Sean The Story Of A Childs Life And Death:

Sean Julie Maude Miller,1999-10-01 Many families have lost a child to cancer including Miller whose 14 year old son died of the disease This year long journal offers a unique insight into a parent s grief The Child Sex Scandal and Modern Irish Literature Joseph Valente,Margot Gayle Backus,2020 Even though the Irish child sex abuse scandals in the Catholic Church have appeared steadily in the media many children remain in peril In The Child Sex Scandal and Modern Irish Literature Joseph Valente and Margot Gayle Backus examine modern cultural responses to child sex abuse in Ireland Using descriptions of these scandals found in newspapers historiographical analysis and 20th and 21st century literature Valente and Backus expose a public sphere ardently committed to Irish children s souls and piously oblivious to their physical welfare They offer historically contextualized and psychoanalytically informed readings of scandal narratives by nine notable modern Irish authors who actively pointedly and persistently question Ireland s responsibilities regarding its children Through close critical readings a more nuanced and troubling account emerges of how Ireland s postcolonial heritage has served to enable such abuse The Child Sex Scandal and Modern Irish Literature refines the debates on why so many Irish children were lost by offering insight into the lived experience of both the children and those who failed them **Shelter From The Storm**

Joanne Hilden,Daniel Tobin,Karen Lindsey,2009-04-28 Critically ill and unlikely to survive A recent Harvard University study on pediatric end of life care has shown that the medical community is failing such children and their families Indeed in their effort to be ever hopeful and cure oriented in the face of a child s terminal illness they neglect to advise parents on the basics of emotional support for all family members pediatric pain medication and the need for making plans and worst case preparations Based on the National Advanced Illness Coordinated Care program and the stories and advice gleaned from co author Joanne Hilden s years of work as a pediatric oncologist Shelter from the Storm fills this advice and caregiving void A compassionate road map to what the family may have to face what they may be asked to decide and how they might want to involve their child in the decision making Shelter from the Storm will help parents and caregivers make informed loving and protective choices on behalf of their children in the most trying of times Shadows of Death Jason N. Sean Washington was born with a gift He has the ability to see when someone is going to die His visions allow him to see people in a frightening gray hue On July 17th 1990 Sean was a high school junior on a class trip to New York City with his classmates when a terrorist left a bomb on the train killing six hundred and ninety seven people Sean was only able to save one of his classmates his best friend Reginald Kane Now Sean is a homicide detective searching for an elusive crafty and violent serial killer that leaves his victims handcuffed making escape for the killers victims all but impossible While the detective is on the case the killer discovers that Sean is after him The killer gives a terrifying ultimatum Step down from the case or the ones closest to you will die one by one Will Sean find the killer or will he succumb to his shadows of death

Case Studies in Child and Adolescent Counseling Larry B. Golden,2002 This award winning book presents a realistic

picture of therapy's rewards and challenges through sixteen actual cases involving children and adolescents. Readers are exposed to a variety of counseling theories and the real live counselors who use them. The cases deal with major problem areas such as sexual abuse, dual diagnoses, seriously dysfunctional families, and addictions. A five-part organization of each case covers an introduction that discusses the presenting problem and background information about the client; conceptualization of therapeutic goals and strategies; process descriptions of actual client contacts; it explains what happened in sessions and how the therapist's relationship with the client changed over time; outcome sections describing the result of the work done between therapist and client; and discussion explanations of what the author/therapist might have done differently. In addition, the author describes his or her personal and professional growth that resulted from this encounter with a troubled youngster. For child and adolescent counselors beginning their journey as therapists.

Surviving the Death of a Sibling T.J. Wray, 2009-02-04 When T.J. Wray lost her 43-year-old brother, her grief was deep and enduring, and she soon discovered not fully acknowledged. Despite the longevity of adult sibling relationships, surviving siblings are often made to feel as if their grief is somehow unwarranted. After all, when an adult sibling dies, he or she often leaves behind parents, a spouse, and even children, all of whom suffer a more socially recognized type of loss. Based on the author's own experiences as well as those of many others, *Surviving the Death of a Sibling* helps adults who have lost a brother or sister to realize that they are not alone in their struggle. Just as important, it teaches them to understand the unique stages of their grieving process, offering practical and prescriptive advice for dealing with each stage. In *Surviving the Death of a Sibling*, T.J. Wray discusses searching for and finding meaning in your sibling's passing; using a grief journal to record your emotions; choosing a grief partner to help you through tough times; dealing with insensitive remarks made by others; warm and personal and a rich source of useful insights and coping strategies. *Surviving the Death of a Sibling* is a unique addition to the literature of bereavement.

