The Scottsdale Prophecies Doug Brendel,2003-09 What are the chances that your future could be accurately predicted in a book or that you were destined to read this book at exactly this point in your life or that God loved you so much that he made sure you would find just what you needed just when you needed it and it turns out he planted it in your path 20 centuries ago Teaching pastor Doug Brendel offers Scripture based predictions for your personal life as he walks through the apostle Paul s first epistle to Timothy This study probes our everyday choices in a fresh new way How do I sort out clashing priorities How has my thinking been branded How do I choose the worthwhile battles When do I cut off an argument Am I overdoing it in some areas of my life Who are my leaders and why am I following them And more God, Trump, and the 2020 Election Stephen E. Strang,2020-01-14 From the best selling author of God and Donald Trump which was brandished by the president at the World Economic Forum in Davos What s at stake in this election EVERYTHING In 2016 God raised up Donald Trump to lead America at a pivotal time Evangelicals who recognized this backed him more than any other presidential candidate in history Heading into 2020 the stakes in his reelection are even higher This election nine months after this book releases is a new fight for the soul of America Stephen E Strang makes the case that God wants America to be great because God has raised up America beginning with our Founding Fathers to be a beacon of light and hope for the world We ve been the nation with religious liberty that has supported those who have spread the gospel around the world In this book Strang looks at the election Trump and America from a spiritual perspective and helps Christians and others see God s hand at work This book is as much about God and His purposes as about Donald Trump But it is also an articulate impassioned apologetic about why all Christians must support this imperfect president because he has God s blessing and because the destiny of America is riding on his reelection This book also explores why he might lose if his base is overconfident and doesn t vote or if his opponents are dishonest enough to steal the election God Trump and the 2020 Election is an inside look at how the political climate is affected by spiritual warfare an important subject for Bible believing Christians The satanic schemes are so brazen on key issues that the book was written to explain what s at stake Strang believes that the intersection of faith and politics needs to be part of the national discussion about the division in our country Other Books By Stephen E Strang God and Donald Trump 2017 ISBN 13 978 1629994864 Trump Aftershock 2018 ISBN 13 978 1629995557 **Prophecy and Power: Jeremiah in Feminist and Postcolonial Perspective** Christl M. Maier,Carolyn J. Sharp,2014-03-27 This volume advances the scholarly discussion of Jeremiah via rigorous feminist and postcolonialist theorizing of texts and interpretive issues in that prophetic book The essays here by seasoned scholars of Jeremiah offer significant traction on the biblical book s construction of the persona of Jeremiah and the subjectivity of Judah as subaltern analysis of gendered imagery for the speaking subject in Jeremiah and for the Judean social body exploration of rhetorics of imperialism and resistance and theological implications of feminist critical perspectives on YHWH and other

deities represented in Jeremiah Essays here deftly synthesize historical literary and ideological critical insights in service of nuanced inquiry into Jeremiah as complex cultural production The collection represents the growing edge of recent critical thinking on Jeremiah in the United States Europe and elsewhere It should prove invaluable in shaping the parameters of the continuing scholarly conversation on the Book of Jeremiah [Spirit-Led Living in an Upside-Down World](#) Stephen E Strang,2023 There s only one power big enough to help us survive perilous times After reading this book you will have the confidence to walk in the victory Christ died for and begin living exceedingly and abundantly beyond anything you ever could have hoped for or imagined There is a power so great it can help you not only survive but thrive in this crazy world a power that can give you joy and peace result in miracles and make you victorious no matter what It s a power that comes from the third member of the Godhead the Holy Spirit It s the power that took the teachings of a young carpenter from Galilee and turned upside down the most ruthless empire of its era overcoming the paganism that went with it It s a power that seemed dormant for almost two millennia but has been restored to the church as was told in the Bible And it s available today to help you understand the future have faith to believe for miracles and know unspeakable peace and happiness no matter your circumstances Spirit Led Living in an Upside Down World takes you on a journey to help you understand how you can experience this power and know the Holy Spirit intimately After covering the work of the Holy Spirit for more than four decades as a journalist Stephen E Strang helps readers understand that power is there for the asking even if others misuse or ignore it It s there to give you victory over the forces of evil help you stand strong when the culture wants you to compromise and give you the tools to prosper in body soul and spirit When he was a young newspaper reporter Strang experienced this power in a way exceedingly abundantly above all he could have asked or thought Eph 3 20 and you will too This power will open your spiritual eyes to help you hear from God deepen your prayer life and explain the groanings that cannot be uttered Sharing stories from his own experience and from dozens of modern heroes of the faith Strang will uplift you and inspire you to connect with God in new fresh ways be a powerful influence on your family friends and community deepen your faith so you can move mountains learn to be led by the Spirit to uncover your heart s deepest desires and overcome challenges and fulfill your dreams and purpose in life Spirit Led Living in an Upside Down World is not only one of the most important books you ll ever read but also one of the most profound It will reveal the most stunning secrets and truths behind this power the power of God that is at work regardless of how upside down the world seems to get

