present day Twitter rammies And of course endless stushies about how to spell it Some still dismiss Scots as just a dialect slang or bad English Behind this everyday disdain Dr Young uncovers a troubling history of official neglect and marginalisation of our unique minority language offset only by a defiant and inspiring linguistic loyalty A refreshing counterbalance to the usual gloomy prognosis of Scots supposedly inevitable demise Dr Young sketches out a practical roadmap to revitalise Scotland's beleaguered tongue and simple ways we can all keep it hale an hearty for future generations Acause if you dinna dae it wha wull **An**

Introduction to Braid Scots Robert B. Waltz, Just about what it says in the title A vocabulary of Braid Scots particularly as found in Scottish folk songs It also contains a brief history of the language with some representative samples of the Scottish language over time showing how it evolved The project began when quite by accident I found myself with three copies of a particular book of Scottish folk songs Even if I needed one spare copy I certainly didn't need two So I gave one away to a young folk musician who couldn't understand it So I set out to make a glossary And having made it I realized that it might be

of use to others It certainly isn't intended as a true anthology of Scottish vernacular literature Nor is it the best Scottish dictionary available But it is free and it has a particular emphasis on folk songs that isn't found elsewhere and might make it more useful in that special context

The Concise English-Scots Dictionary Iseabail Macleod, Pauline Cairns, 1993 A unique dictionary with 15 000 English Scots entries

Guaraní Concise Dictionary A.
