Scottish Spectres:

Scottish Spectres Dane Love,2003-01 Here is a ghoulish collection of over two hundred hauntings from the length and breadth of Scotland Whilst castles old inns and pubs are the usual residences of spirits there are sightings of specters at some rather more unusual locations even toilets There is the ghostly presence of a surgeon who haunts the hospital where he once worked the disruptive poltergeist at a supermarket the restaurant which echoes to the sounds of long forgotten children and a prison frequented by the spirit of a hanged man who suffered a most gruesome death and much much more *Scenes and Legends of the North of Scotland* Hugh Miller,1831 **Scenes and Legends of the North of Scotland, Or The Traditional History of Cromarty** Hugh Miller,1835 Scottish Ghost Stories James Robertson,2013-06-06 Inheriting the tradition of Hugh Miller the nineteenth century folklorist and stonemason whose own haunted life is the subject of the opening chapter James Robertson has where possible researched the original or oldest written source and visited the site of each story to compile the most comprehensive and authoritative collection of the Scottish supernatural Some of the stories gathered here are deservedly famous such as those associated with Glamis Castle or the tale of Major Weir while others The Deil of Littledean and The Drummer of Cortachy are less familiar or even contemporary accounts related to the author personally but all are equally intriguing and fascinating reflections of the culture and period to which they belong Neither a wary sceptic nor a fanatical believer but an advocate of the validity of individual experience of the strange and unexplainable James Robertson s *Scottish Ghost Stories* is an imaginative and chilling recasting of an established Scottish ghost hunting and story telling tradition a homage to the particular mystery and character of a land which continues to produce ghosts whether from den to glen Highlands to Lowlands Catholic to Protestant **Scenes and Legends of the North of Scotland; or, the traditional history of Cromarty ...
