Lester L. Grabbe

Scribes And Schools The Canonization Of The Hebrew Scriptures:

Scribes and Schools Philip R. Davies, 1998-01-01 Scribes and Schools is an examination of the processes which led to the canonization of the Hebrew Bible Philip Davies sheds light on the social reasons for the development of the canon and in so doing presents a clear picture of how the Bible came into being Volumes in the Library of Ancient Israel draw on multiple disciplines such as archaeology anthropology sociology linguistics and literary criticism to illuminate the everyday realities and social subtleties these ancient cultures experienced This series employs sophisticated methods resulting in original contributions that depict the reality of the people behind the Hebrew Bible and interprets these insights for a wide variety of readers

Scribal Culture and Intertextuality JiSeong James Kwon, 2016-05-12 JiSeong James Kwon discusses similar linguistic expressions and themes between Job and Deutero Isaiah and attempts to find out a common historical background He argues that both Job and Deutero Isaiah significantly reflect common scribal ideas although each text belongs to wisdom and prophetic genre From the back of the book [“See and Read All These Words”](#) Chad L. Eggleston, 2016-02-08 Unusually for the Hebrew Bible the book of Jeremiah contains a high number of references to writers writing and the written word The book which was primarily written during the exilic period demonstrates a key moment in the ongoing integration of writing and the written word into ancient Israelite society Yet the book does not describe writing in the abstract Instead it provides an account of its own textualization thereby blurring the lines between the texts in the narrative and the texts that constitute the book Scrolls in Jeremiah become inextricably intertwined with the scroll of Jeremiah To authenticate the book of Jeremiah as the word of YHWH its tradents present a theological account of the chain of transmission from the divine to the prophet and then to the scribe and the written page Indeed the book of Jeremiah extends the chain of transmission beyond the written word to include the book of Jeremiah itself and finally a receiving audience To make the case for this chain of transmission See and Read s three exegetical chapters attend to writers YHWH prophets and scribes the written word and the receiving audience The first exegetical chapter describes the standard chain of transmission from the divine to the prophet to the scribe demonstrating that all three agents in this chain are imagined as writers and that writing was increasingly understood as a suitable conduit for the divine word The second exegetical chapter attends to the written word in Jeremiah especially Jeremiah s self references e g in this book all these words as a pivotal element in the extension of the chain of transmission beyond the words in the text to the words of the text Finally the third exegetical chapter considers the construction of the audience in the book of Jeremiah concluding that the written word as Jeremiah imagines it is to be received by a worshiping audience through public reading but delivered via textual intermediaries

Memory in a Time of Prose Daniel D. Pioske, 2018-08-15 Memory in a Time of Prose investigates a deceptively straightforward question what did the biblical scribes know about a past that consumed so many of their writings This book compares biblical references to an early Iron Age world ca 1175 830 BCE with a wide range of archaeological and historical evidence from the era in which

these stories are set in order to reveal how the past was preserved transformed or forgotten within biblical storytelling

Did Moses Speak Attic? Lester L. Grabbe, 2001-03-01 Is the Bible a Hellenistic book The essays in this volume respond to that challenging question formulated by Niels Peter Lemche and offer everything from qualified agreement to vociferous opposition In so doing they debate and illuminate the many features of Jewish writing in the Second Temple period including not only the scriptures themselves and their own history but the non canonized literature of the late Second Temple period As with all the volumes in this pioneering series the editor Lester Grabbe introduces and reflects upon the discussion and its implications for one of the most controversial topics in current biblical studies **The Word Fulfilled** Michael W.

Pahl, 2024-11-19 What does it mean to follow Jesus in the way we read Scripture As Christians we want to follow Jesus in his teachings and way of life which were significantly shaped by his reading of the Jewish Scriptures By exploring how Jesus engaged the Scriptures we can better understand how we should read our Bibles today thereby following Jesus in the way we study our foundational text The Word Fulfilled offers in depth explorations of how Jesus discussed seven important passages in his life and ministry Through scholarship scriptural engagement and imaginative storytelling author and pastor Michael W Pahl illuminates what Scripture looked and sounded like in Jesus context For anyone who desires to follow Jesus more deeply Pahl helps us step back into the world of early Judaism and into synagogues family kitchens and other first century settings as we encounter afresh the Word of God *Jerusalem in Bible and Archaeology* Andrew G. Vaughn, Ann E. Killebrew, 2003

What are archaeologists and biblical scholars saying about Jerusalem This volume includes the most up to date cross disciplinary assessment of Biblical Jerusalem ca 2000 586 B C E that represents the views of biblical historians archaeologists Assyriologists and Egyptologists The archaeological articles both summarize and critique previous theories as well as present previously unpublished archaeological data regarding the highly contested interpretations of First Temple Period Jerusalem The interpretative essays ask the question Can there be any dialogue between archaeologists and biblical scholars in the absence of consensus The essays give a clear yes to this question and provide suggestions for how archaeology and biblical studies can and should be in conversation This book will appeal to advanced scholars nonspecialists in biblical studies and lay audiences who are interested in the most recent theories on Jerusalem The volume will be especially useful as a supplemental textbook for graduate and undergraduate courses on biblical history *The Wiley*

Blackwell Companion to Ancient Israel Susan Niditch, 2016-01-26 The Companion to Ancient Israel offers an innovative overview of ancient Israelite culture and history richly informed by a variety of approaches and fields Distinguished scholars provide original contributions that explore the tradition in all its complexity multiplicity and diversity A methodologically sophisticated overview of ancient Israelite culture that provides insights into political and social history culture and methodology Explores what we can say about the cultures and history of the people of Israel and Judah but also investigates how we know what we know Presents fresh insights richly informed by a variety of approaches and fields Delves into religion

as lived an approach that asks about the everyday lives of ordinary people and the material cultures that they construct and experience Each essay is an original contribution to the subject *Writing on the Tablet of the Heart Origins of Scripture and Literature* David M. Carr, 2005-03-10 This book explores a new model for the production revision and reception of Biblical texts as Scripture Building on recent studies of the oral written interface in medieval Greco Roman and ancient Near Eastern contexts David Carr argues that in ancient Israel Biblical texts and other texts emerged as a support for an educational process in which written and oral dimensions were integrally intertwined The point was not incising and reading texts on parchment or papyrus The point was to enculturate ancient Israelites particularly Israelite elites by training them to memorize and recite a wide range of traditional literature that was seen as the cultural bedrock of the people narrative prophecy prayer and wisdom **The Control of Biblical Meaning** George Aichele, 2001-02-01 This provocative book pursues a series of questions associated with canons of the Bible Aichele draws deeply on the insights of poststructuralist literary theory as he pursues these questions He also engages in close readings of specific biblical and nonbiblical texts to demonstrate ways that canon controls the meanings of its texts

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, Explore **Scribes And Schools The Canonization Of The Hebrew Scriptures** .