The Prenatal Bombshell Stephanie Azri, Sherokee Ilse, 2015-04-16 Finding out your unborn child has been diagnosed with a poor or fatal prenatal diagnosis is devastating news sure to reverberate through your family's life forever. The emotional aspects of such a pregnancy and the practical implications of an adverse diagnosis are difficult to navigate. *The Prenatal Bombshell* is a warm and understanding companion guide through the journey from diagnosis and beyond once you've decided to either continue or end your precious pregnancy. Issues such as managing the pregnancy, delivery, termination, creating memories, future babies, and the long-term impact of such a traumatic experience are all covered in detail. The lived experiences of other women who have gone through this journey are also included to provide hope, support, and guidance through difficult times. *The Prenatal Bombshell* does not attempt to convince women to make a particular choice about their pregnancy. It supports them from their choice onwards in a way that is honest, informative, and reliable. Filled with stories and testimonies, this is a helpful book to have during and well beyond a poor prenatal diagnosis.

about dealing with conflict A powerful book Peter Bergen In this honest hard hitting look at war and peace a Navy SEAL and experienced security consultant explains that force is sometimes necessary that persuasion is more powerful and that some conflict is unnecessary and preventable The goal of Powerful Peace is to open the reader s mind about other cultures to comprehend that different does not have to mean wrong and that an individual s life can be richer and more enjoyable when conflicts are handled wisely Never before has a book been written by a SEAL with the intent of reducing conflict and its painful consequences for innocent victims Powerful Peace addresses the hot topic of American fatigue from the wars in Iraq and Afghanistan and in a political environment that has soured many citizens confidence in the direction of our national leadership it offers hope that real solutions are available Folks in Washington know Rob DuBois The Velvet Glove Now you can know the iron fist inside that glove Rear Adm Brian Losey Commander Special Operations Command Africa Who else but a warrior could write so elegantly about peace Reza Aslan **Dolly Mixtures** Sarah Franklin,2007-04-11 A cultural analysis of Dolly the cloned sheep **Life Came to a Standstill** Gwendolyn Broadmore,2017-11-16 How does a parent live through the death of a child This profound and poignant compilation of the courageous personal journeys of seven grieving mothers and one grieving sister offers a road map of how to cope with the anguish of traumatic unexpected loss giving inspiration for continuing to live Each narrative lovingly remembers the deceased honestly conveys the shock of death and details the grief work that the survivors and their extended family members have done to move toward healing and make a new life without their loved one Though these are stories of painful loss they are also inspiring accounts of strength hope and love lighting the way from the darkest sorrow to the first shimmer of hope An extensive addendum includes helpful supplementary material with valuable professional insights guidance to help you navigate when your once familiar world feels like an alien landscape

Young Men Surviving Child Sexual Abuse Andrew Durham,2003-08-01 *Young Men Surviving Child Sexual Abuse* examines a largely neglected area in child protection the sexual abuse of boys Andrew Durham a consultant social work practitioner describes his original research undertaken with young men close to or in the midst of adolescence The book features extensive narrative as the life story approach taken allows the young men to theorise their own experience and to understand how and why child sexual abuse has had a harmful and long lasting impact on their day to day lives Alongside the research stories the author presents a theoretical framework for understanding male sexual abuse as well as a wide range of accessible practice materials This book will be invaluable to those working with children and young people who are recovering from child sexual abuse **The Routledge History of Death since 1800** Peter N. Stearns,2020-10-13 The Routledge History of Death Since 1800 looks at how death has been treated and dealt with in modern history the history of the past 250 years in a global context through a mix of definite often quantifiable changes and a complex qualitative assessment of the subject The book is divided into three parts with the first considering major trends in death history and identifying widespread patterns of change and continuity in the material and cultural features of death since 1800 The

second part turns to specifically regional experiences and the third offers more specialized chapters on key topics in the modern history of death. Historical findings and debates feed directly into a current and prospective assessment of death as many societies transition into patterns of ageing that will further alter the death experience and challenge modern reactions. Thus a final chapter probes this topic by way of introducing the links between historical experience and current trajectories ensuring that the book gives the reader a framework for assessing the ongoing process as well as an understanding of the past. Global in focus and linking death to a variety of major developments in modern global history the volume is ideal for all those interested in the multifaceted history of how death is dealt with in different societies over time and who want access to the rich and growing historiography on the subject. Mental Illness in Popular Culture Sharon Packer MD, 2017-05-24 Being crazy is generally a negative characterization today yet many celebrated artists, leaders and successful individuals have achieved greatness despite suffering from mental illness. This book explores the many different representations of mental illness that exist and sometimes persist in both traditional and new media across eras. Mental health professionals and advocates typically point a finger at pop culture for sensationalizing and stigmatizing mental illness, perpetuating stereotypes and capitalizing on the increased anxiety that invariably follows mass shootings at schools, military bases or workplaces, on public transportation or at large public gatherings. While drugs or street gangs were once most often blamed for public violence, the upswing of psychotic perpetrators casts a harsher light on mental illness and commands media's attention. What aspects of popular culture could play a role in mental health across the nation? How accurate and influential are the various media representations of mental illness? Or are there unsung positive portrayals of mental illness? This standout work on the intersections of pop culture and mental illness brings informed perspectives and necessary context to the myriad topics within these important, timely and controversial issues. Divided into five sections, the book covers movies, television, popular literature encompassing novels, poetry and memoirs, the visual arts such as fine art, video games, comics and graphic novels and popular music, addressing lyrics and musicians' lives. Some of the essays reference multiple media such as a filmic adaptation of a memoir or a video game adaptation of a story or characters that were originally in comics. With roughly 20 percent of U.S. citizens taking psychotropic prescriptions or carrying a psychiatric diagnosis, this timely topic is relevant to far more individuals than many people would admit.

