A Journey to Seeking God, Real or Myth? Florence Gaspar Muzi,2020-10-20 A true story and now a speaker of God's love and his empowerment bringing one around not only to the love of God but to work towards the image of his son in obedience and love of the Father the goal is to love one another as he so loves us yes sometimes difficult I sit here in my little Eden my backyard I hear the mockingbird serenading in the background a gift from nature and God who has put joy back into my life and love I comfortably write these words from witness of my children and myself it is my hope that everyone that reads and witnesses God's supernatural will share it with another and another and another that we will speak freely the full story of witness Perhaps the atheists who believe they can do it alone and in their last moments of life call for a priest suddenly there not sure God is real and there A change of heart is different from a change of mind think
