Scotty Philip The Man Who Saved The Buffalo:

Scotty Philip, the Man who Saved the Buffalo Wayne C. Lee, 1975 James Scotty Philip was born in 1858 in Dallas Morayshire Scotland He emigrated in 1874 and settled first in Kansas and later in South Dakota He married Sarah Larabee in 1879

Homesteading Haxtun and the High Plains Jean Gray, 2013-06-11 Very little has been written about the real northeastern plains of Colorado the small communities that dot its open sky filled mountainless landscape Haxtun began as two separate homesteads proved up by Alice Strohm and Kate Fletcher Edwards who sold their land to the Lincoln Land Company in 1887 which led to the founding of the town The area was generally viewed as useless land in those early days but was promoted as being full of opportunity neglecting mention of a proclivity toward drought hailstorms and blizzards and the gamble of the land The High Plains survived though Its settlers proving to be hardy and industrious faced the challenges head on Today Haxtun and the surrounding communities of Fairfield Dailey Fleming and Paoli are filled with the descendants of those early settlers people with a strong sense of community and pride in their little High Plains towns

Ghost Dances Josh Garrett-Davis, 2012-08-21 Growing up in South Dakota Josh Garrett Davis knew he would leave But as a young adult he kept going back in dreams and reality and by way of books With this beautifully written narrative about a seemingly empty but actually rich and complex place he has reclaimed his childhood his unusual family and the Great Plains Among the subjects and people that bring his Midwestern Plains to life are the destruction and resurgence of the American bison Native American Ghost Dancers who attempted to ward off destruction by supernatural means the political allegory to be found in The Wonderful Wizard of Oz and current attempts by ecologists to rewild the Plains complete with cheetahs Garrett Davis infuses the narrative with stories of his family as well including his great great grandparents twenty year sojourn in Nebraska as homesteaders and his progressive Methodist cousin Ruth a missionary in China ousted by Mao s revolution

Ghost Dances is a fluid combination of memoir and history and reportage that reminds us our roots matter

Bad Men and Bad Towns Wayne C. Lee, 1993 Distributed by the University of Nebraska Press for Caxton Press Wayne C Lee chronicles the violent history of the Nebraska Territory The state s history is full of stories about violent feuds between settlers and landowners native peoples and soldiers con artists and bandits Many of these stories end abruptly at the end of a vigilante rope

Cowboy Life George Philip, 2013-04 Rattlesnakes and ornery horses the dreaded Texas Itch midnight rambles in graveyards trips to Mexico and hard riding on the last open range George Philip recounts all these adventures and more with wit and humour George Phillip arrived in South Dakota from Scotland in 1899 For the next four years he rode as a cowboy for his uncle s L 7 cattle outfit during the heyday of the last open range But the cowboy era was a brief one and in 1903 Philip turned in his string of horses and hung up his saddle to enter law school in Michigan In these candid letters Philip provides fascinating insights into the development of the West and of South Dakota His writing details the cowboy s day to day work from branding and roping to navigating across the plains by stars and buttes as the great open ranges slowly closed

