The Sound of Music Story Tom Santopietro, 2015-02-17 Fans of The Sound of Music will find plenty to please them in this history of the sweeping musical Kirkus Reviews On March 2 1965 The Sound of Music was released in the United States and the love affair between moviegoers and the classic Rodgers and Hammerstein musical began Rarely has a film captured the love and imagination of the moviegoing public the way The Sound of Music did as it blended history music stunning Austrian locations heartfelt emotion and the yodeling of Julie Andrews into a monster hit Now Tom Santopietro has written the ultimate book for fans with behind the scenes stories of the filming new interviews with Johannes von Trapp and others photographs and more He looks back at the real life story of Maria von Trapp goes on to chronicle the sensational success of the Broadway musical and recounts the near cancellation of the film when Cleopatra bankrupted 20th Century Fox He reveals the actors who were also considered for the roles of Maria and Captain von Trapp and provides a historian's critical analysis of the careers of director Robert Wise and screenwriter Ernest Lehman He also takes a look at the critical controversy that greeted the movie its relationship to the turbulent 1960s and the superstardom that engulfed Julie Andrews The Sound of Music Story is for everyone who cherishes this American classic **Ernest Lehman** Jon Krampner, 2022-09-27

A Hollywood screenwriting and movie making icon Ernest Lehman penned some of the most memorable scenes to ever grace the silver screen Hailed by Vanity Fair as perhaps the greatest screenwriter in history Lehman's work on films such as North by Northwest The King and I Sabrina West Side Story and The Sound of Music helped define a generation of movie making But while his talent took center stage the public knew little of Lehman himself a native of Manhattan's Upper West Side and the Five Towns of Long Island devoted to his wife of 50 years His relentless perfectionism hypochondria and all night writing sessions fueled by tequila and grilled cheese sandwiches were some of the quirks that made Lehman a legend in the Hollywood community In Ernest Lehman The Sweet Smell of Success author Jon Krampner lays bare the life of this lauded yet elusive character Moving seamlessly from post production meetings to sound stages and onto the locations of Lehman's greatest films Krampner's extensive biography brings to life the genius and singularity of the revered screenwriter's personality and the contributions he made to the world of cinema Find out more at ernestlehmanbio.com **Nixon at the Movies** Mark Feeney, 2012-10-22 People will be arguing over Nixon at the Movies as much as for more than half a century the country at large has been arguing about Nixon Greil Marcus Richard Nixon and the film industry arrived in Southern California in the same year 1913 and they shared a long and complex history The president screened Patton multiple times

before and during the invasion of Cambodia for example In this unique blend of political biography cultural history and film criticism Mark Feeney recounts in detail Nixon s enthusiastic viewing habits during his presidency and takes a new and often revelatory approach to Nixon s career and Hollywood s seeing aspects of Nixon s character and the nation s refracted and reimagined in film Nixon at the Movies is a virtuosic examination of a man a culture and a country in a time of tumult Slate By Feeney s count Nixon an unabashed film buff watched more than 500 movies during the 67 months of his presidency all carefully listed in an appendix titled What the President Saw and When He Saw It Nixon concentrated intently on whatever was on the screen he refused to leave even if the picture was a dud and everyone around him was restless He was omnivorous would watch anything though he did have his preferences Only rarely did he watch R rated or foreign films He liked happy endings Movies were obviously a means of escape for him and as the Watergate noose tightened he spent ever more time in the screening room The New York Times **The Publishers Weekly** ,1909 **Subject Catalog, 1982** Library of Congress,1982 Bibliographic Guide to Theatre Arts New York Public Library.
