Hurlbut's Story of the Bible Jesse Lyman Hurlbut, 1904

Women and the Authority of Scripture Sarah Heaner Lancaster, 2002-09-01 The theological impact of accepting the absolute authority of biblical scripture is enormous especially for women who attend and serve churches But until now few books have been willing to address this issue head on Sarah Lancaster looks at the way women in the church have dealt with the question of scriptural authority and how they can address it in the future Some women she says accept the authority of the Bible without question and stay in church without change of attitude or action Others deny that the Bible has any authority completely leaving Christianity in the belief that the Bible and Christian tradition are irredeemably patriarchal Still others recognize that while scripture is largely patriarchal it is authoritative for

their life of faith The Bible possesses a narrative coherence its story resonating in our own lives For women the Bible can continue to ring true to their experience letting them acknowledge scripture s authority in spite of its problems The Bible is not about patriarchy it is about how God is present to us and interacts with us in order to bring us to fullness of life Lancaster says that women can criticize those things in scripture that help maintain a patriarchal world without invalidating scripture s authority Scripture she argues informs forms and transforms With its combination of narrative and feminist theology Women and the Authority of Scripture brings a powerful new perspective to the doctrine of biblical authority in the contemporary world Sarah Heaner Lancaster is Associate Professor of Theology Methodist Theological School in Delaware Ohio She is an ordained elder in the North Texas Conference of the United Methodist Church She lives in Westerville Ohio [The Whole Story of the Bible in 16 Verses](#) Chris Bruno,2015-02-17 The Bible contains a sweeping story but it s all too easy to lose sight of the forest for the trees Whether it s the dimensions of Noah s ark or the regulations for sacrifices in the temple sometimes we miss the big picture when sifting through all the important details contained in Scripture Helping readers discover the overarching narrative that binds the Bible together this book highlights 16 key verses that stand as turning points in the biblical story line enabling us to see God s incredible plan to redeem his people from Genesis to Revelation Whether it s the creation of humanity the establishment of the covenants or the coming of the Messiah this book will help Christians see how God s Word tells a single story about his sovereignty glory and grace *The Unfinished Drama of Scripture* , **The Bible: A Story that Makes Sense of Life** Andrew Ollerton,2020-10-29 Honest revealing insight into the bestselling book of all time Bear Grylls A stimulating and accessible survey of history s most influential book Tom Holland historian and author of Dominion Personal and profound informative and practical If you want to experience the Bible as a rich source of guidance and hope this book is for you Simon Thomas former Sky Sports and Blue Peter presenter When we make sense of the Bible the Bible makes sense of us The political social and cultural upheaval of our times can leave us feeling bewildered and wondering where to turn for trustworthy guidance As unlikely as it may seem could the Bible provide ancient wisdom that helps us flourish today Join Andrew Ollerton as he explores the storyline of Scripture connecting six major biblical events with six definitive human needs for meaning freedom peace community love and for an ultimate home In short digestible chapters Andrew reveals how the Bible story makes sense of our human story Discover for yourself a limitless source of guidance and hope in the face of so much uncertainty Underpinned by a depth of scholarship the book is non technical in style making it accessible for the widest possible readership including Christians and seekers interested in the Bible The book will also provide a model for Bible communicators and church leaders wishing to engage more deeply with the relevance of the Bible in our cultural moment Contains discussion questions for small groups as well as suggested Bible readings and reflection questions to accompany each chapter The structure of the book makes it ideal for a home group study This book was chosen for the National Big Church Read in January 2022 **Scripture-Based Retreats for Teens Ages**

Scripture Based Retreats is a collection of six retreats for middle school and high school young people written by six different authors from the field including Lisa Marie Calderone, Stewart Marni Geissler, Ron Jacobson, Christina Semmel, Victoria Shepp, Ralph Stewart, and Erica Weber. The retreat themes are as follows: The Lectionary and the Liturgical Year, How Catholics Read Scripture, Angels Among Us, Scripture Storytelling, What's This Book All About? Exploring the Bible, What Does That Mean? A Look into the Parables of Jesus, The Book of Jonah. **The Art of Reading Scripture** Ellen F. Davis, Richard B.

