A Wiccan Bible A.J. Drew, 2025-09-12 If there is one quote from this book which deserves to be emblazoned on the opening pages of your Book of Shadows above the door of your house or temple and in every mind it is this Wicca is not a place to go it is a journey to take. Spiral Nature For thousands of years we have been told that God was a man. Then someone reminded us of when God was a woman. Now we have a reference for the sensible folk who have always felt that it takes two. If you have ever thought there was more to religion than ancient rituals performed for reasons unknown this book will show you exactly what you have been looking for. If you have already come to the realization that Wicca is the religion for you this book will help fill those many blanks that have been left by other books. Author A J Drew makes no attempt to dictate religious dogma or routine. He is quick to point out that the title does not start with the word the. He illustrates the many issues a person's religion should address and shows how he has been able to find answers to those issues through the practice of a modern religion that was based on some of the oldest principles of the ancient world. A Wiccan Bible takes you through the journey of life in three stages: Maiden and Master, Creation, Wiccaning and Self dedication. Mother and Father, Initiation, Handfasting, Handparting and the Wheel of the Year, Crone and Sage, Community, the world and death. Mythology and science converge as the author details a life's journey into a religion with both old world ritual and new world science fusing both into a creation myth which satisfies not only mind but soul as well. A Wiccan Bible not only shows a religious path filled with joy but one that offers the ability to accept and manage sorrow. It is filled with ritual and with the reasons why ritual is fulfilling, rewarding and a necessary part of everyday life. As A J addresses each issue he demonstrates not only how he found the solutions in Wicca and the many ways in which science and magick have helped him to do so. A Wiccan Bible also contains select recipes that the author has collected including mixtures for incense, oils and baths.

Seeds of Poetic Healing Sanders, Isis Imani, 2011-08-22 Isis Imani Sanders is a very interesting and diversified personality with a smile that's electric. She believes in herself and others and always has an abundance of spiritually optimistic words that she is willing to share. As she says, I was born in a place of Weeping Willows and Sweet Magnolia Trees. The place of my birth is known as the southern region of this great country. It is a place of history, culture and friendly welcoming faces. Many who visit have been there twice and plan to go there again. It can be fascinating or unbelievable and yet it will always claim an overwhelming part of my soul for it is there that I took in my first breath of life outside of my mother's womb. And it is there that I spent many warm summer nights singing songs of praises on the front porch in mamas
