Scottish Nationality

F. Bechhofer, D. McCrone

Scottish Nationality:

Scottish Nationality Murray Pittock, 2017-04-26 The changes begun by the devolution referendum of 1997 have caused interest and concern throughout Britain What seemed a remote and abstract question to many has in the last few years struck at the heart of the issue of what Britain is and it is increasingly clear that things will never be the same again Scottish Nationality is written with these changes in mind It is the only book available which both gives an overview of what made Scotland a nation across the whole of its history while also focusing in closely on the issues of the present day in particular Scotland's relationship with Britain Murray Pittock discusses historic Scottish nationality modern nationalism and patriotism within the Union What is a nation How has Scotland developed within Britain Where does it stand now And what does the future hold These questions are all addressed and Pittock also deals in detail with the essential facts of Scotland's story not a story which can be understood in isolation Scottish Nationality examines Scotland's relationship with both England and the wider world in order to put Scotland in context within the new British history and the new Britain itself As for the future the book avoids unverifiable predictions instead showing evidence of various trends and suggesting the importance of arguments for mutual understanding of Scotland's and England's national traditions

Scottish Ethnicity and the Making of New Zealand Society, 1850-1930 Tanja Bueltmann, 2011-07-07 The Scots accounted for around a quarter of all UK born immigrants to New Zealand between 1861 and 1945 but have only been accorded scant attention in New Zealand histories specialist immigration histories and Scottish Diaspora Studies This is peculiar because the flow of Scots to New Zealand although relatively unimportant to Scotland constituted a sizable element to the country's much smaller population Seen as adaptable integrating relatively more quickly than other ethnic migrant groups in New Zealand the Scots presence was obscured by a fixation on the romanticised shortbread tin facade of Scottish identity overseas Uncovering Scottish ethnicity from the verges of nostalgia this study documents the notable imprint Scots left on New Zealand It examines Scottish immigrant community life culture and identity between 1850 and 1930

Scottish History J. D. Mackie, 2013-08-22 The National Book League was a precursor to the current Booktrust and was set up in 1924 by the Society of Bookmen in order to promote reading particularly among the young To that end the NBL issued Reader's Guides on a variety of subjects each written by an author with expertise in that field and containing an annotated bibliography of recommended titles on the subject J D Mackie had a distinguished career as a historian of Scotland and was appointed Historiographer Royal for Scotland in 1957 the year after this guide was published This guide includes an introduction defending Scottish history as a subject independent from general British history and a bibliography divided by period and by specific points of interest including Scottish art and the role played by Scots in the development of the British Empire

de si cle Scotland evident in the work of a number of writers and artists including Robert Louis Stevenson Patrick Geddes Charles Rennie Mackintosh Mona Caird John Duncan and various contributors to The Evergreen The Oxford Handbook of Modern Scottish History T. M. Devine, Jenny Wormald, 2012-01-26 Over the last three decades major advances in research and scholarship have transformed understanding of the Scottish past In this landmark study some of the most eminent writers on the subject together with emerging new talents have combined to produce a large scale volume which reconsiders in fresh and illuminating ways the classic themes of the nation s history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Such major themes as the Reformation the Union of 1707 the Scottish Enlightenment clearances industrialisation empire emigration and the Great War are approached from novel and fascinating perspectives but so too are such issues as the Scottish environment myth family criminality the literary tradition and Scotland s contemporary history All chapters contain expert syntheses of current knowledge but their authors also stand back and reflect critically on the questions which still remain unanswered the issues which generate dispute and controversy and sketch out where appropriate the agenda for future research The Handbook also places the Scottish experience firmly into an international historical perspective with a considerable focus on the age old emigration of the Scottish people the impact of successive waves of immigrants to Scotland and the nation s key role within the British Empire The overall result is a vibrant and stimulating review of modern Scottish history essential reading for students and scholars alike

Remembering the Past in Nineteenth-Century Scotland James Coleman, 2014-07-16 At a time when the Union between Scotland and England is once again under the spotlight Remembering the Past in Nineteenth Century Scotland examines the way in which Scotland s national heroes were once remembered as champions of both Scottish and British patriotism Whereas current popular orthodoxy claims that 19th century Scotland was a mire of sentimental Jacobitism and kow towing unionism this book shows that Scotland s national heroes embodied a consistent expressive and robust view of Scottish nationality From the potent legacy of William Wallace and Robert the Bruce through the controversial figure of the reformer John Knox to the largely neglected religious radicals the Covenanters these heroes once played a vital role in the formation of the virtues that made 19th century Britain great Examined through the prism of commemoration this book uncovers a reading of Scotland s past entirely opposed to the now dominant narratives of medieval proto nationalism and Calvinist misery **Scottish History and Literature to the Period of the Reformation** John Merry Ross, 1884 The Mark of the Scots Duncan A. Bruce, 1998 Celebrates the accomplishments of Scots and people of Scottish descent from Immanuel Kant to Elvis Presley **National Identity, Nationalism and Constitutional Change** F. Bechhofer, D. McCrone, 2009-07-08 What does it mean to say you re English Scottish British Does it matter much to people Has devolution and constitutional change made a difference to national identity Does the future of the UK depend on whether or not people think they are British Social and political scientists answer these questions vital to the future of the British state

If you ally dependence such a referred **Scottish Nationality** books that will give you worth, get the unquestionably best seller from us currently from several preferred authors. If you want to comical books, lots of novels, tale, jokes, and more fictions collections are as well as launched, from best seller to one of the most current released.