Hays, 2003-10-02 The difficulty of interpreting the Bible is felt all over today. Is the Bible still authoritative for the faith and practice of the church? If so, in what way? What practices of reading offer the most appropriate approach to understanding Scripture? The church's lack of clarity about these issues has hindered its witness and mission, causing it to speak with an uncertain voice to the challenges of our time. This important book is for a twenty-first century church that seems to have lost the art of reading the Bible attentively and imaginatively. The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the church's rich heritage of biblical interpretation in a dramatically changed cultural environment. Asking how best to read the Bible in a postmodern context, the contributors together affirm up front Nine Theses that provide substantial guidance for the church. The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses. Lucidly conceived, carefully written, and shimmering with fresh insights, The Art of Reading Scripture proposes a far-reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible. Contributors: Gary A. Anderson, Richard Bauckham, Brian E. Daley, Ellen F. Davis, Richard B. Hays, James C. Howell, Robert W. Jenson, William Stacy Johnson, L. Gregory Jones, Christine McSpadden, R. Woodroof, 2020-11-11 What's our story? What's this life all about? Over the past five years I've been compiling text and audio clips of the Old and New Testament scriptures, trying to weave together a solid overview of the great themes and consistent threads of the Bible. This narrative, Our Story, is the result. I've tried to select clips of scripture; the scripture clips are taken from the English Standard Version of the Bible that will give an honest searcher a good and condensed overview of this eternal redemptive story. At the heart of the story is Jesus the Messiah. We cannot prove beyond doubt much of anything in life; life is just not like that. Every approach to life requires a faith of some kind. When I look at the magnificence of the creation around me, the wonder of the subatomic world, the intricacy of a newborn, the beauty of oceans and mountains, the vastness of the universe, I cannot believe that it all just happened through chance and time. Some very intelligent people do believe it all just happened, but this also demands faith on their part. There is so much design and order and complexity and purpose in what I see that it forces me to believe that it all was created, not by an incomprehensible energy source.

randomness and time but by a Creator and for a purpose So what I m searching to know is Who is this Creator and For what purpose did He create all this and place us here The Bible gives me a picture of this it was written over a period of some 1 500 years by over 40 different authors from all walks of life shepherds farmers tent makers physicians fishermen priests philosophers and kings Despite this diversity the Bible tells a remarkably consistent and compelling story what philosophers call a meta narrative that reveals the Creator s reason for doing all this The Bible tells of a great redemptive story God created this universe and created us for His eternal purposes This life is full of sign posts that point us home to Him and events designed to bring us to an end of ourselves God offered us an intimate relationship with Him if we would keep covenant with Him and choose to walk in His ways and obey His commandments Time and time again God would covenant with man Adam Noah and Abraham Moses and man would decide to break covenant with God and to go it alone to call his own shots to be his own god Then God through Jacob made a nation of Israel to play out His redemptive story before the nations Calling Moses God redeemed Israel from captivity in Egypt through the Red Sea gave them His law picturing what being in relationship with God looks like set up His presence among them in the Tabernacle and brought them across the Jordan into the promised land Though Moses pled with Israel to Choose life yet again Israel broke covenant with God Over and over God sent His prophets to warn Israel about going its own way and also to tell them of a coming Messiah who would be the path back to God In the fullness of time God came in the form of Jesus the Messiah Immanuel God with us into our world to live among us to experience every aspect of our life and to show us life with God So that sinful man the covenant breakers could be reconciled back to God God gave Jesus as our covenant Isaiah 42 6 took our guilt and died in our place so that we might be granted life in Him Salvation requires believing in this redemptive story surrendering one s will life and following this Jesus into the life for which God created us And in the fullness of time God will return and make all things new renewing His people along with the whole cosmos and God will dwell among His people forever