up American Carnage Jerome A. Greene,2014-04-11 As the year 1890 wound to a close a band of more than three hundred Lakota Sioux Indians led by Chief Big Foot made their way toward South Dakota's Pine Ridge Reservation to join other Lakotas seeking peace Fearing that Big Foot's band was headed instead to join hostile Lakotas U S troops surrounded the group on Wounded Knee Creek Tensions mounted and on the morning of December 29 as the Lakotas prepared to give up their arms disaster struck Accounts vary on what triggered the violence as Indians and soldiers unleashed thunderous gunfire at each other but the consequences were horrific some 200 innocent Lakota men women and children were slaughtered American Carnage the first comprehensive account of Wounded Knee to appear in more than fifty years explores the complex events preceding the tragedy the killings and their troubled legacy In this gripping tale Jerome A Greene renowned specialist on the Indian wars explores why the bloody engagement happened and demonstrates how it became a brutal massacre Drawing on a wealth of sources including previously unknown testimonies Greene examines the events from both Native and non Native perspectives explaining the significance of treaties white settlement political disputes and the Ghost Dance as influential factors in what eventually took place He addresses controversial questions Was the action premeditated Was the Seventh Cavalry motivated by revenge after its humiliating defeat at the Battle of the Little Bighorn Should soldiers have received Medals of Honor He also recounts the futile efforts of Lakota survivors and their descendants to gain recognition for their terrible losses Epic in scope and poignant in its recounting of human suffering American Carnage presents the reality and denial of our nation's last frontier massacre It will leave an indelible mark on our understanding of American history South Dakota's Cowboy Governor Tom Berry Paul S. Higbee,2017-07-10 As South Dakotans endured the Great Depression and developing Dust Bowl in 1932 they elected a cowboy as their governor Tom Berry rode in the great iconic 1902 cattle roundup ordered by President Theodore Roosevelt He established the successful Double X ranch next to the Badlands Big voiced and tireless Berry commanded the attention of all including President Franklin Roosevelt who broke protocol and called him Tom or Cowboy in White House meetings Berry faced bitter political rivalries and weather that threatened to blow South Dakotans off their land but he is remembered for his humorous wit throughout Author Paul S Higbee traces the history of South Dakota and its iconic governor **South Dakota's Cowboy Governor Tom Berry: Leadership During the Depression** Paul S. Higbee,2017 As South Dakotans endured the Great Depression and developing Dust Bowl in 1932 they elected a cowboy as their governor Tom Berry rode in the great iconic 1902 cattle roundup ordered by President Theodore Roosevelt He established the successful Double X ranch next to the Badlands Big voiced and tireless Berry commanded the attention of all including President Franklin Roosevelt who broke protocol and called him Tom or Cowboy in White House meetings Berry faced bitter political rivalries and weather that threatened to blow South Dakotans off their land but he is remembered for his humorous wit throughout Author Paul S Higbee traces the history of South Dakota and its iconic governor **Buffalo Nation** Valerius Geist,1996 Photographs and

text trace the cultural and natural history of the North American bison looking at how the U S government practically eliminated the buffalo in the mid 1880s in an attempt to force Native Americans onto reservations and discussing later conservation efforts Provided by publisher

Pierre and Fort Pierre Jan Cerney,2006-04-26 From prairie to rivers edge the Pierre and Fort Pierre area resounds with historical adventure Visited in 1743 by French explorer the Verendrye brothers and by Lewis and Clark in 1804 Fort Pierre was established as a significant fur trading post in 1817 and served briefly as a military fort in 1855 The decaying port settlement was revived during the Black Hills gold rush of 1875 outfitting bull trains For over a decade it bustled with freighting activity and stagecoach travel on the Fort Pierre Deadwood gold trail When the Chicago Northwestern Railroad reached the Missouri River in 1880 Fort Pierres sister city Pierre emerged as an important river town During the days of the open range Fort Pierre served as a holding place for the millions of cattle to be ferried across the Missouri to the trains at Pierre In 1889 Pierre was named capital of the state and became the political heart of South Dakota When nearby reservations opened for settlement the cattle range began to fill with settlers changing the scene once again In these pages a pictorial history unfolds the drama of men and women who lived out their dreams near the Missouri

Planet Savers Kevin Desmond,2017-09-08 Protecting the planet is everyone s work But we all have our own heroes in whatever area we are working Planet Savers brings together the varied stories of the hundreds of movers and shakers that have spoken up throughout history and taken action to defend the world from pollution deforestation species loss and climate change From Theodore Roosevelt to Al Gore from Francis of Assisi to David Attenborough and from hundreds more men and women that you will know little if anything about Scientists artists business people priests lawyers poets politicians activists and more from every continent of the world Their work has enthused us about the natural world and warned us that we must do much more to preserve it The Indian woman who became the world s first environmental martyr the Baptist Reverend who asked What Would Jesus Drive the Quaker big game hunter who set up the first conservation organisation the Shakespearian actor who revolutionised organic gardening and the housewife whose campaign against toxic waste forced a President to act The book is a cornucopia of people who from time immemorial have put their careers reputations and lives on the line to protect our planet from its governing inhabitants the human race Today as thousands of species of animals and plants are faced with extinction thousands of years of indigenous knowledge is lost in the face of technological advance and we become more and more aware of the potential doomsday scenario of a warming world we need Planet Savers more than ever Our inspiration can be the 301 environmental lives portrayed in this book These people cared enough to do something about it Planet Savers is both a tribute and a catalyst a tribute to the people that loved the planet enough to want to act to save it and a catalyst for the people who will be inspired to act after reading it New Planet Savers are at work right now in rainforests and megacities in community centres and boardrooms at road protests and in courtrooms all over the world If this book has one great aim it is to inspire you the reader to join them It is a book that