**Prophecies of the End-Times** ,1992-05 *Prophecy and Reason* Andrew Cooper Fix,2014-07-14 During the second half of the seventeenth century the entire intellectual framework of educated Europe underwent a radical transformation A secularized view of humanity and nature was replacing faith in the direct operation of God s will in the temporal world while a growing confidence in human reason and the Scientific Revolution turned back the epistemological skepticism spawned by the Reformation By focusing on the Dutch Collegiants a radical Protestant group that flourished in Holland from 1620 to

1690 Andrew Fix explicates the mechanisms at work in this crucial intellectual transition from traditional to modern European worldview Starting from Rijnsburg near Leiden the Collegiants spread over the course of the century to every major Dutch city At the same time their thinking evolved from a millenarian spiritualism influenced heavily by the sixteenth century Radical Reformation to a philosophical rationalism similar to the ideas of Spinoza Fix has taken on an important topic in the history of ideas the circumstances under which natural reason came to be accepted as an autonomous source of truth for the individual conscience He also has fresh and concrete things to say about the relationship between religion and science in early modern European history Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Thru the Bible Vol. 60: The Prophecy (Revelation 14-22)* J. Vernon McGee, 1995-03-03 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it s available as a complete 60 volume series in Old Testament or New Testament sets or individually [Reckless Christianity](#) Holly Pivec, R. Douglas Geivett, 2025-01-01 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God s activity others see the integration of controversial and hazardous practices into the church In [Reckless Christianity](#) Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its charismatic senior leader Bill Johnson as promoting a reckless Christianity Pivec and Geivett return to Scripture the authoritative Word of God to provide guidance on the boundaries of practice and where these boundaries are crossed In its pursuit of experimentation [Reckless Christianity](#) argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience driven Faith

**Terrible Revolution** Christopher James Blythe, 2020-06-17 The relationship between early Mormons and the United States was marked by anxiety and hostility heightened over the course of the nineteenth century by the assassination of Mormon leaders the Saints exile from Missouri and Illinois the military occupation of the Utah territory and the national

crusade against those who practiced plural marriage Nineteenth century Latter day Saints looked forward to apocalyptic events that would unseat corrupt governments across the globe particularly the tyrannical government of the United States The infamous White Horse Prophecy referred to this coming American apocalypse as a terrible revolution EL in the land of America such as has never been seen before for the land will be literally left without a supreme government Mormons envisioned divine deliverance by way of plagues natural disasters foreign invasions American Indian raids slave uprisings or civil war unleashed on American cities and American people For the Saints these violent images promised a national rebirth that would vouchsafe the protections of the United States Constitution and end their oppression In *Terrible Revolution* Christopher James Blythe examines apocalypticism across the history of the Church of Jesus Christ of Latter day Saints particularly as it took shape in the writings and visions of the laity The responses of the church hierarchy to apocalyptic lay prophecies promoted their own form of separatist nationalism during the nineteenth century Yet after Utah obtained statehood as the church sought to assimilate to national religious norms these same leaders sought to lessen the tensions between themselves and American political and cultural powers As a result visions of a violent end to the nation became a liability to disavow and regulate Ultimately Blythe argues that the visionary world of early Mormonism with its apocalyptic emphases continued in the church s mainstream culture in modified forms but continued to maintain separatist radical forms at the level of folk belief