Death at the Movies Lyn Davis Genelli, Tom Davis Genelli, 2013-08-12 It's a Wonderful Life 1946 Resurrection 1980 Poltergeist 1982 Beetlejuice 1988 Ghost 1990 Groundhog Day 1993 The Sixth Sense 1999 these are only a few of the influential movies in recent decades dealing with the afterlife But beyond entertainment do they mean anything The authors of this wise and well informed guide believe so They explore how popular motion pictures from Outward Bound 1930 to Hereafter play a perhaps unconscious role in guiding humanity toward its evolutionary comprehension of the meaning and purpose of death They draw on the Tibetan Book of the Dead Buddhism and depth psychology to review some of the most spiritually powerful films ever made Death is say the authors at once the most immediate locked door and the ultimate frontier a staggering paradox that invites us to search for deeper understanding based upon a level of consciousness beyond thought After reading this book you'll never view Casablanca or The Wizard of Oz the same way again

Cinema of the Occult Carrol Lee Fry, 2008 Provides useful information on the occult religions and applies this discussion to selected films Readers will find excellent background on these paths as well as perceptive commentary of film adaptations of them and their relevance to understanding our culture Publisher's note

The Distant Mirror Joanne Brown, Nancy St. Clair, 2005-12-08 Young adult historical fiction brings the past alive through stories of adventure suspense and mystery The genre is both complex and controversial encompassing novels that range from romance and fantasy to stark historical realism The book examines the various approaches to young adult historical fiction and explores the issues that it has engendered Part One focuses on the broader issues spawned by the genre itself including its various subgenres the line between fiction and fact to what degree must an author adhere to historical accuracy time boundaries the diary format the protagonist as the outsider who is entitled to write what and literary concerns such as the relationship between accuracy and readability Part Two explores issues of contemporary interest such as race class gender the immigrant experience religion war and nationalism Thought provoking discussions of how these elements are treated in historical novels with emphasis on how current cultural values have shaped the fiction are presented Finally the question of whether novels in this genre are bound by anything other than their respective period setting is posed and it is contended that there are features common to YA historical novels that not only set the genre apart from other YA fiction but also contribute something unique to the larger genre The genesis for much classroom debate suggestions for class discussions and writing assignments as well as sample written responses of these debates from the authors' classes are included Teachers librarians instructors of young adult literature courses and teen readers will find this an insightful analysis of YA historical fiction

Genocide in Contemporary Children's and Young Adult Literature Jane Gangi, 2014-03-14 This book studies children's and young adult literature of genocide since 1945 considering issues of representation and using postcolonial theory to provide both literary analysis and implications for educating the young Many of the authors visited accurately and authentically portray the genocide about which they write others

perpetuate stereotypes or otherwise distort demean or oversimplify In this focus on young people s literature of specific genocides Gangi profiles and critiques works on the Cambodian genocide 1975 1979 the Iraqi Kurds 1988 the Maya of Guatemala 1981 1983 Bosnia Kosovo and Srebrenica 1990s Rwanda 1994 and Darfur 2003 present In addition to critical analysis each chapter also provides historical background based on the work of prominent genocide scholars To conduct research for the book Gangi traveled to Bosnia engaged in conversation with young people from Rwanda and spoke with scholars who had traveled to or lived in Guatemala and Cambodia This book analyses the ways contemporary children typically ages ten and up are engaged in the study of genocide and addresses the ways in which child survivors who have witnessed genocide are helped by literature that mirrors their experiences *Beneath the Fourth Floor* Olivia

Greene,2010-12-01 Nurse Gretchen Randall has lived in an almost catatonic state for most of her adult life not knowing how she became a patient at the Dove Foundation a rehabilitation treatment center somewhere in Georgia She walks the grounds of the center hoping that her memory will return While she waits strange dreams haunt her in which patients leap to their death from the roof above the fourth floor of the residential building Gretchen is skeptical of the blue pills given to every patient and the zombie state it causes More alarming are the wails of children coming from somewhere below the basement She desperately tries to analyze what is reality and what is fiction as bits of her own sordid past return to her Her obsession to discover the truth grows with the help of several patients and two cherubic ghosts that haunt Dove Once the story unravels Gretchen wonders if the truth should have been left buried in the rubble that was once her mind *Pain of Death*