every home should own **It May Be Forever** David M. Quinn,2005-10-03 It May Be Forever is a nineteenth century tale of adventure and tragedy based upon the real life story of Michael Quinn To escape the grinding poverty of Irelands Great Famine Michael and his family flee to England where at age eight Michael becomes a child laborer in a textile mill As he grows older and more aware of British prejudice and discrimination he is motivated to enlist with the Fenian rebels a group determined to free Ireland from British colonial rule Chronic unemployment however drives him to America and defeat on the battlefield lands him on the untamed plains of the Wild West Faced with unaccustomed opportunity Michael quickly abandons the fight against oppression and turns away from family and friends Dreams of achieving a great fortune lead him to support the dispossession of Native Americans of their lands and livelihood But after the massacre at Wounded Knee demons of conscience rise up in terrible nightmares and only a Lakota holy man offers the hope of redemption It May Be Forever is a cautionary tale which shows how the many small decisions of life can create the most unintended consequences and how easily a man of strong convictions may become that which he hates Visit David Quinns website www.davidquinnbooks.com

Blood Memory Dayton Duncan,Ken Burns,2023-10-10 The epic story of the buffalo in America from prehistoric times to today a moving and beautifully illustrated work of natural history inspired by the PBS series American Buffalo The American buffalo our nation s official mammal is an improbable shaggy beast that has found itself at the center of many of our most mythic and sometimes heartbreaking tales The largest land animals in the Western Hemisphere they are survivors of a mass extinction that erased ancient species that were even larger For nearly 10 000 years they evolved alongside Native people who weaved them into every aspect of daily life relied on them for food clothing and shelter and revered them as equals Newcomers to the continent found the buffalo fascinating at first but in time they came to consider them a hindrance to a young nation s expansion And in the space of only a decade they were slaughtered by the millions for their hides with their carcasses left to rot on the prairies Then teetering on the brink of disappearing from the face of the earth they would be rescued by a motley collection of Americans each of them driven by different and sometimes competing impulses This is the rich and complicated story of a young republic s heedless rush to conquer a continent but also of the dawn of the conservation era a story of America at its very best and worst **The Writers**

Forgotten Lives Betti Carol VanEpps-Taylor,2008 Throughout South Dakota s history African Americans have been vastly outnumbered by their white and American Indian neighbors Underreported as well they have been misrepresented by historians journalists even census takers However from the first African Americans to visit the Northern Great Plains as fur traders in the early 1800s to twentieth century voting rights advocates or professionals recruited after World War II African Americans have pioneered here They have participated in the state s successes and failures and contributed to its rich history In *Forgotten Lives* Betti VanEpps Taylor teases these South Dakotans stories out of newspaper accounts census records early social histories and oral histories Her insights into the lives and communities of this small but vital minority span two centuries and focus on the well known as well as the local Prominent figures such as York who accompanied Lewis and Clark on their expedition and Oscar Micheaux the acclaimed filmmaker fit neatly into the timeline alongside less famous laborers river men soldiers seamstresses business owners miners lawyers homesteaders midwives doctors and town leaders Their stories offer much to twenty first century Americans still struggling to come to grips with their racial history

Pierre and Fort Pierre Janice Brozik Cerney,2006 From prairie to river s edge the Pierre and Fort Pierre area resounds with historical adventure Visited in 1743 by French explorers the Verendrye brothers and by Lewis and Clark in 1804 Fort Pierre was established as a significant fur trading post in 1817 and served briefly as a military fort in 1855 The decaying port settlement was revived during the Black Hills gold rush of 1875 outfitting bull trains For over a decade it bustled with freighting activity and stagecoach travel on the Fort Pierre Deadwood gold trail When the Chicago Northwestern Railroad reached the Missouri River in 1880 Fort Pierre s sister city Pierre emerged as an important river town During the days of the open range Fort

Pierre served as a holding place for the millions of cattle to be ferried across the Missouri to the trains at Pierre In 1889 Pierre was named capital of the state and became the political heart of South Dakota When nearby reservations opened for settlement the cattle range began to fill with settlers changing the scene once again In these pages a pictorial history unfolds the drama of men and women who lived out their dreams near the Missouri
