Screen World 1997:

Video and DVD Industries Paul McDonald, 2019-07-25 When the videocassette recorder was launched on the consumer market in the mid 1970s it transformed home entertainment Bringing together complementary but also competing interests from the consumer electronics industry and the film television and other copyright industries video created a new sector of media business Two decades later DVD reinvented video media for the digital age DVD provided consumers with an innovative form of entertainment technology and almost instantaneously became the catalyst for a huge boom in the video market Although the VCR and DVD created major markets for video hardware and software the video business has been continually shaped by industry conflicts and tensions Repeatedly the video market has become divided when faced with the introduction of competing formats Easy reproduction of films and other works on cassette or disc made video software a lucrative market for the copyright industries but also intensified struggles to combat the effects of commercial piracy Video and DVD Industries examines the business of video entertainment and provides the first study looking at DVD from an industrial perspective Detailing divisions in the video business the book outlines industry battles over incompatible formats from the Betamax VHS war to competing laserdisc systems alternatives such as video compact disc or Digital Video Express and the introduction of HDDVD and Blu ray high definition systems Chapters also look at the formation of international markets in the globalization of video media the contradictory responses of the Hollywood studios to video and DVD and the legal and technological measures taken to control industrialized video piracy **Screen Digest**, 1999 **Lee Marvin** Robert J. Lentz, 2006-01-30 Lee Marvin did not receive his first starring film role until he was 40 but in three short years following the successes of Cat Ballou for which he won the Academy Award as Best Actor The Professionals and especially The Dirty Dozen he was the most popular film actor in America Marvin was a fascinating man a loving husband and father and one of the most natural effective actors of his time This is a comprehensive reference of the Oscar winning actor's work It includes biographical information on Marvin an analysis of each of his 64 movies chapters on his two television shows M Squad and Lawbreaker a listing of his television appearances and a complete filmography which includes video availability The work is supplemented with dozens of photographs and film stills **Screen World, 1997**, 1998 **Global Transformations** David Held, 1999 In this book the authors set forth a new model of globalization that lays claims to supersede existing models and then use this model to assess the way the processes of globalization have operated in different historic periods in respect to political organization military globalization trade finance corporate productivity migration culture and the environment Each of these topics is covered in a chapter which contrasts the contemporary nature of globalization with that of earlier epochs In mapping the shape and political consequences of globalization the authors concentrate on six states in advanced capitalist societies SIACS the United States the United Kingdom Sweden France Germany and Japan For comparative purposes other states particularly those with developing economics are referred to and

discussed where relevant The book concludes by systematically describing and assessing contemporary globalization and appraising the implications of globalization for the sovereignty and autonomy of SIACS It also confronts directly the political fatalism that surrounds much discussion of globalization with a normative agenda that elaborates the possibilities for democratizing and civilizing the unfolding global transformation **User Interfaces for All** Constantine

Europe's Digital Revolution David Levy,2003-09-02 Europe s Digital Revolution assesses the impact of digital broadcasting on regulatory practices in Europe The current roles and responsibilities of nation states and the EU will have to respond to rapid technological and market developments Levy considers how these responsibilities are likely to be divided in the future and which are the emerging issues and problems

Channel 4 and the British Film Industry, 1982-1998 Laura Mayne,2024-04-30 This monograph offers the first ever comprehensive study of Channel 4 s film production distribution and broadcasting activities and represents a significant contribution to British cinema and television history The importance of Channel 4 to the British film industry over the last 40 years cannot be overstated The birth of the Channel in 1982 heralded a convergence between the UK film and television sectors which was particularly notable given that the two industries had historically been at loggerheads In addition to its role as a broadcaster and curator of feature film programming since its inception Channel 4 has funded or co funded hundreds of feature films through its film commissioning arm Film4 The Channel s commitment to financing between 15 20 films per year helped form the backbone of the ailing film sector throughout the 1980s and early 1990s while Film4 funding has also been instrumental to the success of many companies which have become vital to the British film industry

Uncoding the Digital D. Savat,2012-11-27 Digital media are having an enormous impact on the world From the seemingly mundane like playing World of Warcraft to posting a message on Twitter or Facebook to the operation of financial markets to transformations in science and the economy digital media continue to revolutionize how people live their daily life This book challenges how we understand our relationship with our digital machines and shows how they open up a new capacity for action in the world A capacity for action that we should no longer simply think of in terms of movement and force but also in terms of flow and viscosity A capacity for action that produces a politics of fluids and finds its expression not only in new forms of social control but also in a renewed ability for people to engage with the world and each other

Organizational and Social Perspectives on Information Technology Richard Baskerville, Jan Stage, Janice I. DeGross, 2013-03-14 The articles in this book constitute the proceedings papers from the IFIP WG 8.2 Working Conference IS2000 The Social and Organizational Perspective on Research and Practice in Information Technology held June 10-12 2000 in Aalborg Denmark The focus of the conference and therefore this book is on the basic aim of the working group namely the investigation of the interrelationships among four major components information

systems IS information technology IT organizations and society This basic social and organizational perspective on research and practice in information technology may have evolved substantially since the founding of the group for example increasing the emphasis on IS development The plan for the conference was partially rooted in the early WG 8 2 traditions in which working conferences were substantially composed of invited papers For IS2000 roughly half of the paper presentations were planned to be invited the remaining half were planned to be double blind refereed in response to a Call For Papers Invited papers were single blind reviewed in order to provide the authors with pre publication feedback and comments along with the opportunity to revise their papers prior to its final incorporation in this book

The Queer Coming of Age Film

Genre Brad Windhauser, 2024-10-15 In *The Queer Coming of Age Film Genre* Brad Windhauser argues for the existence of this genre and using a genre and queer theory lens investigates how the initial classic cluster of this genre's films represent the unique issues experienced by queer people including trans non binary and intersex individuals coming of age in society in the mid to late 90s As society evolved the book posits so too did the ways in which these films explored additional factors influencing the queer coming of age experience such as race and economic status in the genre's second stage Windhauser explores how this genre depicts the way queer people often engage with the coming of age process earlier than their cis het peers due to their queer identity but also how this process can extend beyond adolescence into emerging adulthood and adulthood itself Ultimately the book demonstrates how these films have become a tool to both further political goals of queer advocacy and acceptance and to offer guidance to queer people looking to gain a deeper understanding of their own lives and experiences Scholars of film studies genre studies pop culture and queer studies will find this book of particular interest

How Hysterical E. Runions, 2003-08-01 *How Hysterical* reads scenes from the films *Light It Up* *Three Kings* *Remember the Titans* *Paris is Burning* *Boys Don't Cry* and *Magnolia* alongside biblical texts from Numbers Exodus Isaiah Micah Ezekiel and Revelation An innovation in studies on Bible and film *How Hysterical* is less centred on direct citation of the Bible in film than on analyses of hypostasized biblical influence in culture Here through accessible engagement with feminist queer post colonial and ideological critical theories Runions discusses the processes by which biblical and filmic texts can both bolster and disrupt identifications with the norms that drive politics and culture
